**The Private Memoirs and Confessions of a Justified Sinner** James Hogg, 2018-12-20 Considered in turn a Gothic novel a psychological case study of an unreliable narrator and an examination of totalitarian thought the ultimately unclassifiable novel is set in a pseudo Christian world of angels devils and demonic possession It has been the subject of increasing critical attention in recent years and has received wide acclaim for its probing quest into the nature of religious fanaticism and Calvinist predestination It is written in English

*The Private Memoirs and Confessions of a Justified Sinner* James Hogg, 2014-02 The Private Memoirs and Confessions of a Justified Sinner Written by Himself With a Detail of Curious Traditionary Facts and other Evidence by the Editor By James Hogg NEW COMPLETE EDITION The Private Memoirs and Confessions of a Justified Sinner Full title The Private Memoirs and Confessions of a Justified Sinner Written by Himself With a detail of curious traditionary facts and other evidence by the editor is a novel by the Scottish author James Hogg published anonymously in 1824 Considered by turns part gothic novel part psychological mystery part metafiction part satire part case study of totalitarian thought it can also be thought of as an early example of modern crime fiction in which the story is told for the most part from the point of view of its criminal anti hero The action of the novel is located in a historically definable Scotland with accurately observed settings and simultaneously infers a pseudo Christian world of angels devils and demonic possession The first edition sold very poorly and the novel suffered from a period of critical neglect especially in the nineteenth century However since the latter part of the twentieth century it has won greater critical interest and attention It was praised by Andre Gide in an introduction to the 1947 reissue and described by the critic Walter Allen as the most convincing representation of the power of evil in our literature It has also been seen as a study of religious fanaticism through its deeply critical portrait of the Calvinist concept of predestination It is written in Scottish English with some sections of Scots that appear in dialogue

*The Private Memoirs and Confessions of a Justified Sinner* James Hogg, 2019-11-18 The Private Memoirs and Confessions of a Justified Sinner It being a story replete with horrors after I had written it says Hogg I durst not venture to put my name to it and it has often been asserted that part of the writing was Lockhart s It is very nearly a masterpiece of its kind a kind somewhere between Bunyan and a spiritual Defoe It might have suggested Poe s William Wilson and it has a horror which even Poe has hardly exceeded But it is as a piece of psychology that it is most remarkable the lean dry record of a wrinkled soul which projects its

own devil upon the outer air and dies the suicide of its enemy itself Here for once was this really some helping influence of Lockhart Hogg is grimly self possessed master of his material He tells us proudly that he never re wrote Not to revise means to him to hold fast my integrity he will try to write better next time but what he has written he has written The consequence of this proud incapacity is that all but his very best work is both spun out to weakness and marred by abundant absurdities of language The Scotch dialect was at once a help and a disguise to him Sometimes the difference is only apparent but for the most part he is better able to mould words to his thought out of the homely dialect whose shades of meaning were so much clearer to him than those of English The Lamp A Review and Record of Current Literature Volume 29 1904 **PRIVATE**
