Private Enterprise And The State In Modern Nepal:

Private Enterprise and the State in Modern Nepal Laurie Zivetz, 1992 This study explores the emergence and evolution of modern entrepreneurship in the context of a small developing nation largely cut off from outside contact until only 40 years ago The author an American scholar with extensive direct experience of life and work in Nepal first examines the ethnic religious and family background of the country s entrepreneurs seeking to explain why certain minority communities the Marwaris the Sherpas Tibetan refugees based in Nepal and others have proved particularly successful in adopting an entrepreneurial culture The factors which lie behind the decline of the Newars as Nepal s foremost entrepreneurial community are also explored There follows an analysis of the major problems encountered by Nepal based entrepreneurs especially in relation to the State which during the period of research for this book was dominated by the monarchy The study raises questions about the relationship between government and private sector that seem certain to figure prominently on Nepal s national agenda as the country develops under its new democratic dispensation **Anthropological**

Perspectives on Education in Nepal Karen Valentin, Uma Pradhan, 2023 This volume illuminates educational transformations and avenues of learning in the context of wider social and political changes in Nepal *Social Inclusion of Ethnic Communities in Contemporary Nepal*, 2013-08-15 Social Inclusion of Ethnic Communities in Contemporary Nepal focuses on the dynamics of ethnic identities and movement in South Asian states in a comparative framework As we witness a series of explosive ethnic revivals across the globe this study investigates the issues around ethnicity that have come to occupy centre stage in Nepal s contemporary political and development discourse Nepal is at the crossroads of state building The Constituent Assembly is now looking into the modalities of establishing a multi cultural multi social multi linguistic multi religious and multi ethnic federal state In the aftermath of the April 2006 Jana Andolan II and the commitment of the ruling political alliance to restructuring Nepal along federal republican lines the assessment of Nepal s ethnic question from multiple perspectives political sociological economic and spatial has acquired a new urgency Ethnic identity is only one part of the problem of ethnicity in Nepal Federalism therefore has to be conceived of as an exercise in addressing the multiplicity of issues that form the agenda of Nepal s development so that a politically socially and economically integrated dynamic and progressive Nepal emerges from the shadows of the past This work includes an intensive analysis of facts figures and particulars collected from available records and surveys One of the aims of the study is to assess the defining ethnic identity among the Limbus centred on a case in an urban area in the Kathmandu Valley This work is mainly based on qualitative data but quantitative data has also been used to measure various aspects of the community like the level of educational economy etc This volume will be an invaluable guide for the scholars of federalism in Nepal while also educating the lay reader in general *Historical Dictionary of Nepal* Nanda R. Shrestha, Keshav Bhattarai, 2017-02-08 Nepal is a living example of contrasts and contradictions It is a country that was born in medieval times grew up in the 16th century and now finds itself

engulfed in the high tech gadgets and material marvels of the 21st century Nepal has its share of problem which include inadequate economic development and social infrastructure poverty and corruption plus worsening pollution but now it finally has relative peace and quiet after a hasty Maoist uprising Indeed it has passed through several democratic elections and finally seems to be getting on the right track This second edition of Historical Dictionary of Nepal contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nepal

Private Enterprises and the State in Modern Nepal Laurie Zivetz, 1991-01-01 *Nationalism and Ethnicity in a Hindu Kingdom* D. Gellner, J. Pfaff-Czarnecka, J. Whelpton, 2012-12-06 With its systematic coverage of different groups this book demonstrates how similar trends of ethnic formation are affecting all parts of Nepal Yet within the boundaries of a single culturally diverse state very different forms of ethnicity have emerged This is a truly thematic collection with a well defined focus on the important contemporary topics of ethnic identity and nationalism The importance of the theme is self evident in a world attempting to come to grips with such problems in virtually all modern states Anyone with an interest in contemporary Nepal should study this volume Nepal is the only officially Hindu kingdom in the world and remains so in spite of a revolution or people's movement in 1990 which overthrew the partyless Panchayat regime and instituted a multiparty constitutional monarchy Since November 1994 it has also had an elected Communist government the first of its kind in South Asia This volume takes a long term view of the various processes of ethnic and national development that have been

displayed both before and after 1990 It brings together twelve carefully chosen ethnographic and historical chapters covering all of the major ethnic groups and regions of Nepal *Entrepreneurship Education* Mathew J. Manimala,Princy Thomas,2017-06-13 The book provides an overview of developments in the field of entrepreneurship education with special reference to global perspectives on innovations and best practices as well as research in the emerging economy context It focuses on various experiments in curriculum design review and reform in addition to the innovative processes adopted for developing new content for entrepreneurship courses in many cases with an assessment of their impact on students entrepreneurial performance Further it discusses the pedagogical methods introduced by teachers and trainers to enhance the effectiveness of students learning and their development as future entrepreneurs It explains the various initiatives generally undertaken to broaden the scope of entrepreneurship education by extending it beyond regular students and offering it to other groups such as professionals technicians artisans war veterans and the unemployed The book is a valuable resource for researchers and academics working in the field of entrepreneurship education as well as for trainers consultants mentors and policy makers **The Far East and Australasia 2003** Europa Publications,2002 A unique survey of each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume *Reconceptualizing Children's Rights in International Development* Karl Hanson,Olga Nieuwenhuys,2013 Scholars from a range of different disciplines explore how best to implement children s rights Nepal National Union Catalogue Bhanu Pathak,Damodar Adhikari,1997 *Life and Death on Mt. Everest* Sherry B. Ortner,2020-03-31 The Sherpas were dead two more victims of an attempt to scale Mt Everest Members of a French climbing expedition sensitive perhaps about leaving the bodies where they could not be recovered rolled them off a steep mountain face One body however crashed to a stop near Sherpas on a separate expedition far below They stared at the frozen corpse stunned They said nothing but an American climber observing the scene interpreted their thoughts Nobody would throw the body of a white climber off Mt Everest For more than a century climbers from around the world have journeyed to test themselves on Everest s treacherous slopes enlisting the expert aid of the Sherpas who live in the area Drawing on years of field research in the Himalayas renowned anthropologist Sherry Ortner presents a compelling account of the evolving relationship between the mountaineers and the Sherpas a relationship of mutual dependence and cultural conflict played out in an environment of mortal risk Ortner explores this relationship partly through gripping accounts of expeditions often in the climbers own words ranging from nineteenth century forays by the British through the historic ascent of Hillary and Tenzing to the disasters described in Jon Krakauer s *Into Thin Air* She reveals the climbers or sahibs to use the Sherpas phrase as countercultural romantics seeking to transcend the vulgarity and materialism of modernity through the rigor and beauty of mountaineering She shows how climbers behavior toward the Sherpas has ranged from kindness to cruelty from cultural sensitivity to derision Ortner traces the political and economic factors that led the Sherpas to join expeditions and examines the impact of

climbing on their traditional culture religion and identity She examines Sherpas attitude toward death the implications of the shared masculinity of Sherpas and sahibs and the relationship between Sherpas and the increasing number of women climbers Ortner also tackles debates about whether the Sherpas have been spoiled by mountaineering and whether climbing itself has been spoiled by commercialism

People, Money and Power in the Economic Crisis Keith Hart, John Sharp, 2014-10-01 The Cold War was fought between state socialism and the free market That fluctuating relationship between public power and private money continues today unfolding in new and unforeseen ways during the economic crisis Nine case studies from Southern Africa South Asia Brazil and Atlantic Africa examine economic life from the perspective of ordinary people in places that are normally marginal to global discourse covering a range of class positions from the bottom to the top of society The authors of these case studies examine people s concrete economic activities and aspirations By looking at how people insert themselves into the actual unequal economy they seek to reflect human unity and diversity more fully than the narrow vision of conventional economics
