Sheridan, 2003 When yielding to the solicitations of my friends I finally decided to write these Memoirs the greatest difficulty which confronted me was that of recounting my share in the many notable events of the last three decades in which I played a part without entering too fully into the history of these years and at the same time without giving to my own acts an unmerited prominence To what extent I have overcome this difficulty I must leave the reader to judge In offering this record penned by my own hand of the events of my life and of my participation in our great struggle for national existence human liberty and political equality I make no pretension to literary merit the importance of the subject matter of my narrative is my only claim on the reader s attention Respectfully dedicating this work to my comrades in arms during the War of the Rebellion I leave it as a heritage to my children and as a source of

This comprehensive memoir offers an insightful account of Sheridan's experiences as a key military leader during the American Civil War and his subsequent service in the Indian Wars. Sheridan, known for his aggressive tactics and leadership, provides readers with a first-hand perspective of pivotal battles and military strategies that shaped the course of American history. In these memoirs, Sheridan recounts his military life from his early days at West Point to his rise through the ranks of the Union Army. He reflects on significant events such as the battles of Shiloh, Vicksburg, and Cedar Creek, as well as his famous ride to ensure Union victory. Personal Memoirs of P. H. Sheridan (Complete) (Illustrated Edition) (Dodo Press) Philip Henry Sheridan, 2008-11 Philip Henry Sheridan 1831-1888 was a career United States Army officer and a Union general in the American Civil War. His career was noted for his rapid rise to major general and his close association with Lt. Gen. Ulysses S. Grant, who transferred Sheridan from command of an infantry division in the Western Theater to lead the Cavalry Corps of the Army of the Potomac in the East. In 1864, he defeated Confederate forces in the Shenandoah Valley and his destruction of the economic infrastructure of the Valley, called "The Burning," by residents was one of the first uses of scorched earth tactics in the war. In 1865, his cavalry pursued Gen. Robert E. Lee and was instrumental in forcing his surrender at Appomattox. Sheridan prosecuted the latter years of the Indian Wars of the Great Plains, tainting his reputation with some historians who accuse him of racism and genocide. Both as a soldier and private citizen, he was instrumental in the development and protection of Yellowstone National Park. His memoirs were published posthumously as *Personal Memoirs of P. H. Sheridan*, 2 volumes, 1888.
