## Quickie Thriller:

**Quota Quickies** Steve Chibnall, 2019-07-25 This book the first of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation *Hollywood Classic Movies 1* John Reid, 2004-06-25 Everyone has a best list of favorite movies I introduce my list and then provide complete details on 80 films some from my best list a few from my worst and a couple in between The Quickie James Patterson, 2014-12 Deadly Shadow: A Paranormal Suspense Thriller Kim Cresswell, 2015-07-24 Two recent murders Two serial killers A conspiracy that reaches beyond the physical world Consumed with grief over the tragic death of her husband FBI agent Victory McClane is obsessed with finding Ohio s serial killer The Wrapper When another young woman turns up dead and the victim is linked to Derrick Lynn son of the Secretary of Defense Victory finds Derrick has all the right answers and is a little too helpful Derrick has a secret He s a government assassin who uses his unusual paranormal skills to eliminate targets Determined to keep his own secrets buried he offers to help find The Wrapper But can Victory trust him As the body count rises Victory must cross a dangerous line into a world of government cover ups murder and betrayal a decision that will test her limits And everything she believes in **Horror Films of the 1980s** John Kenneth Muir, 2010-07-28 John Kenneth Muir is back This time the author of the acclaimed *Horror Films of the 1970s* turns his attention to 300 films from the 1980s From horror franchises like *Friday the 13th* and *Hellraiser* to obscurities like *The Children* and *The Boogens* Muir is our informative guide Muir introduces the scope of the decade s horrors and offers a history that draws parallels between current events and the nightmares unfolding on cinema screens Each of the 300 films is discussed with detailed credits a brief synopsis a critical commentary and where applicable notes on the film s legacy beyond the 80s Also included is the author s ranking of the 15 best horror films of the 80s **Smasher!** Robert Ross, 2014-01-13 Everyone thinks they know Sid James the Carry On star and womaniser who drank himself to death after the end of his affair with Barbara Windsor but despite hundreds of scandalous newspaper expos s the real story of this complex actor has never been told Now this fascinating biography lays bare the life of British entertainment s most lovable rogue Featuring never before published correspondence with Sid s friends family and colleagues and exclusive tales from his

**Hitchcock's Stars** Lesley L Coffin,2023-06-14 Although he was a visual stylist who once referred to actors as cattle Alfred Hitchcock also had a remarkable talent for innovative and creative casting choices The director launched the careers of several actors and completely changed the trajectory of others many of whom created some of the most iconic screen performances in history However Hitchcock s ability to fit his leading men and women into just the right parts has been a largely overlooked aspect of his filmmaking skills In *Hitchcock s Stars* Alfred Hitchcock and the Hollywood Studio System Lesley L Coffin looks at how the director made the most of the actors who were at his disposal for several decades From his first American production in 1940 to his final feature in 1976 Hitchcock s films were examples of creative casting that strayed far from the norm during the structured Hollywood star system Rather than examining the cinematic aspects of his work this book explores the collaboration the director engaged in with some of the most **The Quickie** James Patterson,Michael Ledwidge,2007-07-02 A one night stand spirals into a web of dark secrets in James Patterson s steamy thriller of love lust and murder Lauren Stillwell is not your average damsel in distress When the NYPD cop discovers her husband leaving a hotel with another woman she decides to beat him at his own game But her revenge goes dangerously awry and she finds her world spiraling into a hell that becomes more terrifying by the hour In a further twist of fate Lauren must take on a job that threatens everything she stands for Now she s paralyzed by a deadly secret that could tear her life apart With her job and marriage on the line Lauren s desire for retribution becomes a lethal inferno as she fights to save her livelihood and her life Patterson takes us on a twisting roller coaster ride of thrills in his most gripping novel yet This story of love lust and dangerous secrets will have readers hearts pounding to the very last page **Thrills Untapped 2** Michael R.  Hollywood used Sherlock Holmes in a series of fourteen films spanning the years of World War II in Europe from The Hound

 has since played him on film TV stage and radio yet the film series has until now been neglected in terms of detailed critical  
 analysis The book looks at the films themselves in combination with their historical context and examines how the studio  
 updated Holmes and recruited him to fight the Nazis steering a careful course between modernising the detective and  
 making sure he was still recognisable as the old Holmes in clothes locations and behaviour     *The Erotic Thriller in*
