book Earth Dwelling An Owners Manual for Life in order to share thoughts about the meaning and purpose of life It is amazing the difference that ten years can make I like to think that I am growing Gee Could that be I sure hope so People from the worlds of philosophy religion and the popular culture are anxious to share the way they see the world with others I have a passion to do that also and so I wrote this book in order to summarize how things in life appeared to me I could be way off you decide for yourself At any rate my world is MY way of seeing life in YOUR world you will see it your special way and that is part of the beauty of this life Each person is free to see it differently and that is our basic right to do so I like that I actually feel so strongly about what I am saying here that I created a web site which is called HowIseetheworld com to talk about and share ideas with others Take a look at it some time Thoughts are powerful and have a tendency to either make you great or even destroy you before your time So think good thoughts And enjoy the book as well **Pride and Toil** Chinedu Nnadi,2025-08-06 Lila and Liam were born side by side but life would drag them in opposite directions When a tragic accident claims their parents the twin siblings are left with nothing but each other and a decaying house clinging to memory Lila grounded and relentless rolls up her sleeves and faces the world head on She scrubs floors sells vegetables and sacrifices her dreams all to keep her and her brother alive Every sunrise she fights with calloused hands and quiet courage Liam charming but entitled refuses to soil his pride with menial work He scoffs at Lila s grit convinced he s destined for greatness despite having no plan no income and no intention of trying Years pass Lila finds love and a second chance at the education she gave up Before she leaves she hands Liam her last savings a final act of sisterly hope But hope runs out fast Liam spirals into desperation clinging to excuses as everything else slips away Pride kept him from work Now it can t save him from hunger When their paths cross again it s on opposite ends of the street Lila a determined student chasing a future Liam a broken man with an empty bowl Pride and Toil is a haunting story of love labor and the cruel price of ego In a world where dreams are earned not given one sibling rises through sacrifice while the other sinks under the weight of wasted chances Will regret come too late Or can rock bottom spark redemption **Chasing Illusions** Chinedu Nnadi,2025-07-04 Megan thought she had it all figured out After fifteen years of marriage to Spencer a kind but predictable husband she craved excitement luxury and the intoxicating rush of a life she believed she deserved When Spencer s betrayal shattered their already fragile bond Megan seized the chance to chase the dazzling world she d always dreamed of Enter Miles wealthy charming and seemingly the answer to every fantasy Lavish gifts exotic getaways stolen kisses Megan was certain she had finally escaped the mundane for something extraordinary But the glittering facade soon crumbled Abandoned and forgotten Megan is forced to confront the wreckage of her choices a broken family fleeting lovers and a heart hollowed by disillusionment The life she thought would bring her happiness has left her emptier than ever while the love she discarded has found new meaning without her Chasing Illusions is a gripping tale of betrayal temptation and the dangerous allure of the grass that always seems greener until you realize it s all an illusion **The Imperial Dictionary, English,**
