## **Quiet Spaces Prayer Interludes For Women:**

Quiet Spaces Patricia Wilson, 2016-04-01 The intimate relationship with God you've yearned for is well within your grasp despite the chaos of juggling multiple roles, deadlines and commitments in your stretched to the max life. With Quiet Spaces you can learn to calm your mind and listen for God's still small voice in the midst of the tumult around you. Author and professional speaker Patricia Wilson knows what it's like to struggle with finding a few minutes for herself. Through Quiet Spaces she shows how even a few stray minutes can become a blessed opportunity for a focused encounter with God. Each brief prayer interlude featured in this book has 5 parts: Calming a passage from the Psalms to calm the mind; Centering a practice to focus on God; Praying a prayer for a particular situation or occasion; Listening a passage from the Gospels with the words of Jesus; Returning a practice to anchor the prayer experience. On hold for a phone call; Waiting for an appointment; In traffic. The quiet spaces are all around you. Capture those 5 minute breaks and use them to touch the hand of God. You can find time to pray and connect with God. Let this unique devotional book help you discover how. **Talking in the Dark** Steve Harper, 2007-07-01 Have you ever stopped praying? When life seems unfair and prayer doesn't seem to make any difference, you may quit praying. Most people who admit that they stopped praying for a while, including the author, say they felt as if they were suffocating after a period without prayer. Sometimes I think God has called me to speak, write and teach about prayer, so I won't give up on it. Altogether writes Harper. After more than forty years of praying, I still don't understand prayer. Prayer does not come easily for me. In the pages of this book, Harper continues, I will ask you to roll up your sleeves and confront your problems with prayer and then keep praying. Sometimes you will feel as though you are talking in the dark. But the fact is, sound travels in both darkness and light. If you're frustrated in your prayer life and wonder whether prayer is worth the effort, this book is for you. Nothing daunts Harper in this wrangle with God. No doubt, experience or unholy feeling is out of bounds as he considers life and prayer's dark patches. No matter how lost or lonely you feel, he offers assurance. During days when you feel the number one problem with prayer is an unresponsive God, you'll have the strength to dig deeper and surrender to the mysterious sustenance God offers. As you read Harper's brutally honest stories and follow his advice on how to cultivate a prayer life, you'll discover the kind of prayer that makes you want to continue even though everything in you wants to quit. **Birthing in Prayer** Kim Barker, Leigh Harrison, Linda de Meillon, 2016-03-01 A hopeful, grace-filled companion for the 9 months of pregnancy, Birthing in Prayer uniquely addresses and supports the spiritual journey of mothers-to-be. As the authors' moms say, it's the book they longed to read but never found while they were pregnant. Filled with lively, thoughtful, honest and been-there stories, this book deals with not only the emotional and physical facets of this overwhelming life experience but also the spiritual needs. From the moment you know you're pregnant, you enter a time of transition, a time of waiting and preparing as you anticipate the arrival of the new little person who will share your life. Pregnancy can be a God-given stopping point, an opportunity to reflect on our lives, values and relationships, to reevaluate our choices and

priorities and to make some adjustments write authors Barker de Meillon and Harrison Even more importantly pregnancy can offer an occasion to draw closer to God and encounter God in a new way Each chapter includes honest humorous and touching stories questions to think about journaling prompts and prayer exercises Birthed in Prayer gives you a safe place to acknowledge your thoughts and feelings as you read wisdom from scripture and stories from mother sages It focuses not just on preparing for childbirth but also motherhood The authors invite you on a journey of awareness and growth that will build a strong foundation for your life and your family As Barker de Meillon and Harrison say it takes courage to become aware to encounter and be encountered by God And it takes courage to be a mother **The Uncluttered Heart** Beth A.

Richardson,2009-08-01 It s a time when we prepare our lives hearts minds and spirits for the coming of the Christ child We sweep out the corners of our hearts cleaning up the clutter to make space for God s hope peace joy love and presence The Uncluttered Heart offers four weeks of guided reflection through the weeks of Advent on through Epiphany Each day provides a quotation scripture passage reflection prayer This book includes a study guide for groups **When You Come**

**Unglued... Stick Close to God** Patricia Wilson,2017-10-15 Is your life spinning out of control Do you sometimes wonder where God is Here s the good news even when your life and faith seem broken God still loves you and wants you to enjoy a life full of blessings Patricia Wilson a motivational writer spiritual guide and mentor to women offers a wise and lighthearted take on the serious business of maturing in faith Her candid descriptions of contemporary life reveal the ways we lose touch with God Then she shows us how to reconnect with God and stay close Sticking close to God is not as easy as I thought it would be Wilson admits Not because God moved on to someone less difficult and demanding but because I keep forgetting that my walk with God requires a conscious daily decision That s what this book is all about how to consciously daily stick close to God even on those days and through those times when life comes unglued Wilson s warmth and encouragement help you find a welcome dose of hope No matter your situation God can begin to work in you if you allow it **Espacios de**

Novack , We can run but we cannot hide from ourselves or our past At age forty three the past that I thought I had so neatly put behind me collided with the present I had spent many years trying to distance myself from the memories of my childhood Little did I understand that my past was controlling every aspect of my life All the years of depression anxiety and addictions could have been avoided if I had known what I understand today That is what this book is all about what I wish I had known I had believed the lie that time heals all wounds This idea of time and healing may be true of broken hearts but with the trauma of child abuse this understanding could not be further from the truth Our future can be full of joy and happiness in the wake of abuse but only once we learn how to face our past I spent over twenty years hiding from my past in church hoping that God would somehow make it all go away In many ways my life was enriched but in many other ways I was worse off than when I started In this book I explore why so many of us seem to be languishing in church when the opposite should be true The truth is that God loves us way too much to allow us to run away from what He knows can become our better qualities I hope you will join me as I share my past of abuse what I have experienced along my journey my ideas about God and who He has become in my life and what I have learned about healing and recovery *Between a Church and a Hard Place* Andrew Park,2010-03-04 Read Andrew Park s post on the Penguin Blog At age thirty five Andrew Park hit a parenting snag Teaching his children about ethics good manners and how to shoot a free throw posed no problem When they started asking about religion he came up empty handed Raised in a faith free family where teenage rebellion meant being born again as an evangelical Christian as his brother did Park always believed he d be a nonbeliever And his lapsed Christian wife thought the same But when his children ask if God is real he knows it is his responsibility to try and find the answer *Between a Church and a Hard Place* is the often funny yet deeply tender story of that quest It follows the author as he tries to reconcile his upbringing with the demands and liabilities he faces as a young father He realizes with alarming clarity that if he doesn t provide some answers someone else gladly will As he searches for middle ground Andrew Park addresses the hot

button questions surrounding faith and freedom and explores the polar reaches of religion in America Along the way he uncovers what it means to embrace faith or not while still being a good role model and more important still being true to himself
