"H" is for Homicide Sue Grafton, 2010-04-01 His name was Parnell Perkins and until shortly after midnight he'd been a claims adjustor for California Fidelity Then someone came along and put paid to that line of work And to any other Parnell Perkins had been shot at close range and left for dead in the parking lot outside California Fidelity's offices To the cops it looked like a robbery gone sour To Kinsey Millhone it looked like the cops were walking away from the case She didn't like the idea that a colleague and sometime drinking companion had been murdered Or the idea that his murderer was loose and on the prowl It made her feel exposed Vulnerable Bibiana Diaz was afraid for her life If there was one thing she knew for sure it was that you didn't cross Raymond Maldonado and live to tell the tale And Bibiana had well and truly crossed him running out on his crazy wedding plans and going into hiding in Santa Teresa light years away from the Los Angeles barrio that was home turf to Raymond and his gang Now she needed money to buy time to make sure she'd put enough space between them And the quickest way she knew to get money was to work an insurance scam just like the ones Raymond was running down in L A The trouble was Bibiana picked California Fidelity as her mark And it wasn't long before her name surfaced in one of Parnell Perkins's open files and Kinsey was on her case But so too was her spurned suitor Raymond Maldonado He had a rap sheet as long as his arm a hair trigger temper that was best left untested and an inability to take no for an answer He also had Tourette's syndrome which did nothing to smooth out the kinks in his erratic and often violent behavior All in all Raymond Maldonado was not someone to spend a lot of time

a legal case I Is For Innocent is seamlessly divided into thirds one third of the novel is devoted to the prosecution one third to the defense and a final third to cross examination and rebuttal The result is a trial novel without a trial and a crime novel that resists solution right to the end When Kinsey Millhone agrees to take over Morley Shine s investigation she thinks it is a simple matter of tying up the loose ends Morley might have been careless about his health but he was an old pro at the business So it comes as a real shock when she finds his files in disarray his key informant less than credible and his witnesses denying ever having spoken with him It comes as a bigger shock when she finds that every claim David Barney has made checks out But if Barney didn t murder his wife who did It would seem the list of candidates is a long one In life Isabelle Barney had stepped on a lot of toes In I Is For Innocent Sue Grafton once again demonstrates her mastery of those telling details that reveal our most intimate and conflicted relationships As Kinsey comments on the give and take by which we humans deal with each other for better and sometimes for worse the reader is struck yet again by how acute a social observer Ms Grafton can be Frequently funny and sometimes caustic she is also surprisingly compassionate understanding how little in life is purely black and white Except for murder Somewhere out there a killer waits to see just what Kinsey will find out Somewhere out there someone s been getting away with murder and this time it just might turn out to be Kinsey s I Is For Innocent is Sue Grafton in peak form Fast paced Funny And very very devious A Is for Alibi B Is for Burglar C Is for Corpse D Is for Deadbeat E Is for Evidence F Is for Fugitive G Is for Gumshoe H Is for Homicide I Is for Innocent J Is for Judgment K Is for Killer L is for Lawless M Is for Malice N Is for Noose O Is for Outlaw P Is for Peril Q Is for Quarry R Is for Ricochet S Is for Silence T Is for Trespass U Is for Undertow V Is for Vengeance W Is for Wasted X V is for Vengeance Sue Grafton,2016-03 A spiderweb of dangerous relationships lies at the heart of this daring Kinsey Millhone mystery from 1 New York Times bestselling author Sue Grafton Private detective Kinsey Millhone feels a bit out of place in any department store s lingerie section but she s entirely in her element when she puts a stop to a brazen shoplifting spree For her trouble she nearly gets run over in the parking lot by one of the fleeing thieves and later learns that the one who didn t get away has been found dead in an apparent suicide But Audrey Vance s grieving fiance suspects murder and hires Kinsey to investigate a case that will reveal a big story behind a small crime and lead her into a web that connects a shadowy private banker an angry trophy wife a spoiled kid with a spiraling addiction and a brutal killer without a conscience The Female Trickster Ricki Stefanie Tannen,2014-02-25 The Female Trickster presents a Post Jungian postmodern perspective regarding the role of women in contemporary Western society by investigating the re emergence of female trickster energy in all aspects of popular culture Ricki Tannen explores the psychological aspects of what happened when women s imagination was legally and psychologically enclosed millennia ago and demonstrates how the re emergence of Trickster energy through the female imagination has the radical potential to effect a transformation of western consciousness Examples are drawn from a diverse range of sources from Jane Austen and female sleuth narratives to Madonna and Sex and the City illustrating how Trickster
