A Bibliography of Higher Education in Canada

Supplement 1971 / Bibliographie de l'enseignement superieur au Canada Supplement 1971 Robin S.

Harris, 1971-12-15 The 1971 Supplement adds some 3 500 entries to the approximately 7 000 listed in the original volume and the 1965 Supplement Like its predecessors this volume provides a full list of the secondary sources related to Canadian higher education books articles theses dissertations and reports published from 1964 to 1969 The reporting and arrangement of entries remains the same in the Supplement but changes have been made in the overall organization of the material New divisions have been created more than a dozen sections have been subdivided and a substantial number of new sections have been added Studies in Higher Education 5

The Imperial Army Project Douglas E. Delaney, 2018-01-25 How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan fight shoot communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars What did the British want from the dominion and Indian armies and how did they go about trying to get it Douglas E Delaney seeks to answer these questions to understand whether the imperial army project was successful Answering these questions requires a long term perspective one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory performance in South Africa 1899 1903 and follows through to the high point of imperial military cooperation during the Second World War Based on multi archival research conducted in six different countries on four continents Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India At its core this book is really about how a military coalition worked *The Canadian Military* Hector J. Massey, 1972
