Hollow Tree Nights and Days Albert Bigelow Paine, 1916 **Amazing Alligators and Other Story Hour Friends** Maxine Riggers, 1990 A whole language extravaganza starring favorite read aloud stories plus songs action verse fingerplays games crafts Penelope Woodsberry Hope Atwood Dayhoff, 2020-12-04 The author has written a book filled with unusual characters and situations taking place in a magical land Hope gleans her many subjects from memories of interesting

fictional and nonfictional life acquaintances that she met along life's path. She starts her story by describing the feelings of a young girl and a magical mark she believed that she possessed. By some strange situations unknown to her, she meets a middle-aged rabbit lady who has tried repeatedly to wish her into the Magical Forest. The author explains that only those with the Mark can see and hear Penelope as she tells a long and interesting story of her life. Hope describes many mysterious traits that make the little girl's presence worth Penelope's long wait. That magical box that she has left back at her mother's house is a constant concern for her. It is filled with valuable little friends that only she can see and talk with. The mysterious story comes to an end as the little girl hurries back to her mother's house. The magical forest disappears as she turns to look back. Penelope is heard promising another story when she returns and reminds her to come back soon. Hope believes that it is not necessary that one should have the Mark to believe this story. She has stressed that having the mark is truly magnificent and believes in the possibility of other types of life in busy little cities or towns. The author wrote this book for the young at heart describing a mysterious magical fairy tale of fiction or was it? The beautiful drawings of Penelope Hareville and Noisyville were created by Dr. Joseph R. Whiting. Copyright 1992 by Hope A. Dayhoff. All rights reserved. Copyright 1992 by Hope A. Dayhoff. Evening Clouds Junzo Shono, 2009-02-01. A masterpiece of quiet lyricism set against a backdrop of change and renewal in suburban Tokyo. The most celebrated work by one of Japan's master literary stylists. *Evening Clouds* is a book filled with delicate images of ordinary life richly and precisely observed. A family moves into a new home on a windswept hilltop in western Tokyo. Around them are forests and farms. But the developers are coming and the children are growing up. There are meals, quandaries, conversations. Life appears comfortable and serene yet Shono's portrayal has a strange and evocative undercurrent as the most minute details slowly resonate out through a universe that is changing and unforgiving. *Evening Clouds* combines the crafted naturalism of haiku with the Ozu-like clarity of film to produce a story that is wistful and real. Read Shono slowly, a luxuriate in his vision.

The Rocky Mountain Educator, 1902 **The First Eighteen** Jerrold Jordan, 2022-05-04. This is a memoir about growing up in small Iowa towns from the late depression years through World War II. The story as told by an eighty-five-year-old retired attorney and judge was written after his release from alcoholism and describes the innocence of his first eighteen years of life while recalling the places, persons, and events that shaped his future. It is a coming-of-age story with lessons about life and people. *School Library Journal*, 1997.

American Literature in Transition, 1980-1990 D. Quentin Miller, 2017-12-28. History has not been kind to the 1980s. The decade is often associated with absurd fashion choices, neo-Conservatism in the Reagan-Bush years, the AIDS crisis, Wall Street ethics, and uninspired television, film, and music. Yet the literature of the 1980s is undeniably rich and lasting. *American Literature in Transition, 1980-1990* seeks to frame some of the decade's greatest achievements, such as Toni Morrison's monumental novel *Beloved*, and to consider some of the trends that began in the 1980s and developed thereafter, including the origins of the graphic novel, prison literature, and the opening of multiculturalism vis-à-vis the canon wars. This volume

argues not only for the importance of 1980s American literature but also for its centrality in understanding trends and trajectories in all contemporary literature against the broader background of culture This volume serves as both an introduction and a deep consideration of the literary culture of our most maligned decade Ready, Set, Go! Dolores Chupela, 1994 **Fury** Don Fleming, 2009-10-15 A story of violence aggression and lawlessness Don Fleming's *Fury* is a vitriolic account of how the disintegration of our social values and of our respect for the law is creating a culture in which predators thrive and the innocent live in fear Danny Laine may come from a respectful family but all around him temptation lies Danny finds it hard to resist the allure of deviance hard to tread a virtuous path when crime and violence seem so simple and accessible to him Surrounded by gang culture overwhelmed by poverty turf warfare and needless brutality the line between right and wrong has long been blurred Danny respects no one but demands that every man or woman who crosses his path reveres him Danny lives in a world where there are no rules no one is obeyed and everyone is an easy target ready for the taking *Fury* fact or Fiction confronts readers with a world that lies on their own doorsteps a world in which feral children run riot across Britain's cities and estates seemingly answerable to no one where an ASBO is worn as a badge of honor assault or theft merely a right of passage With their acute bloodlust for crime and disorder and a warped sense of morality they spare their many victims no mercy A mixture of fiction and of factual events that Fleming has witnessed or encountered during his life *Fury* Fact and Fiction represents the genuine sense of foreboding amongst much of Britain's older generation who feel at the mercy of a rising tide of youthful disrespect and social anarchy This controversial and hard hitting novel recognises the current state of our nation giving it more than just the casual disregarding glance that our politicians seem unable to muster Whilst it does not make for easy reading in part due to its strong language and graphic violence but also on account of its honesty *Fury* reveals the human side of the news headlines revealing the fear torment and anxiety to which so many people are subjected to in order to preserve the human rights of those who seem most inclined to meet out their own brand of justice Don Fleming's is a voice that must be heard even if what he says is difficult to hear
