## **Race On The Edge Of Time:**

**A Woman on the Edge of Time** Jeremy Gavron, 2016-09-20 London 1965 A brilliant young woman a prescient advocate for women's rights at the dawn of modern feminism has just gassed herself to death leaving behind a suicide note two young sons and a soon to be published sociological study *The Captive Wife* Conflicts of Housebound Mothers Hannah Gavron had seemingly led a charmed life since childhood She had been a champion equestrian had studied acting alongside Peter O Toole As a bright sophisticated adult swept up in the progressive politics of the 60s she was a promising academic and the wife of a rising entrepreneur No one who knew Hannah ever imagined that she might take her own life Jeremy Gavron was just four when his mother died Afterward a silence descended so completely on her family and friends that it was as if she had never lived In this searching portrait of Hannah Jeremy embarks on a quest to break forty years of silence to try to understand who his mother was and what drove her to suicide He's left to piece her life together from what remains letters diaries and the faded memories of old acquaintances As he digs into her past he uncovers a darker side to Hannah's life societal pressure marital strife and inescapable sexism that discounted her desire for more as a sign of mental illness Ultimately Jeremy not only comes as close as he can to knowing his mother he also vividly captures the suffocating constrictions placed on every ambitious woman in the mid twentieth century

**Sailing to the Edge of Time** John Kretschmer, 2018-11-13 John Kretschmer is sailing's practical philosopher as much a doer as a thinker And that is the overarching theme of this chronicle of a sailing life Often amusing sometimes poignant occasionally terrifying but always inspiring his deeply personal account is a welcome reminder of the good life waiting at sea With hundreds of thousands of nautical miles under his keel John's adventures have taken him several times around the world with challenging crossings of the Atlantic and the Pacific a narrow escape from a coup in Yemen an unlikely deliverance from a coral reef off Belize as well as more serene introspective passages where trade winds are blowing and stories are flowing His crew has included CEOs actors writers teachers kids in essence everyone John's narrative is interwoven with practical tips and advice in seamanship but also and just as importantly his hard won insights about making the most of our lives He truly believes we find out who we really are and what we are capable of far from the shackles of land when we find a place where time changes shape days may merge into one another but minutes are memorable To live adventurously is to live more fully and that is the life John Kretschmer continues to live In this book he shares his simple profundities that will inspire those who live to sail and those seeking something more rewarding from life

**Woman on the Edge of Time** Marge Piercy, 1997-06-23 Hailed as a classic of speculative fiction Marge Piercy's landmark novel is a transformative vision of two futures and what it takes to will one or the other into reality Harrowing and prescient *Woman on the Edge of Time* speaks to a new generation on whom these choices weigh more heavily than ever before Connie Ramos is a Mexican American woman living on the streets of New York Once ambitious and proud she has lost her child her husband her dignity and now they want to take her sanity After being unjustly

committed to a mental institution Connie is contacted by an envoy from the year 2137 who shows her a time of sexual and racial equality environmental purity and unprecedented self actualization But Connie also bears witness to another potential outcome a society of grotesque exploitation in which the barrier between person and commodity has finally been eroded One will become our world And Connie herself may strike the decisive blow Praise for Woman on the Edge of Time This is one of those rare novels that leave us different people at the end than we were at the beginning Whether you are reading Marge Piercy's great work again or for the first time it will remind you that we are creating the future with every choice we make Gloria Steinem An ambitious unusual novel about the possibilities for moral courage in contemporary society The Philadelphia Inquirer A stunning even astonishing novel marvelous and compelling Publishers Weekly Connie Ramos's world is cuttngly real Newsweek Absorbing and exciting The New York Times Book Review Secret Weapons and World War II Walter E. Grunden,2005 Grunden's analysis of this fundamental flaw in the Japanese war effort seamlessly weaves together science technology and military history to provide an entirely unique look at a crucial but understudied aspect of World War II Comparing the science and weapons programs of all the major combatants he demonstrates that Japan's failure was nearly inevitable given its paucity of strategic resources an inadequate industrial base the absence of effective centralized management to coordinate research military hostility toward civilian scientists and bitter interservice rivalries In the end Japan could not overcome these obstacles and thus failed to make the transition to the kind of Big Science it needed to ward off its enemies and dominate the Far East BOOK JACKET Edge of the Universe Paul Halpern,2012-08-10 An accessible look at the mysteries that lurk at the edge of the known universe and beyond The observable universe the part we can see with telescopes is incredibly vast Yet recent theories suggest that there is far more to the universe than what our instruments record in fact it could be infinite Colossal flows of galaxies large empty regions called voids and other unexplained phenomena offer clues that our own bubble universe could be part of a greater realm called the multiverse How big is the observable universe What it is made of What lies beyond it Was there a time before the Big Bang Could space have unseen dimensions In this book physicist and science writer Paul Halpern explains what we know and what we hope to soon find out about our extraordinary cosmos Explains what we know about the Big Bang the accelerating universe dark energy dark flow and dark matter to examine some of the theories about the content of the universe and why its edge is getting farther away from us faster Explores the idea that the observable universe could be a hologram and that everything that happens within it might be written on its edge Written by physicist and popular science writer Paul Halpern whose other books include Collider The Search for the World's Smallest Particles and What's Science Ever Done For Us What the Simpsons Can Teach Us About Physics Robots Life and the Universe ON THE EDGE OF THE CLIFF - The Complete Ballantyne Action Series R. LaHaye, Craig Parshall, 2010-04-20 FOR DISTRIBUTION OUTSIDE THE USA In Tim LaHaye creator and co author of the world renowned Left Behind series and Craig Parshall s *Edge of Apocalypse* Joshua Jordan s new weapons defense system will secure America against an array of new enemies including a nuclear strike on New York City by North Korea But global forces are mounting and corrupt government leaders will go to any extreme to prevent an impending economic catastrophe As world events begin setting the stage for the end of days foretold in Revelation Jordan must weigh the personal price he must pay to save the nation he loves **Star Matters II: Edge of Revelation** David John West, 2023-11-08 *Star Matters 2* is the second book in the *Star Matters* trilogy It begins when the Gayan star people contact the British Prime Minister through their main contact Professor Kitteridge Professor of Cosmology at Cambridge University They say that they are planning First Alien Contact between their race and planet Earth imminently The Prime Minister is embroiled in Brexit and pleased to discover the UK armed forces have a secret agency ready to handle such an event Soon the President of the USA has to be told and he insists that the Americans should manage any contact with alien forces Meanwhile the Gayans have enemies that also have designs on annexing planet Earth for their Spargar Empire They send their most feared warrior leader to Earth to settle events in their favour He flushes out the Gayan agents working with Professor Kitteridge and attempts to subdue them first with force and later by bending them to his will As First Contact draws near the general population is kept unaware until the last moment The Gayan and Spargar forces progress their campaigns to gain control of Earth for Enlightenment and mutual benefit with the Gayans or annexed as a slave race to the Spargar Empire Professor Kitteridge and the UK based agencies attempt to manage the arrival of the Gayans despite pressure from the US President

and the European Union who want to own any new technologies from advanced alien races building to a climax demanded by the formal arrival of the Gayan ambassadors at a place and time of their own choosing I Glanced Out the Window and Saw the Edge of the World Catherine Halsall,2020-07-08 This book is about WAR not the causes and results not the planning and the campaigns not the artillery and the bombs It is about the heinous crimes committed by the combatants the horrifying experiences of civilians the devastation of cities and villages the killing and the dying the glory leading to revulsion and guilt and the assimilation of suffering that either ends in death or in the triumph of the soul It looks at the struggle of the church to remain faithful and the servants of the church who seek to bring sense and solace to the victims It discusses antisemitism racism and war itself from biblical perspectives It reveals the unjustifiable reasons for engaging in war and how this brings catastrophic results for all peoples the mental instability of the survivors and the loss and grief of those on the home front In war how can men and women carry out the actions that they do As Viktor Frankl writes After all man is that being who has invented the gas chambers of Auschwitz however he is also that being who has entered those gas chambers upright with the Lord s Prayer or the Shema Yisrael on his lips **Edge of Survival** Brandon Rowell,2024-10-24 In The Final Reckoning humanity stands at the brink of extinction facing an unstoppable force determined to wipe out every last trace of freedom With the remnants of a shattered fleet drifting through the cold void of space Commander Elena Rivera knows there is only one path left unity Against overwhelming odds factions that once fought each other must come together putting aside old rivalries for a chance to forge a future beyond the crushing grip of their enemy As alliances form and fragile bonds are tested Elena leads her crew in a desperate mission to disrupt the Council s stranglehold and ignite hope where there was once only despair With nail biting tension powerful sacrifices and the strength of the human spirit at its core The Final Reckoning is a thrilling space opera about resilience redemption and the fight for a future worth living **Dialogues at the Edge of American Psychological Discourse** Heather Macdonald,David Goodman,Brian Becker,2017-09-15 This book explores the discipline of psychology through in depth dialogues with scholars who have lived at the turbulent edges of mainstream psychology in the USA and who have challenged the most cherished theoretical frameworks It includes researchers whose work has been widely esteemed in recent decades but has ultimately not been taken up to reconstitute the theoretical direction of the field This volume chronicles perspectives from select scholars on the current states of their respective areas of the field their understanding of how their work has been metabolized and their concerns about the conceptual frames that currently set the theoretical boundaries of the discipline These authors demand a reinterpretation of thresholds to allow for a less monological emphasis in the adoption of particular frameworks and to demonstrate historical social economic and political consequences of their chosen frameworks The contents of the volume will assist theoreticians and clinicians in their understanding of how particular kinds of knowledge are determined accepted and produced in the field at large

*Contemporary Women's Writing* Maroula Joannou,2000 This wide ranging study provides a historically grounded account

of women's fiction in the 1960s and the 1970s relating changes in the social structure of Britain and the United States to the literary representations of women's experience      *At the Edge of Camelot* Donald W. Katzner, 2011 Donald Katzner tells the story of an academic department that underwent rapid wrenching changes from the late 1960s through the 1970s The story told covers the particulars of the background for these events relating to the University of Massachusetts the political activism of the period and the state of the economics profession      **On the Edge of Eternity** Ivano Dal Prete, 2022 On the Edge of Eternity overturns the paradigm of the eighteenth century discovery of geological time showing that the antiquity of our planet was a widespread and culturally acceptable notion in pre 1800 Europe In this ground breaking study Ivano Dal Prete brings to life a long forgotten world in which the biblical story of the creation and of the Flood was only one among many doctrines that could be freely taught and discussed University scholars and students artists like Leonardo da Vinci and the readers of easily accessible vernacular books envisaged painted and debated an ageless Earth scarred by innumerable deluges raised and submerged continents annihilated and resurgent humanities Rather than discover deep time the eighteenth century erased its rich and complex history replacing it with a simplistic account that suited its political agendas and still informs our culture On the Edge of Eternity invites the reader to revisit engrained beliefs on the relationship of science and religion the history of the Earth sciences and the cultural assumptions that have underpinned the modern controversy on young Earth creationism      *The Edge of Evolution* Michael J. Behe, 2008-06-17 Draws on new findings in genetics to pose an argument for intelligent design that refutes Darwinian beliefs about evolution while offering alternative analyses of such factors as disease random mutations and the human struggle for survival      **The City on the Edge of Forever** Harlan Ellison, 2014-04-01 The award winning original teleplay that produced the most beloved episode of the classic Star Trek series with an introductory essay by the author USS Enterprise Starfleet officers Capt James T Kirk and Mr Spock escort a renegade criminal to a nearby planet for capital punishment and they discover the remains of a city This ancient civilization is inhabited by the alien Guardians of Forever who are tasked with protecting a time machine When the criminal escapes through the portal into the past he alters Earth's timeline damaging humanity's future role among the stars Pursuing their prisoner Kirk and Spock are transported to 1930s Depression era New York City where they meet pacifist Edith Koestler a woman whose fate is entwined with the aftermath of the most devastating war in human history A woman whom Kirk has grown to love and has to sacrifice to restore order to the universe In its original form The City on the Edge of Forever won the Writers Guild of America Award for best teleplay As aired it won the Hugo Award But as Harlan Ellison recounts in his expanded introductory essay Perils of the City the televised episode was a rewrite of his creative vision perpetrated by Star Trek creator Gene Roddenberry and the show's producers In his trademark visceral no holds barred style the legendary author broke a thirty year silence to set the record straight about the mythologized controversy surrounding the celebrated episode revealing what occurred behind the scenes during the production Presented here as Ellison originally

intended it to be filmed this published teleplay of *The City on the Edge of Forever* remains a masterpiece of speculative fiction and a prime example of his uncanny ability to present humanity with all its virtues and faults

**A Nurse on the Edge of the Desert** Andrew Cameron, 2017-08-01 International humanitarian aid nurse and New Zealander Andrew Cameron is the winner of the coveted Florence Nightingale Medal In this gripping book he recounts his remarkable life nursing in some of the world's most dangerous and challenging locations including South Sudan Yemen Sierra Leone and Afghanistan He also details his nursing career in some of Australia's most remote settlements where anything can be waiting at the end of a long and dusty outback road a major road accident a suicide a broken arm a stabbing With mordant humour wisdom and insight he recounts the challenges excitements and huge rewards of a nursing life

**Beyond the Edge of the Map** A. L. Tait, 2017-03-28 Quinn Freeman may have won the race around the world but when a new enemy appears he must travel beyond the edge of the map once more Quinn is back He finished his race around the world and is living a quiet life on the family farm until he discovers that the King's enemies want to capture him Quinn is forced to go on the run taking to the high seas once more Can he survive when he is double crossed and left for dead BEYOND THE EDGE OF THE MAP is another thrilling adventure from A L Tait in the bestselling Mapmaker Chronicles Not since Emily Rodda's DELTORA QUEST series has there been such an exciting adventure tale from an Australian author Echoes of Robinson Crusoe make this feel like a classic with a new twist and it's perfect for readers aged 8 to 12 who are looking for some escapism in the sea of contemporary stories Readings on THE MAPMAKER CHRONICLES 1 RACE TO THE END OF THE WORLD [themapmakerchronicles.com](http://themapmakerchronicles.com)

**On the Edge of the Panel** Julio Cañero, Esther Claudio, 2015-09-04 To create a comic is not to illustrate words but to create narrative diagrams and transform strokes into imaging words The infinite array of possibilities that the merging of text and pictures provides is a garden of forking paths that critics have just started to explore This is an art that operates as the crossroads of various disciplines but whose specifications require a thorough understanding of its unique mechanisms The explosion of experimental works and the incorporation of previously marginal or nonexistent genres and themes in comics have enriched an already fruitful art in ways that continue to surprise both readers and critics This collection of essays offers a space of reflection on the cultural social historical and ideological dimensions of comics With this in the background the book focuses on three main areas the origins and definitions of comics the formal tools of the medium and authors and their works The historical and formal approach to comics as shown here is still essential and the debate about the origins and definition is still present but two thirds of this collection formulate other treatments that scholars had not started to tackle until recently Does this mean that the study of comics has finally reached the necessary confidence to abandon the artistic legitimization of the medium Or are they just new self defense mechanisms through alliances with other fields of academic interest This book will add to the debate on comics as did the international conference that led to it It provides a channel of communication with an art a two headed medium that like the god Janus operates as a hinge as a

meeting point as a bridge between pictorial and literary expression      Edge of Infinity Larry Don Garcia, 2016-01-22 A century after nations of earth united to end radical Islam global society is finally at peace Fossil fuels have become obsolete ending the disparity between rich and poor in oil rich nations Both Eastern and Western faiths have lost their appeal with the masses and only a few carry on the traditional rituals of religion Life is good for Jefferson Alvarez who prefers the name Stone A Geologist by trade he could never imagine where his path in life will lead Meanwhile Samantha Williams and Argo Trillian will prove to be key players in reestablishing the lost faith and beginning the worlds journey to enlightenment In the year 2115 events are set in motion that lead to the truth about humanity and answer questions we have long pondered How can we propel matter at light speed Could the sighting of ghostly apparitions mean that a parallel dimension exists Could this dimension be key in making travel in the solar system and beyond practical Is time travel commonplace among advanced civilizations Does a god exist and if so was Jesus of another kingdom as he claimed Are we alone in the universe This science fiction novel explores a future in which truths are revealed that will change the course of humanitys destiny forever
