**Character Studies in the Gospel of Matthew** Matthew Ryan Hauge, Craig Evan Anderson, 2024-02-08 This volume examines a multitude of characters in Matthew's gospel and provides an in depth look at the different approaches currently employed by scholars working with literary and reader oriented methods Beginning with an introduction on the properties of character and the several aspects involved in the creation of person the contributors provide a close reading of numerous characters and character types in the Gospel of Matthew Including Mary King Herod John the Baptist Jesus the Preacher Jesus the Teacher God the Father the Roman Centurion Peter Women Gentiles Scribes and Pharisees and Romans Such close studies aid the understanding of different issues in Matthean characterization while also charting the development of hermeneutical vistas that have developed in contemporary scholarship resulting in a collection of exegetical character studies that are self consciously working from a literary narrative critical reader oriented or related methodology

**Jeremiah 26-52** Carolyn Sharp, 2021-11-22 This commentary illumines Jer 26 52 through historical literary feminist and postcolonial analysis Ideologies of subjugation and resistance are entangled in the Jeremiah traditions The reader is guided through narratives of extreme violence portrayals of iconic allies and adversaries and complex gestures of scribal resilience Judah's cultural trauma is refracted through prose that mimics Neo Babylonian colonizing ideology dramatic scenes of survival and poetry alight with the desire for vengeance against enemies The commentary's historical and literary arguments are enriched by insights from archaeology feminist translation theory and queer studies

**Jesus Wept: The Significance of Jesus' Laments in the New Testament** Rebekah Eklund, 2015-02-26 Lament does not seem to be a pervasive feature of the New Testament particularly when viewed in relation to the Old Testament A careful investigation of the New Testament however reveals that it thoroughly incorporates the pattern of Old Testament lament into its proclamation of the gospel especially in the person of Jesus Christ as he both prays and embodies lament As an act that fundamentally calls upon God to be faithful to God's promises to Israel and to the church lament in the New Testament becomes a prayer of longing for God's kingdom which has been inaugurated in the ministry and resurrection of Jesus fully to come

**Characters from the Promised Land** James Arther Lewis, 2021-05-11 Characters from the Promised Land allows its reader to be present in the spirit to witness true stories and live adventures from heaven and on earth for example witness when God sent the Word from heaven to dwell on earth among men hear the words spoken by the angel of God to Mary who conceived Jesus be there when John the Baptist first leaped for joy in his mother's womb travel with the wise men go up to Jerusalem with Joseph Mary and Jesus to be taxed go fishing with Simon Peter and his brother follow Jesus witness the sick being healed the dead being raised the blind receiving their sights a woman being loosed from her iniquity sit in with the multitudes being taught by Jesus and witness his capture the scourging his hanging on the cross with the two men dying with him and rising again

**The Promise-Plan of God** Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of

authorship genre and context of the Bible's various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect

**The Riches of Divine Wisdom** David Gooding, The wisdom of God is revealed in both Old and New Testaments but it is impossible to appreciate that wisdom fully if the two are read in isolation Sometimes the New Testament quotes the Old as authoritative Sometimes it cancels things that the Old says At other times it indicates that the Old was a type that illustrates New Testament doctrine How are we to understand and apply its teaching Is the New Testament being arbitrary when it tells us how to understand the Old or do its careful interpretations show us how the Old was meant to be understood Could it be that the New Testament's many different ways of using some of its passages provide us with guidance for reading studying and applying the whole of the Old Testament Drawing upon many years of biblical research and teaching Professor Gooding addresses these issues by expounding key New Testament passages that use the Old Testament First he examines the importance of the general relationship of the two testaments He then considers five major thought categories of the New Testament's interpretation that encompass the many insights that it employs as tools for harvesting the wealth of the Old Finally he formulates guidelines for interpreting Old Testament narrative and illustrates them from three familiar passages Taken together these insights provide invaluable help for appreciating the richness of God's multifaceted wisdom which has come down to us as the revenue of all the ages

**Rachel's Cry** Kathleen D. Billman, Daniel L. Migliore, 2007-10-01 Modern theology needs the rediscovery of the category of consolation This book is rich of consolations because it takes the cry of lament seriously Jurgen Moltmann A timely accessible and valuable book The recovery of the biblical traditions of loss and hurt is intrinsically worth doing more worth doing in an increasingly disestablished society Walter Brueggemann Columbia

Testament Theology Thomas R. Schreiner, 2008-06-01 In this substantial volume Thomas Schreiner takes up the study of New Testament theology looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately Two themes in particular emerge The first concerns redemptive history and the kingdom of God The New Testament writers adopt the Old Testament vision of God's reign and affirm that it has come in Jesus Christ although final fulfillment is yet to come Second the ultimate goal of the kingdom is God's glory Schreiner goes on to relate these themes to the life of the believer and the community of faith Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament

**Jacob's Story as Christian Scripture** Philip H. Kern, 2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob's Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah Prophetic appropriation of Jacob's story presented here via a fresh investigation of OT passages from Jeremiah Obadiah Micah and others includes troubling elements of Jacob's character to indict the nation in the hope that God's people like the patriarch will stop being Jacob and become Israel
