Red Tail Captured, Red Tail Free Alexander Jefferson, 2017-06-15 Red Tail Captured Red Tail Free is a rare gift detailing the experience of Lt Col Alexander Jefferson who was one of 32 Tuskegee Airmen from the 332nd Fighter Group to be shot down defending a country that considered them to be second class citizens In this vividly detailed deeply personal story Jefferson writes as a genuine American hero about what it meant to be an African American pilot in enemy hands fighting to protect the promise of freedom The book features the sketches drawings and other illustrations Jefferson created during his nine months as a POW and Lewis Carlson s authoritative background on the man his unit and the fight Alexander Jefferson fought so well This revised edition covers the story of Jefferson s continuing outreach and education work as he brings the story of the Tuskegee Airmen to communities and schools across the country and the presentation of the Congressional Gold Medal to the Airmen in 2007 Red Tail Captured Red Tail Free is perhaps the only account of the African American experience in a German prison camp *African-Americans in Defense of the Nation* James T. Controvich, 2011-03-28 The role of the African American in American history has been documented but sometimes ignored by historians This work is intended to assist researchers in locating the wealth of material that has been published African Americans in Defense of the Nation builds on a long list of early bibliographies concerning the subject This work brings together a broad spectrum of titles related to the African American participation in America s wars It covers both the military exploits as African Americans have been involved in every American conflict since the Revolution and their participation in the homefront support in building the weapons that the armed forces used Organized both chronologically and topically chapters cover the various conflicts from the Revolutionary War to the Post World War II era and branches of the military as well as the role of African American women in the United States military This extensive reference work is the most comprehensive listing of African American units available Additionally a listing of juvenile titles will assists parents and teachers in locating material *Black Politics After the Civil Rights Movement* David Covin, 2009-04-22 This important study posits a new way of understanding how ordinary Black people used the 30 years following the civil rights movement to forge a new political reality for themselves and their country While following national trends closely it focuses particularly on the political environment of Sacramento California from 1970 to 2000 Having a racial profile that is remarkably similar to the

nation's demographics as a whole Sacramento serves as a useful national proxy on the racial question Unlike most studies of Black politics over the era this text pays close attention to minor actors in the political process yet places them within the context of the larger political world We see for example the local effects of the War on Poverty the Harold Washington mayoral campaigns the Rainbow Coalition the Million Man March and the great increases in locally appointed and elected Black officials within the context of similar campaigns and movements nationwide
