*from the Maryland Terrapins* Dave Ungrady, 2014-10-14 In this reissue of *Tales from the Maryland Terrapins* fans can relive the most profound memories from more than 100 years of athletics at the University of Maryland in College Park. Authored by David Ungrady, a former two sport athlete at the school, the book includes a series of first person anecdotes that reflect the joys and challenges of his athletic career as well as the rich history of collegiate athletics at the school. While it was still the Maryland Agricultural College, the university staged its first intercollegiate athletic competition in 1888 playing baseball games against St. John's College and the Naval Academy. The first organized competition for football was in 1892. The athletic program began to flourish early in the 1900s. Men's basketball began shortly after the turn of the century in 1904 and men's lacrosse began in 1910. Women's sports such as basketball, rifle, and soccer started as intramural sports in the 1920s. The women's rifle team won several titles after it was first organized in 1922. By the 1940s the men's intercollegiate program boasted such national caliber programs as baseball, boxing, football, lacrosse, track and field, and soccer. Women's teams started competing in intercollegiate competition in 1960 and later blossomed during the last quarter of the 20th century. Now over 100 years after the athletic program's inception, Maryland has sent numerous players to professional sports organizations including the NFL, NBA, and MLB. If you're a fan of Maryland athletics, you'll find *Tales from the Maryland Terrapins* to be the perfect addition to your bookshelf. Samuel Walker, Randy Roberts, 2016-09-13 The NCAA men's basketball tournament is one of the iconic events in American sports. In this fast-paced, in-depth account, J. Samuel Walker and Randy Roberts identify the 1973-74 season as pivotal in the making of this now legendary postseason tournament. In an era when only one team per conference could compete, the dramatic defeat of coach John Wooden's UCLA Bruins by the North Carolina State Wolfpack ended a decade of the Bruins' dominance, fueled unprecedented national attention, and prompted the NCAA to expand the tournament field to a wider range of teams. Walker and Roberts provide a richly detailed chronicle of the games that made the season so memorable and uncover the behind-the-scenes maneuvering that set the stage for the celebrated spectacle that now fixes the nation's attention every March. **100 Things Maryland Fans Should Know & Do Before They Die** Don Markus, Gary Williams, 2016-11-01 *100 Things Maryland Fans Should Know & Do Before They Die* is the ultimate resources guide for true
