The Gospel of Mark Gabriel Nieto Zahino, 2023-09-01 Few works have gazed on the Marcan topic with as much a detail as this one The tradition on the origin and authorship of the second Gospel looms up from the shadows in southern central Anatolia closing the first third of the first century AD pointing out the relation of Mark one of the most consistent secondary figures of the New Testament and Peter the apostle In no more than fifty years tradition will stress the link of Mark's work with the imperial see Rome Nieto Zahino's monograph takes pains to submit all the available diagnostic material in the Marcan tradition from the first century to the early third century AD to unceasing examination presenting the reader with historical archaeological geographical grammatical and

codicological approximations while surveying afresh three of the chief candidates for the critical reconstruction of the second Gospel Rome Jewish Palestine and the especial blend between the former two that once existed Caesarea Maritima More than an autopsy over a dead document Nieto Zah no s analysis returns us to the living force of Scripture an odyssey through ancient Christianity that will not leave the heart of the most exigent scholars untouched **The Disciples according to**

Mark C. Clifton Black,2012-12-13 Redaction criticism attempts to identify biblical authors theological interests by examining their adaptation of sources Focusing on representative studies of Jesus disciples in the Gospel of Mark this pioneering book by C Clifton Black has become the standard evaluation of that method s exegetical reliability Comprehensively reviewing recent scholarship Black identifies three distinctive types of redaction criticism in Markan interpretation He demonstrates that diverse redaction critical interpretations of the disciples in Mark have bolstered rather than controlled scholarly presuppositions to a degree that impugns the method s reliability for interpreting Mark The book concludes by assessing redaction criticism s usefulness and offering a more balanced approach to Mark s interpretation This second edition includes a substantial detailed afterword that revisits the book s primary issues converses with its critics and provides an update of Markan scholarship over the past twenty five years *Allegiance, Opposition, and Misunderstanding* Deven K.

MacDonald,2018-03-07 The central aim of the Gospel of Mark is to introduce the reader to Jesus Christ the Son of God In this book MacDonald examines not just what the Gospel writer says but also how he says it When the Gospel of Mark is examined as a complete work and the motifs of allegiance opposition and misunderstand are traced through the narrative Mark is seen to be a rather sophisticated literary work The Gospel writer is not simply a compiler of tradition but one who shaped his narrative for specific rhetorical aims namely that his audience both ancient and modern would recognize Jesus as the Son of God and respond to him with allegiance Mark, a Pauline Theologian Mar Pérez I Diaz,2020-07-27 Is the wide range of

indications in the Gospel of Mark for the influence of Pauline theology the fruit of chance or rather of the will of the Evangelist to unify his work with the thought of the Apostle Paul In this study Mar P rez i D as argues that Mark rather than being a disciple of Peter who puts in writing what he remembers from his preaching is a theological disciple of Paul Mark as Composer David Barrett Peabody,1987 The Gospel Hoax Stephen C. Carlson,2005 Secret Mark first became known to modern scholarship in 1958 when a newly hired assistant professor at Columbia University in New York by the name of Morton Smith visited the monastery of Mar Saba near Jerusalem and photographed its fragments Secret Mark was announced on the heels of many spectacular discoveries of ancient manuscripts in the Near East such as the Dead Sea Scrolls and the Nag Hammadi gnostic corpus in the late 1940s and promised to be just as revolutionary Secret Mark presents what appears to be a valuable albeit fragmentary witness to early Christian traditions traditions that might shed light on Jesus s most intimate behavior In this book Stephen C Carlson uses state of the art science to demonstrate that Secret Mark was an elaborate hoax created by Morton Smith Carlson s discussion places Smith s trick alongside many other hoaxes

before probing the reasons why so many scholars have been taken in by it **Mark** Edwin Keith Broadhead, Edwin K. Broadhead, 2009 In this commentary Broadhead explores the Gospel of Mark for literary designs which might guide modern readers He gives special attention to structure strategy significance and the appropriation of meaning and his analysis shows the Gospel as a sequential account which employs a strategy of reciprocity among its episodes Clear signs are created within this Gospel the meaning of which is negotiated by the first readers in the aftermath of the Temple's fall Modern readers are encouraged to connect these signs to their own world and to initiate a new performance of this Gospel *Ancient Gospel or Modern Forgery?* Tony Burke, 2013-01-07 In 1958 American historian of religion Morton Smith made an astounding discovery in the Mar Saba monastery in Jerusalem Copied into the back of a seventeenth century book was a lost letter attributed to Clement of Alexandria ca 150-215 CE that contained excerpts from a longer version of the Gospel of Mark written by Mark himself and circulating in Alexandria Egypt More than fifty years after its discovery the origins of this Secret Gospel of Mark remain contentious Some consider it an authentic witness to an early form of Mark perhaps even predating canonical Mark Some claim it is a medieval or premodern forgery created by a monastic scribe And others argue it is a forgery created by Morton Smith himself All these positions are addressed in the papers contained in this volume Nine North American scholars internationally recognized for their contributions to the study of Secret Mark met at York University in Toronto Canada in April 2011 to examine recent developments in scholarship on the gospel and the letter in which it is found Their results represent a substantial step forward in determining the origins of this mysterious and controversial text List of Contributors Scott G Brown Tony Burke Stephen C Carlson Bruce Chilton Craig A Evans Paul Foster Charles W Hedrick Peter Jeffery Allan J Pantuck Marvin Meyer Hershel Shanks Studies in the New Testament, Volume 4: Midrash, the Composition of Gospels, and Discipline J.D.M. Derrett, 2023-10-09 **Goulder and the Gospels** Mark Goodacre, 1996-12-01 Goulder and the Gospels is the first comprehensive response to the radical challenge Michael Goulder has posed for New Testament scholarship Goulder dispenses with all hypothetical sources Q M and L and postulates highly creative evangelists who write in the light of the liturgy In this penetrating critique Goodacre provides a critical overview of Goulder's work focusing on several key areas the vocabulary of Q the language of the Minor Agreements the creativity of Luke and the lectionary theory He does not simply assess the plausibility of Goulder's ideas but also develops new ways to test them The theories are sometimes found to be wanting but at the same time Goulder is reaffirmed as one of the most important and stimulating Biblical scholars of this generation **Mark's Argumentative Jesus** Laurie Beaver, 2018-05-22 The author claims that the gospel of Mark is a speech or sermon To prove this he shows how Mark used many of the elements of Aristotle's rhetoric Literary critics noticed these rhetorical features in Mark but remained with a literary critical model of that gospel instead of a rhetorical view that the evidence called for They continued to translate the first word of Mark's *arche* as beginning to provide Mark's story of Jesus with a chronological beginning The author translates Mark's first word as guiding principle to provide Mark's persuasive

speech or sermon with a logical starting point **The Christ of the Miracle Stories** Wendy Cotter,2010-11 This special anniversary collection published on the occasion of AAM s centennial features cartoons from The New Yorker from 1930 to 2005 The selections enclosed depict the silent humors of the museum experience the funny ways in which we use museums as a space to interact and react *Paul's Gospel for the Thessalonians and Others* Seyoon Kim,2022-06-30 In this collection of essays Seyoon Kim analyses the structure and function of 1 Thess 1 3 which leads to a new reading of 1 Thessalonians He devotes several essays to a comprehensive exposition of Paul s gospel for the Thessalonians by fully unfolding several summaries of the gospel in the epistle by detecting and analysing various Son of Man sayings of Jesus that are alluded to or echoed in it and by a thorough discussion of the unity and continuity of Paul s gospel between this early epistle and his later epistles This exposition is augmented by a new observation of Paul s doctrine of justification in 2 Thess 1 2 and a new explanation of to kat ov and o kat wv 2 Thess 2 3 8 *The Crowds in the Gospel of Matthew* J.C.R. Cousland,2001-12-01 This volume identifies the crowds ochloi in the Gospel of Matthew and explains their character and function It argues that a proper appreciation of the crowds is essential to an understanding of salvation history in the gospel The book identifies the crowds as Jewish and establishes that both the positive and negative characterizations of the crowds correspond to portrayals of Israel drawn from the Hebrew Scriptures It concludes that the crowds are also meant to be figurative for the Jewish people of Matthew s own day New Testament scholars particularly specialists in Matthew and the Synoptic Gospels will find the volume useful and it will also appeal to those interested in early Jewish Christian relations and the parting of the ways between the two faiths
