## **Redeemed Eschatological Redemption And The Kingdom Of God:**

*Redeemed!* Boyd Hunt, 1993 God's aim in history and beyond is nothing less than to bring everything in subjection to Jesus Christ. In this study Hunt focuses on the part of God's work following the life, death, and resurrection of Christ. He begins the study with the coming of the Holy Spirit at Pentecost and moves from there to the consummation of history in Christ.

In *The Collected Writings of James Leo Garrett Jr. 1950-2015* the reader will find a truly dazzling collection of works that clearly evince the meticulous scholarship, the even-handed treatment, the biblical fidelity, the wide historical breadth, and the honest sincerity that have made the work and person of James Leo Garrett Jr. so esteemed and revered among so many. **Systematic Theology, Volume 2, Second Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century. *Baptist History and Heritage Journal*, July 1996. One of the characteristics of Garrett's system that needs especially to be noted is its balanced, judicious, and nearly invariably objective presentation of materials. While holding true to the teachings of his own Baptist faith, Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive. *Consensus*, 1997. If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology, there is no more

complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

**Faithful in the Meantime** Barry L. Callen, 2017-06-27 Barry Callen is a church theologian in the finest sense In this book he once again brings the commitments nurtured by Pietist Anabaptist and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology The result is a convincing reminder that Christian teachings about ultimate things eschatology are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful Randy L Maddox Professor of Wesleyan and Methodist Studies Duke University Divinity School In a day when fanciful end times speculations abound the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology Barry Callen is such a voice As he so forcefully declares rather than focusing on dates and times God calls us to be faithful in the meantime Stanley J Grenz Professor Emeritus of Theology Ethics Baptist Heritage Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God What we have in eschatology are not so much secrets about the future as images of God's final purposes which are meant to impact our every action and judgment Here we have thanks to Barry Callen a responsible informed interesting and up to date account of our blessed hope Clark H Pinnock Professor Emeritus of Theology McMaster Divinity College Barry L Callen is University Professor and Vice President of Academic Affairs Emeritus Anderson University Editor of Aldersgate Press author of Radical Christianity 1999 Approaching Theology 2015 Heart of the Matter 2016 and Bible Stories for Strong Stomachs 2017

**He Who Gives Life** Graham A. Cole, 2007-08-16 Often the most misunderstood and therefore ignored member of the Trinity the Holy Spirit deserves our attention and understanding God the Father and God the Son rightfully garner much explanation and exploration and God the Holy Spirit ought to be given the same studiousness curiosity and scholarship In this addition to Crossway's Foundations of Evangelical Theology series Dr

Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the saints Ideal for pastors teachers and students of theology this book is a superb theology of the Holy Spirit Part of the Foundations of Evangelical Theology series     **Transforming Presence** Daniel Henderson,2018-06-05

Does God sometimes feel far off Do you have a hard time motivating yourself to get into the Word Are you trying to conquer old sins but feeling defeated If so you re not alone But the secret to spiritual thriving isn t about trying harder You need supernatural help That s why God sent a Helper The church faces problems today because it misunderstands the Holy Spirit We think of Him as a force rather than a person And we look for a manifestation of the Holy Spirit in an Old Testament way instead of the New Testament way God designed for us Through over twenty years of studying church renewal Daniel Henderson has discovered 10 practices that lead to individuals and entire churches having a right relationship with the Holy Spirit and experiencing the kind of inside out renewal that can only come from God Stop relying on your natural effort that can only lead to natural results seek supernatural change Find out how the Holy Spirit can transform you and your church today     Engaging with the Holy Spirit Graham A. Cole,2008-04-02

Despite the growth of the charismatic movement and Pentecostal churches people still have questions and even troubling concerns about the person and work of the Holy Spirit These real questions are the burden of this book which seeks to sequentially address from throughout Scripture six crucial questions that affect a person s relationship to the Spirit What is blasphemy against the Holy Spirit How does a person resist him Ought we to pray to the Spirit How do we quench the Spirit How do we grieve the Spirit and How does he fill us Each chapter is devoted to one question and challenges readers about their relationship with the Spirit and about Christian living in general Readers are also given key elements for thinking theologically and implications for their belief and behavior It s a brief reader friendly book full of solid reassuring answers     *Truth Aflame* Larry D. Hart,2010-02-23

Larry Hart s *Truth Aflame* brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of *Christianity Today* As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective *Truth Aflame* seeks to meet that need While academically sound *Truth Aflame* is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This *Truth* then liberating enlivening and transforming *Truth* becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin

Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology

H. Henry, 2019-11-27 A systematic theology from the pillars of evangelicalism Basics of the Faith is an overview of essential Christian doctrines from some of the best minds of mid twentieth century evangelicalism around the globe Originally appearing in the pages of Christianity Today during 1961 1962 this collection includes essays from influential theologians and biblical scholars including Philip E Hughes on inspiration Anthony A Hoekema on the divine attributes John Murray on sanctification Cornelius Van Til on original sin F F Bruce on the person of

Christ G E Ladd on the saving acts of God Leon Morris on the atonement and J I Packer on the nature of the church This edition includes an introduction by Kevin J Vanhoozer that lays out their original context and evaluates their ongoing significance Approachable yet scholarly Basics of the Faith is both a relevant systematic theology and a celebration of evangelical heritage     **Ezekiel** LaMar Eugene Cooper,1994-04-05 THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand and expound the Scriptures Notable features include commentary based on THE NEW INTERNATIONAL VERSION the NIV text printed in the body of the commentary sound scholarly methodology that reflects capable research in the original languages interpretation that emphasizes the theological unity of each book and of Scripture as a whole readable and applicable exposition     The Presence of the Future George Eldon Ladd,1996-07-29 After surveying the debate of eschatology Ladd discusses the promise of the kingdom the fulfillment of the promise and the consummation of the promise Throughout the book he develops his thesis that the kingdom of God involves two great movements fulfillment within history and consummation at the end of history     **Elenchus of Biblica** Robert North,1997 *Redeeming Judgment* Dale Patrick,2012-06-08 This book arose from the author s sense of urgency The Protestant church that we know and love has grown silent about the judgment of God It seems that our church is bent upon living up to H Richard Niebuhr s caricature of liberal Protestantism A God without wrath brought men without sin into a kingdom without judgment through the ministrations of a Christ without a cross The book is meant to remedy this silence regarding God s judgment It demonstrates the pervasiveness of the judgment of God in both Old and New Testaments Not only do we find the act of judgment in every era but judgment is a necessary stage in God s saving work Moreover the illuminating power of the concept is confirmed by common human experience     Interpreting the Prophetic Word Willem A. VanGemen,2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one s interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God s purposes in redemptive history Dr Willem VanGemen explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemen s extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to live the prophetic word     *The Gospel* Douglas W. Kennard,2017-10-26 This book is about stating gospel especially in the Bible After surveying historical statements of gospel within their respective soteriology biblical contexts are explored that identify either 1 as gospel 2 promise forgiveness 3 promise everlasting life 4 promise kingdom or 5 promise resurrection with Christ These five statements indicate the outcomes that are normally associated with the gospel across Christendom This framework provides legitimate biblical gospel statements within exclusive salvation in Christ This volume

presents and appropriates biblical gospel patterns as a new reformation for fullness of salvation in Christ and His earthly kingdom This variety of biblical gospel statements provoke 1 unity around Jesus Christ and God s gracious salvation 2 toleration concerning rival statements of Christian gospel and 3 jettisoning unsupported traditional frameworks For example ticket Christianity with little or no life change except past faith and an experience prepare Jesus Christ to say to a major section of the church Depart from Me I never knew you Better to hear the eschatological Christ say Come blessed of My Father inherit the kingdom prepared for you from the foundation of the world because to the extent that you did to these brothers of Mine even the least you did to Me

**Let Justice Flow Like Water** Joshua M. Greever, D. A. Horton, Justin McLendon, 2025-06-01 Edited by Joshua M Greever D A Horton and Justin McLendon Let Justice Flow Like Water addresses the strained relationship between social justice the gospel and the mission of the church In response to the misuse of Scripture to promote personal ends the volume reorients the conversation around justice and centers it in the biblical text and its theological implications The authors provide practical wisdom and points of application to pastors ministry leaders and students The authors examine the most frequently cited texts on biblical justice through a coherent biblical and systematic theological method The result is a glimpse into God s heart for justice and his desire for humanity especially the church to share this heart The volume s theology is supplemented by practical guidance to pastors so that they can lead their churches to embrace the gospel and social justice properly understood Let Justice Flow Like Water serves as an irenic reminder to pastors students and educated lay people to return to the biblical text to understand it more accurately and to reengage and understand one another in a winsome fashion for the sake of the gospel the mission of the church and the glory of God
