Binoj Mathew, O.S.S.T.,2021-07-21 Concept of Redemption in the Selected Works of Nathaniel Hawthorne and Graham Greene A Comparative Perspective in the Light of the Catholic Theme of Redemption as Elucidated by John deMatha and the Trinitarians is an English Literature book that analyzes the selected works of Nathaniel Hawthorne and Graham Greene The intended objective is to demonstrate how the Catholic theme of redemption influence these authors the primary source for which is the Holy Bible A critical and interpretative framework for the thematic analysis of literary texts focused on the idea of redemption has been created based on the above findings Applying the framework on these authors suggests that life is a journey from egoism to glorification which is also a journey to self emptying It is a gradual transformation of the human self to the divine self The book s conclusion consolidates the findings of the analysis and makes a comparative evaluation of the contrasting readings of the novels of Nathaniel Hawthorne and Graham Greene It also gives new levels of fiction readings with the theme of redemption The framework structure created in chapter IV to analyze the various nuances of redemption in English Literature will serve as a tool to explore further works **Imagining Redemption** David H.
