*The Dynamics of Interconnections in Popular Culture(s)* Ray B. Browne,Ben Urish,2014-03-26 The Dynamics of Interconnections in Popular Culture s is an eclectic and free ranging collection of articles grounded in a combination of the social sciences with the populist humanities The collection is further unified by an approach that considers changes and linkages within and between cultural systems as evidenced through their respective popular cultures The key underlying assumption is that our collective popular expressions create an arena of global cultural exchange further precipitating new cultural adaptations expressions and connections The

volume is divided into two sections The first consists of articles investigating theoretical and methodological approaches to the dynamics of history and cultural changes These include cultural anthropology history economics and sociology The second section is made up of explorations into a myriad of cultural practices and expressions that exemplify not only the wide diversity of popular cultures and their workings but also the interconnections between and within those cultural systems A wide variety of specific case studies are presented to evidence and support the more general points made in the previous section The collection demonstrates that the everyday lives of ordinary people while varying from culture to culture are unified through their expressions of shared humanity Foreword by Gary Hoppenstand

**Private History in Public** Tammy S. Gordon, 2010-01-16 In small community museums truck stops restaurants bars barbershops schools and churches people create displays to tell the histories that matter to them Much of this history is personal family history community history history of a trade or the history of something considered less than genteel It is often history based on the historical record but also based on feelings beliefs and memory It is neglected history Private History in Public is about those history exhibits that complicate the public private dichotomy exhibits that serve to explain communities families and individuals to outsiders and tie insiders together through a shared narrative of historical experience Tammy S Gordon looks beyond the large professionalized museum exhibits that have dominated scholarship in museum studies and public history and offers a new way of understanding the broad spectrum of exhibition types in the United States
