Reducing Poverty In Asia Emerging Issues In Growth Targeting And Measurement:

Reducing Poverty in Asia Christopher M. Edmonds, Asian Development Bank, 2003-01-01 In this book a group of distinguished authors addresses three broad questions what broad strategies and macroeconomic policies best support poverty reduction efforts in Asia what role should targeted antipoverty interventions play and how should such interventions be designed and how is poverty measured what new approaches are needed and how does measurement affect our understanding of poverty Each of these three broad themes is also considered together in chapters examining the poverty situations in a number of countries in Asia and the Pacific

Diagnosing the Philippine Economy Dante B. Canlas, Muhammad Ehsan Khan, Juzhong Zhuang, 2011 Based in Manila ADB is owned by 67 members including 48 from the region Its main instruments for helping its developing member countries are policy dialogue loans equity investments guarantees grants and technical assistance Book Jacket

The World Bank Research Program, 2005-2007, 2008 This pocket sized reference on key environmental data for over 200 countries includes key indicators on agriculture forestry biodiversity energy emission and pollution and water and sanitation The volume helps establish a sound base of information to help set priorities and measure progress toward environmental sustainability goals

Reforms and Economic Transformation in India Jagdish Bhagwati, Arvind Panagariya, 2013 Reforms and Economic Transformation in India is the second volume in the series Studies in Indian Economic Policies In this book nine original essays pursue three interrelated themes Why the movement of workers out of agriculture into industry and services and from informal to formal employments has been slow explaining the impact the reforms have had on profitability and competition among enterprises and analyzing the impact on the socially disadvantaged in terms of wage and education outcomes and entrepreneurship

Finance, Development, and the IMF James M. Boughton, Domenico Lombardi, 2009-06-25 This book seeks to provide objective analysis of the role and effectiveness of multilaterals in general and the IMF and World Bank in particular The IMF is a multilateral financial institution with a mandate to promote financial and macroeconomic stability cooperative economic policies and a balanced growth of international trade More than two fifths of its 185 members are low income countries and many others have substantial pockets of poverty in their populations Since economic development and the reduction of poverty are the most important economic challenges that these countries face how can the IMF best help them How can the imperative of macroeconomic and financial stability be reconciled with the requirements for sustained economic growth This volume brings together the research of leading economists political scientists and historians to suggest ways for the IMF to address these issues effectively

Connecting and Distancing Ho Khai Leong, 2003-08-01 Connecting and distancing have been two prominent themes permeating the writings on the historical and contemporary developments of the relationship between Southeast Asia and China As neighbours the nation states in Southeast Asia and the giant political entity in the north communicated with each other through a variety of diplomatic overtures political agitations and cultural nuances In the last

two decades with the rise of China as an economic powerhouse in the region Southeast Asia's need to connect with China has become more urgent and necessary as it attempts to reap the benefit from the successful economic modernization in China At the same time however there were feelings of ambivalence hesitation and even suspicions on the part of the Southeast Asian states vis a vis the rise of a political power which is so less understood or misunderstood The contributors of this volume are authors of various disciplinary backgrounds history political science economics and sociology They provide a spectrum of perspectives by which the readers can view Sino Southeast Asia relations

Disaster Relief in the Asia Pacific Minako Sakai, Edwin Jurriëns, Jian Zhang, Alec Thornton, 2014-01-03 A UN report recently found that the Asia Pacific is the world's most disaster prone region Indeed considering that the region accounts for more than half of the total number of disasters in the world building capacity and resilience to mitigate the devastating impact of disasters is a pressing task for local actors This book takes a regional multidisciplinary and multi actor approach to improve understandings of how various actors respond to natural and human induced disasters in the Asia Pacific region It examines the ideas and activities of four different categories of agents civil society military and state institutions local cultural knowledge and the media and economic initiatives and these themes are approached from various academic disciplines ranging from anthropology and cultural studies to economics human geography and political science The contributors draw their findings from a variety of countries in the region including China Fiji India Indonesia Japan Myanmar and Samoa and importantly focus on the interconnection between vulnerability and resilience In turn the book highlights how the nature and magnitude of disasters are influenced by social conditions and aims to contribute to policies that prioritize development opportunities to enhance resilience Further it explores the complicated and multifaceted role of agency in building resilience and presents a comparative framework for analysis and key findings from the Asia Pacific region The focus of this book on recent and ongoing disasters makes it a topical and timely contribution to the growing field of disaster management and as such it will appeal to students and scholars of environmental studies development studies and Asian politics

Poverty in Asia, 2004
Practices of Poverty Measurement and Poverty Profile of Nepal Devendra Chhetry, 2009-03 Reviews the poverty measuring practices available measures of poverty and economic growth figures of Nepal The poverty rates for FY 1976-77 1984-85 and 1995-96 are found to be not comparable due to change in methodology over time The three poverty rates average 40% Nepal has experienced high economic growth during the 7th 1985-86 to 1989-90 and 8th 1992-93 to 1996-97 Plan periods with no strong evidences of poverty reduction This incompatible result is partially explained by comparing growth of the agricultural sector with the role of the sector in providing employment and income generation at the household level and by comparing social indicators particularly literacy rate with the growth of the nonagricultural sector Tables

Key Indicators Asian Development Bank, 2004 **Key Indicators**, 2004 *Defining an Agenda for Poverty Reduction* Christopher M. Edmonds, Sara Medina, Isabel Ortiz, 2002 Covers a multitude of facets of poverty reduction strategies for

Practices of Poverty Measurement and Poverty Profile of Bangladesh Faizuddin Ahmed,2004 **Chronic Poverty In Asia: Causes, Consequences And Policies** John Malcolm Dowling,Chin-fang Yap,2009-10-14 Asia contains the bulk of the world s poor as many as 500 million people A significant fraction of these poor are chronically poor which means that they and their families have been poor for years and will remain in poverty unless governmental policies are adopted which can lift them out of poverty This book focuses on rural poverty and those countries in Asia with the largest number of chronically poor including the two emerging superpowers of China and India other countries of South Asia and the Mekong region as well as Indonesia and Philippines in Southeast Asia Systematic analysis of who is poor where they live and why they are poor is carried out Microeconomic sector and macroeconomic policies which have been adopted to address this important social issue are also discussed Through specific country analysis the book outlines additional concrete measures that can be taken to reduce chronic poverty and improve the welfare of these people *Globalization, Labor Markets and Inequality in India* Dipak Mazumdar,Sandip Sarkar,2008 India started on a program of reforms both in its external and internal aspects sometime in the mid eighties and going on into the nineties While the increased exposure to world markets globalization and relaxation of domestic controls has undoubtedly given a spurt to the GDP growth rate its impact on poverty inequality and employment have been controversial This book examines in detail these aspects of post reform India and discerns the changes and trends which these new developments have created Providing an original analysis of unit level data available from the quinquennial National Sample Surveys the Annual Surveys of Industries and other basic data sources the authors analyse and compare the results with other pieces of work in the literature As well as describing the overall situation for India the book highlights regional differences and looks at the major industrial sectors such as agriculture manufacturing and tertiary services The important topic of labor market institutions both for the formal or organized and the unorganized sectors is considered and the possible adverse effect on employment growth of the regulatory labor framework is examined carefully Since any reform of this framework must go hand in hand with better state intervention in the informal sector to have any chance of acceptance politically some of the major initiatives in this area are critically explored Overall this book

will be of great interest to development economists labour economists and specialists in South Asian Studies *Pro-poor Growth* Hyun H. Son, 2007

Sustainable Economic Development Arsenio Balisacan, Ujjayant Chakravorty, Majah-Leah Ravago, 2014-09-20 Sustainable Economic Development Resources Environment and Institutions presents 25 articles that lay the foundations of sustainable development in a way that facilitates effective policy design The editors mix broad thematic papers with focused micro papers balancing theories with policy designs The book begins with two sections on sustainable development principles and practice and on specific settings where sustainable development is practiced Two more sections illuminate institutions governance and political economy Additional sections cover sustainable development and agriculture and risk and economic security including disaster management This rich source of information should appeal to any institution involved in development work and to development practitioners grappling with an array of difficult on the ground developmental challenges Analyzes policies that move markets and resource use patterns towards achieving sustainability Articles are kaleidoscopic in scope and creativity Authors embody extraordinary diversity and qualifications

Labor Market Distortions, Rural-Urban Inequality, and the Opening of the People's Republic of China Economy Thomas Hertel, 2008-05 Evaluates the impact of some key factor market reforms on rural urban inequality income distribution using a household disaggregated recursive dynamic computable general equilibrium model of the People's Republic of China It also explores how these factor market reforms interact with product market reforms currently under way as part of the country's World Trade Org WTO accession process The simulation results show that reforms in the rural land rental market hukou system as well as increasing off farm labor mobility would reduce the urban rural income ratio dramatically Furthermore the combination of WTO accession factor market reforms improves both efficiency equality significantly Charts tables graphs
