Reel Society Interactive Movie Cd Rom Version 1:

Reel Society Interactive Movie CD-ROM Version 2.0 WILL Interactive, 2005-01-05 This unique interactive movie on two CD ROMs demonstrates the sociological imagination using actors and scenarios involving campus life Taking on the role of one of the characters each viewer takes part in key plot turns by making choices for the character Through it all a wide variety of issues and perspectives are addressed reinforcing major sociological concepts and theories relating them to students lives and sparking debate One college town many kinds of people imagine yourself as a student at Pineville University What social forces affect the choices you make in life Reel Society is the interactive movie that gives you the chance to find out Society isn't just one person's story So take a different perspective Think differently Live your life as someone different Should you stay home and hit the books Or spend the evening relaxing with friends What's more important your education or your family You decide Experience how cultural differences stratification political systems norms religion and the media affect your life Spark your sociological imagination Learn differently Reel Society 2.0 is the learning tool for bridging the classroom and real life In addition to the interactive movie explanatory text and a glossary this enhanced two CD set includes quizzes and discussion questions to test your knowledge of sociology Plus there are links to the McGraw Hill sociology websites A perfect complement to any introductory sociology textbook Reel Society 2.0 is available in discounted packages with selected McGraw Hill texts

Michigan Sociological Review, 2005 **Sociology** Richard T. Schaefer, 2004 Three basic premises guide this highly successful introductory text first that theory and research must be both comprehensive and clear second that the text must show how sociology is relevant both to the study of society and to students lives and third that sociology can play a valuable role in teaching critical thinking skills To that end this solid well respected text combines a balanced three perspective approach with excellent student oriented examples and distinctive social policy sections in a concise presentation that offers an alternative to full length books

Sociology Matters Richard T. Schaefer, 2007-02-23 Richard Schaefer's *Sociology Matters* is a very concise introduction to the discipline of sociology Its straightforward style streamlined design and highly focused coverage make it the perfect short affordable introductory text for instructors who use a variety of materials in their course *Sociology Matters* helps students understand and connect to the topics it covers by answering the question How does sociology matter After more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in London and even a maximum security prison I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer
