David C. Unger

Reelecting Bill Clinton Why America Chose A New Democrat:

Reelecting Bill Clinton John Hohenberg,1997-12-01 Journalist Hohenberg looks at the political factors leading to the first reelection of a Democrat to the US presidency since Roosevelt Among them are the shutdown of the government Colin Powell Bob Dole s campaign the Perot campaign Russia welfare reform the Whitewater scandal disaster relief anti tobacco legislation and Newt Gingrich Annotation copyrighted by Book News Inc Portland OR **The Press and the Modern**

Presidency Louis W. Liebovich,2001-06-30 Scandal and sex sell even in the serious business of presidential news coverage The media deference shown to Kennedy and the scrutiny applied to Clinton illustrate the changed relation between the two and bookend this pertinent updated 1998 Choice Outstanding Academic Book award winner Liebovich tackles misconceptions about the media s role in politics how chief executives cooperate with and manipulate the press as it suits their needs and how ratings pressures have bent coverage of elections and the Executive Branch for the worse Well written thorough and the only book to explore the changing relation between the press and the presidency in the later twentieth century students and researchers alike will profit from reading this work written by one of America s leading scholars in the field For students interested in communications history or contemporary American politics it is an unparalleled administration by administration introduction to the complex and intertwined workings of two of the most powerful and influential forces at work in American politics today It furthermore provides researchers with a solid historical explanation of how both presidential politics and political news coverage have come to be popularly reviled and discounted The Clinton Years Shirley Anne Warshaw,2014-05-14 Comprehensive and easy to navigate The Clinton Years gives readers a full perspective of Bill Clinton s presidency from his successful economic policies to his relations with Monica Lewinsky This comprehensive A to Z reference contains more than 250 biographical entries examining the main politicians and foreign leaders during the administration and includes a number of primary source documents such as presidential speeches and executive decisions

Campaigning for President in America, 1788-2016 Scott John Hammond,Robert North Roberts,Valerie A. Sulfaro,2016-04-25 What does it take to get elected president of the United States leader of the free world This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century The race for the presidency encapsulates the broader changes in American democratic culture This book provides insight into the major issues and events surrounding American presidential elections across more than two centuries from the earliest years of the Republic through the campaigns of the 21st century Readers will be able to see and understand how presidential campaigns have evolved over time and how and why the current state of campaigning for president came into being *Bill Clinton* Nigel Hamilton,2007-07-10 A decade and a half after President William Jefferson Clinton first took the oath of office biographer Nigel Hamilton tells the riveting story of what was possibly the greatest self reinvention of a president in office in

modern times The Clinton presidency began disastrously kicking off with the worst transition in living memory and deteriorating through a series of fiascos from gays in the military to Hillary Clinton's failed health care reform How Bill Clinton faced up to his failures and refashioned himself in the White House thereafter is an epic hitherto unwritten story a story that climaxes with the trouncing of Bob Dole in the landslide presidential election in 1996 Clinton began his second term as the undisputed and tremendously popular leader of the Western world In vivid prose Hamilton charts Clinton's dramatic reversal of fortune and his ultimate triumph over himself and his foes Bill Clinton Mastering the Presidency is a riveting narrative of American politics an incisive character portrait and powerful reminder of what a great president can accomplish *The Politics of Authenticity in Presidential Campaigns, 1976-2008* Erica J. Seifert, 2014-01-10 Authenticity the dominant cultural value of the baby boom generation became central to presidential campaigns in the late 20th century Beginning in 1976 Americans elected six presidents whose campaigns represented evolving standards of authenticity Interacting with the media and their publics these successful presidential candidates structured their campaigns around projecting authentic images and connecting with voters as one of us In the process they rewrote the political playbook redefined presidentiality and changed the terms of the national political discourse This book is predicated on the assumption that it is worth knowing why *The Race for the White House from Reagan to Clinton* A. Bennett, 2013-02-06 The Race for the White House from Reagan to Clinton provides a foundation for how the presidential nomination process and the presidential election process have changed over the past three decades by addressing a number of important questions about the nomination and electoral processes *The Catholic Voter in American Politics* William B. Prendergast, 1999 Once a keystone of the Democratic Party American Catholics are today helping to put Republicans in office This book traces changes in party allegiance and voting behavior of Catholics in national elections over the course of 150 years and explains why much of the voting bloc that supported John F Kennedy has deserted the Democratic coalition William B Prendergast analyzes the relationship between Catholics and the GOP from the 1840s to 1990s He documents a developing attachment of Catholics to Republican candidates beginning early in this century and shows that before Kennedy Catholics helped elect Eisenhower returned to the polls in support of Nixon and Reagan and voted for a Republican Congress in 1994 To account for this shifting allegiance Prendergast analyzes transformations in the Catholic population the parties and the political environment He attributes these changes to the Americanization of immigrants the socioeconomic and educational advancement of Catholics and the emergence of new issues He also cites the growth of ecumenicism the influence of Vatican II the abatement of Catholic Protestant hostility and the decline of anti Catholicism in the Republican party Clearly demonstrating a Catholic move toward political independence Prendergast's work reveals both the realignment of voters and the influence of religious beliefs in the political arena Provocative and informative it confirms the opinion of pollsters that no candidate can take the vote of the largest and most diverse religious group in the nation for granted *Searching for a Demon* Steven M.

Chermak,2002 This provocative volume thoroughly examines the ways in which the media demonized militia groups following the devastating bombing of the Alfred F Murrah building in Oklahoma City Using quantitative and qualitative research methods Steven M Chermak offers a fresh perspective on how news coverage and popular entertainment transformed a largely overlooked movement into a symbol for this new threat of domestic terrorism and ignited a national panic over the militia menace Searching for a Demon describes the representation of the militia movement in the news media editorial cartoons films and television Chermak delves into such topics as the type and amount of coverage after the blast how social problems are constructed in the news the motivations and biases of authoritative or celebrity figures used as news sources and why images of militias were framed in specific ways Chermak balances his account with an in depth look at the philosophies activities and strategies of militia groups Drawing on extensive interviews he conducted at gun shows and preparedness exhibitions the author compares and contrasts media depictions of militia life and ideology with the firsthand accounts of members and leaders themselves and he assesses how media coverage affected changes in the movement In conclusion Chermak discusses the parallels between media treatment of militias in the wake of the Oklahoma City bombing and the coverage of the al Qaeda terrorist network after the September 11 2001 attacks Solidly grounded in social constructionist theory Searching for a Demon fills a significant gap in the literature on terrorism as well as on the roles of the news media and popular culture in reshaping the public consciousness after dramatic crimes

Presidential Campaigns, Slogans, Issues, and Platforms Robert North Roberts, Scott John Hammond, Valerie A. Sulfaro, 2012-06-12 The book provides a comprehensive discussion of the major issues and events surrounding all American presidential elections from the earliest years of the Republic through the campaign of 2008 Presidential Campaigns Slogans Issues and Platforms The Complete Encyclopedia is an easy to use reference work designed to encourage students and anyone interested in democratic politics to undertake a greater understanding of this complex aspect of American political life The three volume work covers each presidential campaign in depth examining a large number of related issues ranging from the use of social media in modern presidential campaigns to negative campaign ads and key slogans used in every presidential campaign Volume One contains entries offering specific and focused information on issues trends factors slogans strategies and other more detailed elements of presidential campaigning from the first stirrings of the American democratic process to the first decade of the 21st century Volumes Two and Three provide chronological accounts of every presidential campaign since the ratification of the Constitution through the campaign of 2008 with Volume Two covering the campaign of 1788 89 to the campaign of 1908 and Volume Three covering the campaign of 1912 to the campaign of 2008

The 1990s Richard Alan Schwartz, 2006 Traces the history of the United States during the 1990s through such primary sources as memoirs letters contemporary journalism and official documents

The Pursuit of Fairness Terry H. Anderson, 2004-06-07 Affirmative action strikes at the heart of deeply held beliefs about employment and education about fairness and about the troubled history of race relations

in America Published on the 50th anniversary of Brown v Board of Education this is the only book available that gives readers a balanced non polemical and lucid account of this highly contentious issue Beginning with the roots of affirmative action Anderson describes African American demands for employment in the defense industry spearheaded by A Philip Randolph s threatened March on Washington in July 1941 and the desegregation of the armed forces after World War II He investigates President Kennedy s historic 1961 executive order that introduced the term affirmative action during the early years of the civil rights movement and he examines President Johnson s attempts to gain equal opportunities for African Americans He describes President Nixon s expansion of affirmative action with the Philadelphia Plan which the Supreme Court upheld along with President Carter s introduction of set asides for minority businesses and the Bakke ruling which allowed the use of race as one factor in college admissions By the early 1980s many citizens were becoming alarmed by affirmative action and that feeling was exemplified by the Reagan administration s backlash which resulted in the demise and revision of affirmative action during the Clinton years He concludes with a look at the University of Michigan cases of 2003 the current status of the policy and its impact Throughout the author weighs each side of every issue often finding merit in both arguments resulting in an eminently fair account of one of America s most heated debates A colorful history that brings to life the politicians legal minds and ordinary people who have fought for or against affirmative action The Pursuit of Fairness helps clear the air and calm the emotions as it illuminates a difficult and critically important issue **Presidential**

Campaigns Paul F. Boller Jr.,2004-07-22 Were presidential campaigns always as bitter as they have been in recent years Or is the current style of campaigning a new political development In this revised and updated edition of Presidential Campaigns the answers to these questions are clear the race for the presidency although at times mean and nasty has always been an endlessly entertaining and highly charged spectacle for the American public This book unveils the whole history of American presidential elections from the seamless ascent of General George Washington to the bitterly contested election of George W Bush bringing these boisterous contests to life in all their richness and complexity In the old days Boller shows campaigns were much rowdier than they are today Back in the nineteenth century the invective at election time was exuberant and the mudslinging unrestrained a candidate might be called everything from a carbuncle faced old drunkard to a howling atheist But there was plenty of fun and games too with songs and slogans speeches and parades all livening up the scene in order to get people to the polls Presidential Campaigns takes note of the serious side of elections even as it documents the frenzy frolic and the sleaze Each chapter contains a brief essay describing an election and presenting campaign highlights that bring to life the quadrennial confrontation in all its shame and glory With a postscript analyzing the major changes in the ways Americans have chosen their Presidents from Washington s time to the present Presidential Campaigns gives the reader a full picture of this somewhat flawed procedure For all of its shortcomings though this great American shindig is an essential part of the American democratic system and for better or for worse tells us much about ourselves Don't Stop

Thinking About the Music Benjamin S. Schoening, Eric T. Kasper, 2011-12-16 In this insightful erudite history of presidential campaign music musicologist Benjamin Schoening and political scientist Eric Kasper explain how politicians use music in American presidential campaigns to convey a range of political messages From Follow Washington to I Like Ike to I Got a Crush on Obama they describe the ways that song use by and for presidential candidates has evolved including the addition of lyrics to familiar songs the current trend of using existing popular music to connect with voters and the rapid change of music's relationship to presidential campaigns due to Internet sites like YouTube JibJab and Facebook Readers are ultimately treated to an entertaining account of American political development through popular music and the complex two way relationship between music and presidential campaigns

Running Alone James MacGregor Burns, 2009-06-16 A disastrous war in Iraq prisoner abuse secret wiretaps the presidency of George W Bush represents a crisis in American democracy How did this happen In *Running Alone* the revered political scientist and commentator James MacGregor Burns sets the imperial presidency of George W Bush in the context of half a century of presidential politics In his 1960 campaign John F Kennedy turned his back on the Democratic Party He relied instead on his personal charisma and his family's vast wealth to win office Once elected he governed much as he had run alone He ignored the Democratic platform and instead sought counsel from a small group of hand picked advisors including his own brother Kennedy fundamentally reshaped the role of President and each of his successors has built on this model American presidents have become increasingly isolated from the parties that brought them to power Democratic presidents Johnson Carter and Clinton did tremendous damage to the Democratic Party by abandoning its core principles Republican presidents have managed to lead more effectively in isolation but have imperiled the nation in the process Drawing on his own personal letters interviews and recollections of America's presidents Burns charts the decline of genuine leadership in the Oval Office and offers a stirring vision of what the presidency can and should be America deserves better leaders and with unsurpassed knowledge of American history and politics Burns shows us the way forward

Dead Center Georgia Jones Sorenson, James Macgregor Burns, 1999-11-26 The urgent question of our time is whether we can make change our friend and not our enemy To renew America we must be bold must revitalize our democracy Together with our friends and allies we will work to shape change lest it engulf us With those inaugural words William Jefferson Clinton began his first term as President of the United States Now a Pulitzer Prize winning historian and a former White House aide provide the first penetrating thoughtful evaluation of President Clinton's leadership Before he was voted into office Bill Clinton told the authors in an interview that he wanted to be a transforming leader a president who would fashion real and lasting change in people's lives in the tradition of Franklin Delano Roosevelt But how has this president who has sought to lead from the center with his vice president Al Gore and the First Lady Hillary Rodham Clinton measured up against his own stated goals and the aspirations and performances of other presidents since World War II From the health care debacle and the 1994 midterm elections that swept the Republicans to a majority in both houses of Congress

to the effect of scandal and impeachment on his ability to govern Dead Center examines the leadership style of Bill Clinton and offers a forceful challenge to the strategy of centrism There is no more respected presidential historian than James MacGregor Burns author of several acclaimed books on leadership and the Pulitzer Prize winning study of Franklin D Roosevelt Georgia J Sorenson adds her own insights as a political scientist and presidential scholar Their combined efforts have resulted in an incisive informative authoritative work and an absorbing read *The American Presidency* ,2017-01-01 The American Presidency updated for 2017 provides a rich journey through U S history Meet the occupants of the nation s highest office from George Washington to Donald Trump Each presidential summary includes a detailed biography the president s signature his vice president s a profile of the first lady and a timeline Coverage of the recent 2016 presidential election and information describing the Cabinet the White House election results the presidential flag and the presidential seal history are also included **The Emergency State** David C. Unger,2012-02-16 Editor s Choice NEW YORK TIMES BOOK REVIEW Ambitious and valuable WASHINGTON POST America is trapped in a state of war that has consumed our national life since before Pearl Harbor Over seven decades and several bloody wars Democratic and Republican politicians alike have assembled an increasingly complicated and increasingly ineffective network of security services Trillions of tax dollars have been diverted from essential domestic needs while the Pentagon created a worldwide web of military bases inventing new American security interests where none previously existed Yet this pursuit has not only damaged our democratic institutions and undermined our economic strength it has fundamentally failed to make us safer In The Emergency State senior New York Times journalist David C Unger reveals the hidden costs of America s obsessive pursuit of absolute national security showing how this narrow minded emphasis on security came to distort our political life Unger reminds us that in the first 150 years of the American republic the U S valued limited military intervention abroad along with the checks and balances put in place by the founding fathers Yet American history took a sharp turn during and just after World War II when we began building a vast and cumbersome complex of national security institutions and beliefs Originally designed to wage hot war against Germany and cold war against the Soviet Union our security bureaucracy has become remarkably ineffective at confronting the elusive non state sponsored threats we now face The Emergency State traces a series of missed opportunities from the end of World War II to the election of Barack Obama when we could have paused to rethink our defense strategy and didn t We have ultimately failed to dismantle our outdated national security state because both parties are equally responsible for its expansion While countless books have exposed the damage wrought by George W Bush s war on terror Unger shows it was only the natural culmination of decades of bipartisan emergency state logic and argues that Obama along with many previous Democratic presidents has failed to shift course in any meaningful way The Emergency State America s Pursuit of Absolute Security At All Costs reveals the depth of folly into which we ve fallen as Americans eagerly trade away the country s greatest strengths for a fleeting illusion of safety Provocative insightful and

refreshingly nonpartisan The Emergency State is the definitive untold story of how America became this vulnerable and how it can build true security again Postwar America James Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history Postwar America An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes Reelection Hanes Walton (Jr.),Hanes Walton,2000 This is the first systematic and comprehensive analysis of Clinton as a native son presidential candidate employing local country state and national data to show how elections can be derived from values and beliefs

Reelecting Bill Clinton Why America Chose A New Democrat Introduction

In today's digital age, the availability of Reelecting Bill Clinton Why America Chose A New Democrat books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reelecting Bill Clinton Why America Chose A New Democrat books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reelecting Bill Clinton Why America Chose A New Democrat books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reelecting Bill Clinton Why America Chose A New Democrat versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reelecting Bill Clinton Why America Chose A New Democrat books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reelecting Bill Clinton Why America Chose A New Democrat books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reelecting Bill Clinton Why America Chose A New Democrat books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reelecting Bill Clinton Why America Chose A New Democrat books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reelecting Bill Clinton Why America Chose A New Democrat books and manuals for download and embark on your journey of knowledge?

FAQs About Reelecting Bill Clinton Why America Chose A New Democrat Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reelecting Bill Clinton Why America Chose A New Democrat is one of the best book in our library for free trial. We provide copy of Reelecting Bill Clinton Why America Chose A New Democrat in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reelecting Bill Clinton Why America Chose A New Democrat. Where to download Reelecting Bill Clinton Why America Chose A New Democrat online for free? Are you looking for Reelecting Bill Clinton Why America Chose A New Democrat PDF? This is definitely going to save you time and cash in something you should think about.
