03

LIFE AFTER REHAB

Challenges of Remaining Sober

Many of the challenges of remaining sober and returning to life after rehab stem from the triggers that led to drinking alcohol or drug use. These triggers can be anything, such as walking past the neighborhood bar on the way home from work or hanging out with old friends who use drugs. Triggers can be anywhere, from at work, at home, and everywhere in between.

REENTRY AFTER PRISON

Support to Prevent Recidivism

Reentering society after a prison sentence is one of the most challenging things to do and there are many theories as to why. Some believe that there isn't enough support offered to prisoners and to those just released, such as counseling, education, and help with substance abuse problems.

DID YOU KNOW?

Though the data is tough to track, the United States accounts for roughly 4.4% of the world's population and part of the Second Chance Act of 2008, the National Reentry Resource Center (NORC) funds reentry aid for ex-cons about 22% of the global prison population, as of 2014 and 2011 respectively.

Reentry into Life: Elements of Successful Programs

Reentering society after the military, agoraphobia, substance abuse, prison, or any other disorder or event can be a stressful and challenging time, both for the individual and their families and friends. However, there are ways that can help ease this transition, such as:
