Refinements of Love Sarah Booth Conroy, 1993 Although rooted in history *Refinements of Love* is a novel of mystery and elegance and powerful fascination Neither history nor Henry Adams ever revealed the truth about the strange death in 1885 of Adams's wife Clover in their home on Lafayette Square within walking distance of the White House In his classic autobiography *The Education of Henry Adams* this grandson and great grandson of presidents did not even mention his wife's name or discuss the years of their marriage Yet Clover Adams's death from poison was a notorious Washington scandal The Adamses were at the center of society in the nation's capital both politicians and literati coveted invitations to their famous salon Clover's sudden death shocked her contemporaries and continues to fascinate people more than a hundred years later In a sparkling and dramatic blend of fact and fiction Sarah Booth Conroy recreates the strange life and mysterious death of Clover Adams and comes up with an astonishing theory regarding its cause Secretary of State John Hay called Clover a bright intrepid spirit with a keen fine intellect And he praised her lofty scorn of all that was mean and her social charm that made the Adamses home such a one as Washington never knew before Henry James novelist and friend declared her a Voltaire in petticoats Was Clover's touch of genius as James called it in an age when women's independence was corseted by social custom responsible for her death In Conroy's enchanting novel of Washington during the Gilded Age the grand houses opulent balls and great art collections form a glittering veneer that masks a dark and sinister reality
