Reflecting Pond Meditations For Selfdiscovery:

The Reflecting Pond Liane Cordes,1981 The Reflecting Pond is a collection of meditations that takes one subject at a time and covers it in depth Whether we have a concern about self acceptance fear friendship or love there is a chapter full of understanding thoughts Used as an extra dose of support on specific issues this book will help us think through day to day living problems An excellent resource for those in aftercare programs **The Reflecting Pond** Liane Cordes,1988-06

Meditations on topics including self acceptance anger and fear depression and despair friendship and blame are designed to help individuals cope with the challenges of recovery from chemical emotional or substance addiction **Spirituality and Chemical Dependency** Robert J Kus,2014-01-02 Spirituality and Chemical Dependency shares current thinking on how spirituality is used in recovery from alcoholism and other forms of chemical dependency The 12 Step programs have been the most successful form of treatment thus far you will find the insight in this book to be revealing as to why Each of the contributors has devoted a significant part of his or her life to help those suffering from chemical addiction In each chapter the author gives ideas on specific aspects of spirituality in the 12 Step context and answers the ever important question So what to provide guidelines for healthy spirituality in the addicted person Managing Morning Sickness Miriam

Erick,2004-01-01 Based on the author s work with thousands of women this new edition presents an added decade s worth of information and experience that makes it the most up to date resource in the field of morning sickness Included are remedies nutritional guidelines and recipes **Reframed** Stuart Shanker,2025-07-08 Stuart Shanker s Reframed presents a comprehensive exploration of self regulation grounded in cutting edge neuroscience to help individuals thrive and society flourish Aimed at parents educators and all adults invested in individual well being this revised and expanded edition is presented in a reader friendly format with engaging vignettes that appeal to a wider audience Employing the same proven techniques from his earlier volumes Calm Alert and Learning and Self Reg Shanker delves into the science and principles behind the Shanker Self Reg method emphasizing that understanding our own brains is the key to understanding one another and rethinking black and white labels such as bad lazy and stupid He argues that everyone has the capacity to self regulate in ways that foster growth and that life trajectories can shift at any point with the right tools For Shanker the foundation of a just and free society begins with how we understand and nurture ourselves as well as our children In an era marked by social challenges Reframed not only illuminates the complexities of the modern world but also inspires hope for a better future This essential work equips readers with the knowledge and tools to help build a more compassionate society one mind at a time

The Purpose Effect Dan Pontefract,2018-06-08 Pontefract combines years of experience and research on employee engagement behavior and culture to create a work about the three crucial areas of purpose personal organizational and workplace role If all three can come to fruition if there is a positive interconnection between the three distinct definitions of purpose the benefits should be felt by employees teams the organization customers and perhaps most importantly society as

a whole We can refer to this balanced state as the sweet spot When one area is lacking or ignored the results range from disengagement apathy lack of growth and even bankruptcy The Purpose Effect is aimed at both leaders and employees who wish to achieve a purpose mindset on a personal level for the organization where they are employed and in their role at work too A business leader that is committed to purpose will create purpose for the organization An employee that feels his her personal sense of purpose is being fulfilled at work will be an invaluable asset to productivity and success An organization centered on purpose will benefit every stakeholder from employees to society in general This sweet spot of purpose creates a reciprocal relationship between all three areas and sits at the center of Pontefract s work

the mind and think with the heart In the West we get caught up in the monkey mind of our ego We think we can control our individual destinies by swimming upstream against the current but we are mistaken When we learn to quiet the monkey mind with meditation practices we are able to go beyond the linear thinking of the upper brain and connect to the multidimensional thinking of supreme consciousness in the heart center In *Living in the Tao* Master Mantak Chia and William Wei present techniques to help us learn to move beyond the limits of time and space to connect with the universal truth within without striving Living in the Tao is effortless Just as a small seed grows into a mighty tree with a little water and a little sunshine every day a few minutes of Taoist practice each day can transform your life into one of peace and joy

Forthcoming Books Rose Arny,1992 **12 Steps to a Lightness of Being** Sarah Goddard Neves,2013-10-25 This unique book has been designed as if you were taking a very special spiritual development course in the comfort of your own home Through its wisdom and guided meditations 12 Steps to a Lightness of Being will gradually but surely lift your vibration and awaken you Therefore to get the most out of it decide now not to rush it but to read it slowly Take as long as you need on each step before moving on to the next Commit to doing each meditation or visualization giving yourself some quiet undisturbed time to do this and recall your meditation experiences and insights afterward By doing so you will get the most out of reading this book **In the Light of Contradiction** Roberta Ann Quance,2017-07-05 In 1926 as a young man of 28 with a growing reputation as an oral poet Federico Garcia Lorca 1898 1936 toyed with the idea of proving his worth in writing by bringing out a boxed set of three volumes of his verse Because the Suites Canciones and the Poema del cante jondo eventually came out singly in the case of the Suites posthumously readers have not always realised that they formed a single body of work one which Lorca himself was surprised to note has una rarísima unidad an odd unity of aims and accomplishment This is poetry which takes up the question of desire in progressively depersonalizing ways and shows modernism coming into being Through renunciation by cutting away the personal and the taboo Lorca created a poetry that like no other in Europe stood between the avant garde and oral traditions making their contradictions his truth Roberta Ann Quance is Senior Lecturer in Spanish at Queen's University Belfast *Memoir Ethics* Mike W. Martin,2016-02-10 *Memoir Ethics* Good Lives and the Virtues is a philosophical study of moral themes in memoirs exploring how memoirists present and defend perspectives on good lives It pays particular attention to the interplay of the virtues including their interplay with additional non moral types of values in good lives More generally it explores the relevance of memoir to moral philosophy and in turn how moral philosophy enters into elucidating and critiquing memoirs Memoirs are understood as non fiction narratives written by oneself and significantly about oneself including full life autobiographies Mike W Martin explores perspectives on good lives as they are expressed in memoirs written by both philosophers and non philosophers Most of the chapters focus on one of the generic aspects of good lives moral goodness authenticity meaningfulness happiness health and self fulfillment The book clarifies how memoirists often employ life based arguments in defending value perspectives and it

includes a discussion of whether philosophers memoirs are distinctive compared to memoirs by non philosophers and also compared to other forums for doing philosophy Martin highlights some parallels between features of good lives and features of memoirs for example both can be said to be meaningful authentic and having virtues such as wisdom and courage Demonstrating how memoirs are rich resources in exploring the good lives and exploring ways in which philosophical ethics provide tools for interpreting memoirs Memoir Ethics will be of interest to a broad audience of students scholars and general readers including anyone interested in ethics or the connections between literature and philosophy
