

# **A Reflection Of The Heart Of God**

**To hold a life so tight in your arms  
A life so new, held by the heart of love,  
With searching eyes wondering at the knowledge of life  
So new, so small but knowing of secrets untold to our, hearts.**

**The light of life shines through such tiny hearts  
More light than we ever can see  
And as this life grows in our nurture and love  
Our eyes see, and our hearts catch an everlasting light from above.**

**No words can ever reflect the heart of life like a small child,  
who holds it inside  
The heart to bring such joy and peace and all the things untold  
So hold this heart of truth with gentle care, watched over by  
the hand of all creation.  
No bars, no bolts, nor hidden away but a love that's fitting for  
a small life that holds the  
the heart of God!**

## **Reflections From A Heart For God:**

Reflections from a Heart for God Rev Leon A. Smith, 2004-12-01 Many of the poems in this collection were originally printed in the Tioga Heights Messenger the monthly newsletter of the Tioga Heights Christian Church founded by Rev Smith in Philadelphia Pennsylvania He started the church in his early twenties holding services in people s homes Although struggles at times tempted him to give up his calling to create a House of Prayer God s almighty power and grace supplied the needed strength to carry on Upon its completion the church building became a beacon in its Kensington Philadelphia neighborhood Its beautiful flower gardens bloomed brightly amidst the brick and cement of the city streets welcoming those in search of the Way the Truth and the Life that is Jesus Christ      *Reflections from the Heart of God* Thomas

**Reflections on the Character of God** Ajowi Matete, 2011-08 God created within each of us something he delights in a precious beautiful reflective jewel that he values and adores an object for his desire In his children he sees the reflection of his own perfect character He loves us despite our perceived inadequacies He wants us to love him back to recognise him and to know him intimately so that we can distinguish his voice his leading his presence and his heart As we look to God we see a reflection of our selves we see our perfection in him Everything that God is we are in his image To know God we need personal revelations of his character Knowing God is the beginning to self discovery      *Daily Reflections on Divine Mercy* John Paul Thomas, 2016-03-17 Daily Reflections on Divine Mercy was written to provide an awakening to the abundant Mercy of God It offers daily reflections and prayers to help deepen the day to day faith life of every Catholic so that you can understand the abundance of Mercy poured forth from the Heart of our Savior as it is revealed in the writings of Saint Maria Faustina Kowalska Divine Mercy in My Soul Diary of Saint Maria Faustina Kowalska is soon to become a classic spiritual book that everyone is encouraged to read in their lifetime However many find this invitation intimidating not just because of the width of her book but because of the depth of its message on The Divine Mercy in each of Saint Faustina s notebook entries This book Daily Reflections on Divine Mercy was written with the hope of guiding you through Saint Faustina s Diary and her six notebooks of reflections It can be used on its own to help you pause and reflect on the beauty of Jesus messages to her or as a companion book as you simultaneously read Saint Faustina s Diary Daily Reflections on Divine Mercy offers

365 daily teachings reflections and prayers based upon the pages of Saint Faustina's Diary The structured way to use this daily reflection book is to do just that reflect upon one page each day However some may feel called to skip around a bit read a few reflections at a time or return to a particular reflection through which God spoke to you Therefore though this book was written with the intent of providing one reflection for each day of the year the best way to use it is any way you feel called and the way that benefits your relationship with God the most The first paragraph for each day offers this author's insights to the words and teachings of Saint Faustina The section of her Diary used for the day's teaching is marked so that the reader can also read her Diary first hand so as to see the primary source that the author of this book took inspiration from for that day's reflection Though the primary text of the Diary is never quoted nor are the reflections of this book exact representations of the Diary they do provide the foundational basis for the spiritual message shared in each reflection The second paragraph for each day offers a short reflection put more as a question to the reader It offers the same insight in a different format so as to enter more deeply into the message of the day Finally each daily reflection ends with a prayer focused upon the message and reflection for that day The reader is encouraged to pray this prayer several times Ideally it is prayed first thing in the morning again during the day and again at night as an examination on how well the daily message was received As you seek to survive the world we live in allow these pages to be a font of Mercy for you from God Allow God's Divine Mercy to penetrate your heart so that you will know the abundance of His love and be more prepared to share that love with others

**Reflections** Helen Brown,2015-07-06 My parents grew up in a time that most of us only read about in history books They saw history made many times Their generation created the advantages that we take for granted today Like us they too had to rely on the Lord Jesus for strength courage and pure grit to get through the dangers they faced each day They still managed to raise five healthy children all of whom are capable productive members of society There was a great variety of experiences throughout their lives and through these have been able to learn and grow as part of the Australian community These lessons have been passed on to not only their children but to the many people that they have come into contact with throughout their days in ministry farming and community service as well They unselfishly offered me this project I am pleased to be able to share some of their lessons with the whole wide world through this book As I presented each article I was made aware that there was an extra blessing that I could claim I have added these at the end of each contribution We their children have been very blessed to have had such wonderful parents as our role models in life My prayer is that this book may bring some insight

into what life was like in times past May it also help us all to be grateful for the determination that their generation had to give us the advantages we have today      **Relationships-Reflection of the Image of God** Crawford Clark,2016-07-25

There are many couples struggling in their relationships with each other Couples who are dating and who are married are settling for less than God s best There are several reasons why but perhaps there is a lack of understanding about the dynamics and expectations of their relationships God lets us know He has a plan for our lives as well as our relationships That plan for couples is to reflect His Image In order to be able to look like God we must be willing to look at what God intended for us and examine how we got into the predicament that many couples find themselves There is an enemy that constantly tries to keep you thinking that you are okay in your relationship with God and your life mate Can we honestly say that we are where we need to be in our relationship with God and with each other In this book you will find out from Genesis how God created us in His Image and how we are able to live His image every day in our lives He created us to be a reflection of His image and that image reveals itself in many ways Every couple can be that reflection even if you find your relationship or marriage in shambles This book offers you the answers and the steps to grow as a couple through Christ As a couple you can reflect the presence of Jesus and truly inspire others This can happen if you allow the word of God and the Holy Spirit to transform your relationship to be a powerful witness for Christ You can become a Reflection of His Image
