Reflections Of Rock River:

Reflections of Rock River Jonathan Barry,2004-11-01 Something horrifying had happened on Rock River that would haunt John Houlton throughout his life He became a mysterious man with undeniable strength In his late twenties torn between the life he wanted and the possessive thoughts of reality the battle between good and evil spirits would take over his dreams Dreams would become unspeakable nightmares On his own he was determined to win this battle Striped of his pride he will seek his revenge Developing two personalities he managed to mask this other side to those who know him It was only his wife who suspected but only through time would feel his pain You will be left with eerie feelings of manipulating facts
