 Phillip Michael Garner,2019-11-01 Reflections is a theological guide for today s Christians seeking a fuller appreciation of religious faith than is represented in populist religion The seven categories and their chapters are designed to provide the reader with an intensive study on neglected but imperative concepts for faith Subjects of vital importance to both theology and humanity are explored with a flowing continuity of understanding God and the world Reflections begins with the concept of revelation and its relation to monotheism and conviction The chapters that follow are titled Religion Is Christianity Is and Intelligent Spirituality these set the foundation for the rest of the book The sense of moderns is that they are immune to the primitive concept of idolatry Under the category of Perennial Idols Garner dismantles the idolatry that plagues humanity in every generation Reality and its creation is a category of theological thought that is essential for Christian development and sorrowfully neglected in church education The other categories are Sex and Romantic Love Popular Myths Being Human Being Poor and Forgiveness Garner s conviction is that the root of humanity s dysfunction is our failure to learn how to live together as male and female The Standard Christian Epidemic David Vilkhovoy,2013-02-12 Why does Christianity fail Many people mock Christianity as a hypocritical lifestyle and even Christians themselves have given over to what society says about them However Christianity does not work when it is lived by mere human ways because it is a lifestyle of aggressive faith This book highlights the truths of the Christian faith helping you understand why Christianity fails and how to make it work Its not a formula but simply a message Christians shouldnt look to anyone but Jesus Christ as their ultimate example Questions answered in this book If God is so real why dont I experience Him If God is perfect why is Christianity so controversial Is it possible to live a powerful influential life as a Christian The Standard Christian Epidemic explores in depth the theme of calling the church back to the standard of Jesus Christ instead of that of religion and reliance on self which has hindered the church for so long Graham Jones Reverend International Gospel Outreach There is no doubt that David has heard from God The standard is being raised and this is the call of God to break free from the Standard Christian Epidemic Mark Casto pastor Omega Center International David is pointing the way for the next generation the up and coming generation that so desperately needs to know truth and the hope that we have in Jesus Christ Gail Manizak CEO The Power and Presence Ministry The Publishers Weekly ,2004 *Idoleyes* Mandisa Hundley,2016-01-05 By candidly sharing her own joys heartaches triumphs and failures Mandisa shows women that they can be beautiful at any size and that healthy self esteem and personal beauty come only when they accept themselves as a unique and much loved woman of God s creation Mandisa also gives readers a very candid behind the scenes look at life as an American Idol contestant **Restored** Tom Hardiman,2023-06-16 Life can be full of devastating disappointments However God can use the ruins of even the darkest circumstances to brilliantly restore our lives for His glory In Restored Tom Hardiman shares how God did just that for him Recounting stories of betrayal and anxiety Tom explains how God restored his life and made it even better than before He

also described how you can trust God to be your source of restoration *Revelation* Phoenix,2022-12-20 Revelations is one of the most misunderstood part of the Bible Most people look at the hundreds of images and symbols within it and try to explain it by taking these images and symbols literally Also people read these images and symbols in sequence from first to last this is not correct These images and symbols re structured into 4 scenes Each scene is a time These times are the link to understanding the code of the Bible These four scenes are better understood as Genesis Moses and the Old Testament Jesus until today and What will be in the future This book takes a deeper look at the reality of life as the spirit of mankind evolves form one time to the next and as we evolve from the darkness of the past into a light and bright reality as people learn to forgive one another **The Abingdon African American Preaching Library** Kirk Byron Jones,2010-10-01 God s people need to hear a word from the Lord to know their God is with them and to transcend this world and be taken to the very feet of Jesus The preacher is charged with assisting in this mission While there may be different theological perspectives and different methods of sermon preparation and delivery one thing remains constant the need for quality preaching resources Drawing upon the rich and powerful tradition of the black church The Abingdon African American Preaching Library offers a wealth of thoughtful biblically grounded preaching aids including special days in the Black Church tradition To read the Introduction to the book click here **The Seven Gateways of Spiritual Experience** Jonathan H.
