Colin Wright The first volume provides a detailed analysis of Dooyeweerd s critique of theoretical thought Dooyeweerd analyzed the very basis of thought itself its presuppositions and then also the consequences of those presuppositions The entire range of historical philosophy is taken into account as are all the schools that manifested themselves up until the time of his writing The second volume provides an analysis of Dooyeweerd s positive philosophy based on explicit presuppositions those of Christianity Dooyeweerd analyzes reality in the light of the framework of laws of thought embedded in the mind and in extant reality The result is an audacious synthesis that provides a foundation for justified reason Marcel constructively criticizes both these areas of Dooyeweerd s achievement in the two volumes now presented They will occupy the top shelf of the works dedicated to the analysis and continuation of the great Dutchman s philosophical magnum opus *The Awe of The Two Natures and Miracles of Christ Jesus* Dr Ibim Alfred,2023-01-26 The miracles of Christ Jesus are recorded by all the Four Gospel writers which are treated in accordance with arrangement of each writer in their respective books A careful reading and scrupulous examination in Matthew Mark Luke and John shows that the three categories of the miracles mentioned above are mixed up or rather placed or scattered haphazardly Please note this does not in any way constitute to contextual criticism The main task of this book is to re cast or re set these three types of miracles which are unsystematically or indiscriminately placed in the Four Gospels and to meticulously put them in an organised or methodically order or format Under the guidance of the Holy Spirit this had been achieved in this book and this is one of the strongest and positive advantages and strength which makes this book unique and special This makes it possible to read these amazing wonders with ease and without tears **Wow! The Day Christ Died as Our Passover Jack W. Langford,2013-06 The subject of which day Christ died began to be hotly debated a few hundred years after His death In the council of AD 325 the leaders of the Roman Imperial Church thought it to be in the best interest of the Church to disassociate their ritual celebration of the death and resurrection of Christ which they now called Easter away from the annual Jewish Passover event They actually wanted to divert attention from the Jewishness of Jesus In doing so these fathers guided Christendom away from the biblical reality as expressed by Paul Christ our Passover was sacrificed for us 1 Corinthians 5 7 This error has been locked into the celebration for over 1 600 years not only by the Roman Catholics but also by most of Protestantism This is a fresh study which will have some surprises for most students of the subject due to the controversy surrounding the chronology It will re align the death of Jesus Christ squarely upon the biblical setting of the Passover theme as presented in the gospels Above all it will demonstrate

beyond any shadow of a doubt that the four gospels harmonize perfectly on the subject It also establishes that Christ died precisely on the eve of Passover when the lambs were being sacrificed in the Temple services This Bible study will Enrich our appreciation of the Divine arrangement in redemption Demonstrate the flawless consistency of the biblical record Correct Christendom s traditional day celebrating Christ s death Strengthen the Christian s new freedom in Christ
