Religion And The American Mind From The Great Awakening To The Revolution

Gerald R. McDermott

Religion And The American Mind From The Great Awakening To The Revolution:

Religion and the American Mind Alan Heimert, 1985 Religion and the American mind from the Great Awakening to the Revolution Alan E. Heimert, **Religion and the American Mind, from the Great Awakening to the Revolution** Alan Heimert, 2013 Creating the American Mind J. David Hoeveler, 2007-04-09 The nine colleges of colonial America confronted the major political currents of the seventeenth and eighteenth centuries while serving as the primary intellectual institutions for Puritanism and the transition to Enlightenment thought The colleges also confronted the most partisan and divisive cultural movement of the eighteenth century the Great Awakening Creating the American Mind is the first book to present a synthetic treatment of the colonial colleges tracing their role in the intellectual development of early Americans through the Revolution Distinguished historian J David Hoeveler focuses on Harvard William and Mary Yale the College of New Jersey Princeton King s College Columbia the College of Philadelphia University of Pennsylvania Queen s College Rutgers the College of Rhode Island Brown and Dartmouth Hoeveler pays special attention to the collegiate experience of prominent Americans including Jefferson Hamilton and Madison Written in clear and engaging prose Creating the American Mind will be of great value to historians and educators interested in rediscovering the institutions that first fostered American intellectual thought A Powerful Mind Adrienne M. Harrison, 2015-10-01 His formal schooling abruptly cut off at age eleven George Washington saw his boyhood dream of joining the British army evaporate and recognized that even his aspiration to rise in colonial Virginian agricultural society would be difficult Throughout his life he faced challenges for which he lacked the academic foundations shared by his more highly educated contemporaries Yet Washington s legacy is clearly not one of failure Breaking new ground in Washington scholarship and American revolutionary history Adrienne M Harrison investigates the first president s dedicated process of self directed learning through reading a facet of his character and leadership long neglected by historians and biographers In A Powerful Mind Harrison shows that Washington rose to meet these trials through a committed campaign of highly focused reading educating himself on exactly what he needed to do and how best to do it In contrast to other famous figures of the revolution Thomas Jefferson John Adams Benjamin Franklin Washington did not relish learning for its own sake viewing self education instead as a tool for shaping himself into the person he wanted to be His two highest profile and highest risk endeavors commander in chief of the Continental Army and president of the fledgling United States are a testament to the success of his strategy John Witherspoon's American Revolution Gideon Mailer, 2016-11-23 In 1768 John Witherspoon Presbyterian leader of the evangelical Popular party faction in the Scottish Kirk became the College of New Jersey s sixth president At Princeton he mentored constitutional architect James Madison as a New Jersey delegate to the Continental Congress he was the only clergyman to sign the Declaration of Independence Although Witherspoon is often thought to be the chief conduit of moral sense philosophy in America Mailer s comprehensive analysis of this founding father s writings demonstrates the resilience of his evangelical beliefs Witherspoon s

Presbyterian evangelicalism competed with combined with and even superseded the civic influence of Scottish Enlightenment thought in the British Atlantic world John Witherspoon's American Revolution examines the connection between patriot discourse and long standing debates already central to the 1707 Act of Union about the relationship among piety moral philosophy and political unionism In Witherspoon's mind Americans became different from other British subjects because more of them had been awakened to the sin they shared with all people Paradoxically acute consciousness of their moral depravity legitimized their move to independence by making it a concerted moral action urged by the Holy Spirit Mailer's exploration of Witherspoon's thought and influence suggests that for the founders in his circle civic virtue rested on personal religious awakening One Holy and Happy Society Gerald R. McDermott, 2010-11 Jonathan Edwards 1703-58 was arguably this country's greatest theologian and its finest philosopher before the nineteenth century His school of disciples the New Divinity exerted enormous influence on the religious and political cultures of late colonial and early republican America Hence any study of religion and politics in early America must take account of this theologian and his legacy Yet historians still regard Edwards's social theory as either nonexistent or underdeveloped Gerald McDermott demonstrates to the contrary that Edwards was very interested in the social and political affairs of his day and commented upon them at length in his unpublished sermons and private notebooks McDermott shows that Edwards thought deeply about New England's status under God America's role in the millennium the nature and usefulness of patriotism the duties of a good magistrate and what it means to be a good citizen In fact his sociopolitical theory was at least as fully developed as that of his better known contemporaries and more progressive in its attitude toward citizens rights Using unpublished manuscripts that have previously been largely ignored McDermott also convincingly challenges generations of scholarly opinion about Edwards The Edwards who emerges from this nook is both less provincial and more this worldly than the persona he is commonly given

The Oxford Handbook of the American Revolution Edward G. Gray, Jane Kamensky, 2015 The Oxford Handbook of the American Revolution introduces scholars students and generally interested readers to the formative event in American history In thirty three individual essays the Handbook provides readers with in depth analysis of the Revolution's many sides

Reading the Bible with the Founding Fathers Daniel L. Dreisbach, 2016-11-01 No book was more accessible or familiar to the American founders than the Bible and no book was more frequently alluded to or quoted from in the political discourse of the age How and for what purposes did the founding generation use the Bible How did the Bible influence their political culture Shedding new light on some of the most familiar rhetoric of the founding era Daniel Dreisbach analyzes the founders diverse use of scripture ranging from the literary to the theological He shows that they looked to the Bible for insights on human nature civic virtue political authority and the rights and duties of citizens as well as for political and legal models to emulate They quoted scripture to authorize civil resistance to invoke divine blessings for righteous nations and to provide the language of liberty that would be appropriated by patriotic Americans Reading the Bible with the Founding Fathers broaches

the perennial question of whether the American founding was to some extent informed by religious specifically Christian ideas In the sense that the founding generation were members of a biblically literate society that placed the Bible at the center of culture and discourse the answer to that question is clearly yes Ignoring the Bible s influence on the founders Dreisbach warns produces a distorted image of the American political experiment and of the concept of self government on which America is built

A People So Favored of God, Second Edition George W. Harper, 2007-12-01 This book is intended for all those with an interest in New England Puritanism American evangelicalism the history of revivalism or the history of pastoral ministry

Samuel Adams Ira Stoll, 2008-11-04 A biography of one of the most influential patriots during the Revolutionary War

Encyclopedia of U.S. Political History Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

Strangers and Pilgrims Catherine A. Brekus, 2000-11-09 Margaret Meuse Clay who barely escaped a public whipping in the 1760s for preaching

without a license Old Elizabeth an ex slave who courageously traveled to the South to preach against slavery in the early nineteenth century Harriet Livermore who spoke in front of Congress four times between 1827 and 1844 these are just a few of the extraordinary women profiled in this the first comprehensive history of female preaching in early America Drawing on a wide range of sources Catherine Brekus examines the lives of more than a hundred female preachers both white and African American who crisscrossed the country between 1740 and 1845 Outspoken visionary and sometimes contentious these women stepped into the pulpit long before twentieth century battles over female ordination began They were charismatic popular preachers who spoke to hundreds and even thousands of people at camp and revival meetings and yet with but a few notable exceptions such as Sojourner Truth these women have essentially vanished from our history Recovering their stories Brekus shows forces us to rethink many of our common assumptions about eighteenth and nineteenth century American culture Inventing a Christian America Steven K. Green, 2015-06-01 Among the most enduring themes in American history is the idea that the United States was founded as a Christian nation A pervasive narrative in everything from school textbooks to political commentary it is central to the way in which many Americans perceive the historical legacy of their nation Yet as Steven K Green shows in this illuminating new book it is little more than a myth In Inventing a Christian America Green a leading historian of religion and politics explores the historical record that is purported to support the popular belief in America's religious founding and status as a Christian nation He demonstrates that like all myths these claims are based on historical facts that have been colored by the interpretive narratives that have been imposed upon them In tracing the evolution of these claims and the evidence levied in support of them from the founding of the New England colonies through the American Revolution and to the present day he investigates how they became leading narratives in the country's collective identity Three critical moments in American history shaped and continue to drive the myth of a Christian America the Puritan founding of New England the American Revolution and the forging of a new nation and the early years of the nineteenth century when a second generation of Americans sought to redefine and reconcile the memory of the founding to match their religious and patriotic aspirations Seeking to shed light not only on the veracity of these ideas but on the reasons they endure Green ultimately shows that the notion of America's religious founding is a myth not merely in the colloquial sense but also in a deeper sense as a shared story that gives deeper meaning to our collective national identity Offering a fresh look at one of the most common and contested claims in American history Inventing a Christian America is an enlightening read for anyone interested in the story of and the debate over America's founding

Antirevivalism in Antebellum America James D. Bratt, 2005 One of the most enduring images from the early years of American history is that of a preacher on horseback slogging through mud and rain to bring folks in the backwoods the message of God and glory Such religious revivals not only became the defining mark of American religion but also played a central role in the nation's developing identity independence and democratic principles But revivalism has always generated

opposition too even in its century of glory In *Anti Revivalism in Antebellum America* James D Bratt offers extensive introductions to primary anti revivalist documents These works range from the Philadelphia Methodist John F Watson s protests against camp meetings in 1819 to Elizabeth Cady Stanton s *Eighty Years and More* written in 1898 in which she recalls her youthful encounter with revival preaching and her rebound into political activism and religious agnosticism Through the recovered voices of antebellum religious critics Bratt shows how American culture was already being reshaped a generation before the Civil War and how evangelical religion stood at the center of a culture war If revivals typified the era when Americans launched and defined their new nation then objections to these revivals embodied the growing discontent at what the nation had become An important and long overdue collection this book urges an understanding of anti revival literature both in the context of the era when it emerged as well as in terms of the broader dynamic of American life Includes selections from Orestes Brownson Horace Bushnell Calvin Colton Orville Dewey Albert Baldwin Dod George Elley Charles G Finney John Williamson Nevin Stephen Olin Phoebe Palmer Daniel Alexander Payne Ephraim Perkins Elizabeth Cady Stanton Joseph Smith Harriet Beecher Stowe La Roy Sunderland John Fanning Watson Ellen G White and Friedrich C D Wyneken

Encyclopedia of U.S. Political History Andrew Robertson, Michael A. Morrison, William G. Shade, Robert Johnston, Robert Zieger, Thomas Langston, Richard Valelly, 2010-04-01 Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and

events that led to revolution and the ideas underlying independence VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877 VOLUME 4 From the Gilded Age through the Age of Reform 1878 1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered Public Religions in the

Modern World José Casanova, 2011-08-29 In a sweeping reconsideration of the relation between religion and modernity Jose Casanova surveys the roles that religions may play in the public sphere of modern societies During the 1980s religious traditions around the world from Islamic fundamentalism to Catholic liberation theology began making their way often forcefully out of the private sphere and into public life causing the deprivatization of religion in contemporary life No longer content merely to administer pastoral care to individual souls religious institutions are challenging dominant political and social forces raising questions about the claims of entities such as nations and markets to be value neutral and straining the traditional connections of private and public morality Casanova looks at five cases from two religious traditions Catholicism and Protestantism in four countries Spain Poland Brazil and the United States These cases challenge postwar and indeed post Enlightenment assumptions about the role of modernity and secularization in religious movements throughout the world This book expands our understanding of the increasingly significant role religion plays in the ongoing construction of the modern world

The "true Professional Ideal" in America Bruce A. Kimball, 1996 Bruce A Kimball attacks the widely held assumption that the idea of American professionalism arose from the proliferation of urban professional positions during the late nineteenth century This first paperback edition of *The True Professional Ideal in America* argues that the professional ideal can be traced back to the colonial period This comprehensive intellectual history illuminates the profound relationships between the idea of a professional and broader changes in American social cultural and political history

The Rites of Assent Sacvan Bercovitch, 2014-01-14 *The Rites of Assent* examines the cultural strategies through which America served as a vehicle simultaneously for diversity and cohesion fusion and fragmentation Taking an ethnographic cross cultural approach *The Rites of Assent* traces the meanings and purposes of America back to the colonial typology of mission and specifically in chapters on Puritan rhetoric Cotton Mather Jonathan Edwards and the movement from Revival to Revolution to the legacy of early New England

A History of the Episcopal Church - Third Revised Edition Robert W. Prichard, 2014-10-01 This thorough carefully researched history sets church events against the background of social changes This third revised edition will be up to date through the events of the 2012 General Convention of the Episcopal Church

Religion And The American Mind From The Great Awakening To The Revolution Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Religion And The American Mind From The Great Awakening To The Revolution free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Religion And The American Mind From The Great Awakening To The Revolution free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Religion And The American Mind From The Great Awakening To The Revolution free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Religion And The American Mind From The Great Awakening To The Revolution. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Religion And The American Mind From The Great Awakening To The Revolution any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Religion And The American Mind From The Great Awakening To The Revolution Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion And The American Mind From The Great Awakening To The Revolution is one of the best book in our library for free trial. We provide copy of Religion And The American Mind From The Great Awakening To The Revolution in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion And The American Mind From The Great Awakening To The Revolution. Where to download Religion And The American Mind From The Great Awakening To The Revolution online for free? Are you looking for Religion And The American Mind From The Great Awakening To The Revolution PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you

receive whatever you purchase. An alternate way to get ideas is always to check another Religion And The American Mind From The Great Awakening To The Revolution. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Religion And The American Mind From The Great Awakening To The Revolution are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Religion And The American Mind From The Great Awakening To The Revolution. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Religion And The American Mind From The Great Awakening To The Revolution To get started finding Religion And The American Mind From The Great Awakening To The Revolution, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Religion And The American Mind From The Great Awakening To The Revolution So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Religion And The American Mind From The Great Awakening To The Revolution. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Religion And The American Mind From The Great Awakening To The Revolution, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Religion And The American Mind From The Great Awakening To The Revolution is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Religion And The American Mind From The Great Awakening To The Revolution is universally compatible with any devices to read.
