Written by leading experts, *Religions of South Asia* combines solid scholarship with clear and lively writing to provide students with an accessible and comprehensive introduction. All chapters are specially designed to aid cross-religious comparison following a standard format covering set topics and issues; the book reveals to students the core principles of each faith, compares it to neighbouring traditions and its particular place in South Asian history and society. It is a perfect resource for all students of South Asia's diverse and fascinating faiths.
