Middle Eastern Minorities and Diasporas Moshe Ma'oz, Gabriel Sheffer, 2002-01-01 The Arab countries have been projected as homogeneous and united social and political entities Yet beneath the surface ethnic tensions and conflicts simmer This book looks at the factors forces and circumstances that affect relations in the region and point towards strategies that promote or hinder coexistence and integration or antagonism Muslim Attitudes to Jews and Israel Moshe Ma'oz, 2011-11-02 Manifestations of hatred of Jews and Israel have risen over the last few decades in the Arab and Muslim world But is such hatred the result of Islamic anti-Semitism This title explains that while anti-Semitism is the credo of fanatic groups and regimes such an attitude is not representative of traditional and contemporary Islam *Survey of Arab-Israeli Relations 1947-2001* David Lea, 2003-09-02 Impartial documentation and background information fundamental to the understanding of Arab Israeli relations Key Features Covers in detail the years since the first Arab Israeli war and the statehood of Israel in 1947 48 to the most recent developments in relations between Israel the emerging Palestinian political entities and the Arab States A chronology provides an at a glance record of events from 1947 2001 A Documents on Palestine section gives essential background to the various ongoing areas of dispute Profiles of prominent political figures A bibliography section A series of maps illustrating the history of Arab Israeli conflict and recent peace initiatives and settlement issues Global Terrorism James M. Lutz, Brenda J. Lutz, 2004 This textbook is a comprehensive introduction to global terrorism intended to help students understand the history politics ideologies strategies of both contemporary older terrorist groups Religion and International Relations K.R. Dark, 2000-01-26 Discussions of religion in international relations have often focused narrowly on religious fundamentalism and on the potentially negative consequences of religious differences This book attempts to take a more balanced and much broader view of the subject bringing together new research based studies by specialists from international relations history and theology Case studies and thematic analyses examine both seldom discussed issues such as the political consequences of large scale religious change and review old themes in new ways Turkey in World Politics Barry M. Rubin, Kemal Kirişçi, 2001 Tracing the evolution of Turkey's foreign policy from isolationism to regional agreements and organizations this study explores the country's new international posture Rubin strategic studies Bar Ilan University and Kirisci political science Bogazici University assess Turkey's policy toward Europe Russia Central Asia and the United States as well as its growing role in the Middle East They address the issues central to Turkey's economic energy and water policy They also discuss the interest groups and institutions affecting the

policymaking process and the challenges facing the country's rapidly urbanizing and industrializing economy **Handbook of Global International Policy** Stuart Nagel, 2000-05-16 Written by nearly 25 authorities in the field the Handbook of Global International Policy focuses on public policy issues among and within nations on every continent comparing approaches and applications to real world problems Beginning with a thorough introduction to the subject the Handbook reviews former and emerging U S decision making foreign policies in the Democratic Republic of the Congo South Africa and Haiti rebel conflicts and restored relations among Eritrea the Sudan and Ethiopia Spanish enclaves in Northern Africa pre and post Cold War policies in East Asia including North and South Korea arms control and disarmament programs around the world ongoing risks in the Middle East nationalism and its effect in Slovenia and the Federal Republic of Yugoslavia peacekeeping efforts in Eastern Europe by Russia civil and military relations between North Rhine Westphalia and the European Union England's public relations effort regarding European unity integration and national conflicts of the Zapatista movement in Mexico Columbia's attempts to apply military control and civil laws to combat internal problems the findings of the Aircraft Nuclear Propulsion Project case and more With over 1000 key literature citations and illustrations the Handbook of Global International Policy serves as timely reading for public administrators and public policy experts political scientists economists sociologists attorneys and upper level undergraduate and graduate students in these disciplines **The Arab Spring, Democracy and Security** Efraim Inbar, 2013 This volume analyzes the political economic and strategic dimensions of the recent upheavals in the Middle East known as the Arab Spring Mass demonstrations in many Arab states challenged the political status quo and the existing political and cultural system in the region While it is too early to offer a definitive analysis of the impact of the widespread discontent in the Arab world the trajectory of the events indicates regime change in several states containment of political unrest in most states increase in Islamic tendencies centrifugal tendencies in a number of political units and deterioration of economic conditions This volume presents an initial assessment by a selected group of Israeli scholars of the implications of the Arab Spring The chapters focus on important issues such as democratization the role of economic factors in political change and explanations for variations in regime stability in the Middle East Taking an international relations perspective the book not only examines the evolving regional balance but also explores the link between external and internal politics and the implications of terrorism for regional security The chapters also address the implications of the Arab Spring for Israel and its chances of existing peacefully in the region This volume will be of much interest to students of Middle East politics international security foreign policy and international relations

Religion and Violence Jeffrey Ian Ross, 2015-03-04 First Published in 2015 Daily newspaper headlines talk radio and cable television broadcasts and Internet news web sites continuously highlight the relationship between religion and violence These media contain stories about such diverse incidents as suicide attacks by Islamic fundamentalists in Afghanistan Iraq Israel Pakistan and elsewhere and assassinations of doctors who perform abortions by white American Christian true
