competition between religious and secular forces influenced state religion policy between 1990 and 2008 While both sides were active the religious side had considerably more success The book examines how states supported religion as well as how they restricted it **Headline Series** James F. Larson,2004 *Resources in Education* ,1998 **Muslim Identities and Political Strategies** Heinrich Matthee,2008 **The Broken Crescent** Fereydoon Hoveyda,1998-06-25 Militant Islamic fundamentalists blame the ills of their societies on the West calling for the overthrow of local governments and the resumption of Jihad against the Infidels Ambassador Hoveyda explores the historical and contemporary causes of the current wave of militant Islamic fundamentalism If Western colonization and economic domination of the 19th and 20th centuries are

to be blamed for the predicament of Muslim countries Hoveyda asserts that Muslims also bear a great responsibility for their situation This book shows how the triumph of fundamentalist interpretations of the Koran in the 12th century triggered the gradual decline of Islamic civilization and chronicles the history of militant Islamic movements from the Assassins of the late 11th century to the reign of Ayatollah Khomeini It shows why despite their terrorist attacks in the West fundamentalists are even more dangerous for Muslim countries that are desperately trying to catch up with the global economy to alleviate their accumulated social and economic problems Hoveyda draws upon a lifetime of experience as well as scholarship and the experiences of others to provide an important insider outsider examination of a worldwide concern *Nationalism and the Haram al-Sharif/Temple Mount* Erik Freas, 2017-07-12 This book examines the manner in which the Haram al Sharif Temple Mount has been appropriated by both Palestinians and Israelis as a nationalist symbol legitimizing respective claims to the land From the late nineteenth century onward the site s significance became reconfigured within the context of modern nationalist discourses yet despite the originally secular nature of Palestinian and Israeli nationalisms the holy site s importance to Islam and Judaism respectively has gradually altered the character of both in a manner blurring the line between religious and national identities Bringing Religion Into International Relations J. Fox, S. Sandler, 2004-06-18 This book has several main themes and arguments International Relations has been westerncentric which has contributed to its ignoring religion while religion is not the main driving force behind IR international politics cannot be understood without taking religion into account the role of religion is related to the fact that IR has evolved to become more than just interstate relations and now included elements of domestic politics The book proceeds in three stages First it looks at why religion was ignored by IR theory and theorists Second it examines the multiple ways religion influences IR including through religious legitimacy and the many ways domestic religious issues can cross borders In this discussion a number of topics including but not limited to international intervention international organizations religious fundamentalism political Islam Samuel Huntington s clash of civilizations theory and terrorism are addressed Third these factors are examined empirically using both quantitative and case study methodology **Transnational Terrorism in the World System Perspective** A. L. Adamishin, 2002 Contents Terrorism and world system theory Terrorism the weapon of the organisationally weak Terrorism in the world system Hypotheses for core and periphery When security reigns supreme post modern world system via a vis globalised terrorism and organised crime Religion and terrorism in the world system Globalisation and terrorism Terrorism as the factor destabilising international community Is it possible to rescue our civilisation Reflections about terrorism old and new A History of Christian, Jewish, Hindu, Buddhist, and Muslim Perspectives on War and Peace: A century of wars Jerry William Frost, 2004 Frost Swarthmore College has written widely about peace and Quakers Here he compiles perspectives from the major world religions on war and peace for general readers who are not specialists in the history of religions the evolution of wars the relationship between the two but are interested in how faith communities in the past dealt with issues

similar to those in effect now In addition he says particular chapters could be used in undergraduate courses and seminars Volume two focuses on what it calls a century of wars from World War I into the post Cold War era The two volumes are paged together and the index and bibliography for both are contained in each Amazon
