Bernard Shaw, Paul Ricoeur, and the Jesusian Dialectics of Redemptive Living Howard Ira Einsohn, 2023-12-27 This book explores a heretofore unremarked linkage between Bernard Shaw the twentieth century French thinker Paul Ricoeur and Jesus of Nazareth The ties that bind them are a foundational interest in the social teachings of the Nazarene and their use of a shared dialectics with respect to living the kind of compassionate life that holds out the promise in our contemporary world of achieving something approximating universal wellness on a healthy planet at peace with itself This work argues that the three principal subjects of the study independently of one another used the same dialectical method to reach the same dialectically derived conclusion about how humans can live redemptively in a fractured world

Comparative Characterization in the Sermon on the Mount Arren Bennet Lawrence, 2017-03-24 The Sermon on the Mount contains many comparisons In

this book the functions of these comparisons are studied by the methodology called comparative characterization Characterization is the way a character is characterized in a narrative Comparative characterization is the characterization of a character using comparisons In comparative characterization another character is used as a foil to bring out a characteristic trait of a concerned character Jesus characterized the ideal disciple in the Sermon on the Mount with many descriptions and imperatives To characterize the ideal disciple Jesus used many comparisons and highlighted the characteristic features that embody the ideal disciple The many comparisons used in the Sermon on the Mount are identified in this study through comparative characterization In addition the teleological purpose of the comparisons which is to play as foil to the characterization of the ideal disciple is identified and highlighted Thus this study identifies Jesus characterization of the ideal disciple and his complex portrayal of the ideal disciple with the many uses of comparisons in the descriptions and imperatives of Jesus in the Sermon on the Mount

EXISTENCE WITH AND WITHOUT TIME: Discovering the True Nature of Humankind Michael J. Zino,2022-09-25 We have reached a point in human history where the continued survival of our species is in doubt Humanity has progressed scientifically and materially but our spiritual psychological and emotional development has lagged far behind technological advancements This has resulted in humankind finding itself in a perilous situation that can be characterized as an age of anxiety The solution to this condition is likely more obvious than the intellect is willing to admit In Existence With And Without Time I examine the question of whether the paradox that is human nature which encompasses the unity of opposites contains within itself the answer to our current plight What I conclude is that the remedy to our present predicament can be found in the collective unconscious of humanity It is by bringing into consciousness what the intellect either does not know or does not wish to know that we realize a fantastic future awaits us as individuals and as a society The freedom to determine what and who we are is pivotal for us to fulfill our potential and secure our destiny Political and religious freedom come to mind quickly when we think of being free but also integral for self realization are cognitive and

emotional freedom The prescience to achieve a thriving tomorrow will depend upon the humility to accept that our growth and development are dependent upon intelligence beyond solely that of the cognitive mind Existence With And Without Time explores how to bring the wisdom of intelligence that is not our own into knowable reality through the use of myth mindfulness and devotion to authenticity We can then experience the stillness and peace in the true nature of humankind which reveals the presence and love of Ultimate Reality as well as the rationale for existence **The Shaw Review** ,1975

Bernard Shaw, Playwright Bernard F. Dukore,2025-10-03 Bernards Shaw s plays have delighted and stimulated audiences since their first appearances Their author s satiric view of conventions institutions and behavior continues unflinching to amuse while it provokes doubts about the honesty of the social and political attitudes that underlie them Originally published in 1973 Dukore discusses the theory of drama that is the basis of Shaw s comedies which present his views of mores and follies That Shaw s theory was coherent and comprehensive Dukore shows in Part One of this book with supportive references to Shaw s critical works letters speeches and plays In Part Two using such familiar works as Candida Pygmalion and Back to Methuselah as well as less known plays like In Good King Charles s Golden Days to reinforce his points Dukore analyses the discussion play according to Shaw the watershed of the new drama Androcles and the Lion and Saint Joan along with other plays illustrate Shaw s use of the prologue or prologuelike first act to create the play s social and psychological foundations Man and Superman and The Apple Cart are among those which exemplify the play whose frame is both detachable from its centerpiece and also functionally integrated with it Dukore also considers at length Shaw s reworking of other men s plays Shakespeare s Cymbeline and Trebitsch s Frau Gittas S hne as well as his own Major Barbara These revisions bring into sharp focus Shaw s perception of human nature and his principles of dramaturgy Among others of Shaw s plays Dukore presents Too True To Be Good and Heartbreak House as examples of his protoexistentialism his apprehension of the absurd and the existential as forces in life Throughout Shaw s plays major and minor Dukore sees the influence of the playwright s socialism and supports this observation with precise examples from the works In sum Dukore proposes fresh perspectives from which to regard Shaw s works for the theatre works that were arrestingly relevant and immediate to the time New Readings Heidi J. Holder,MaryAnn K. Crawford,2006 Shaw publishes general articles on Shaw and his milieu reviews notes and the authoritative Continuing Checklist of Shaviana the bibliography of Shaw studies Every other issue is devoted to a special theme Information about joining the International Shaw Society ISS can be seen at www.shawsociety.org or by contacting R F Dietrich at dietrich@cas.usf.edu
