Pearson's Magazine ,1901 *Renewing Tradition* Mark W. Hamilton,Thomas H. Olbricht,Jeffrey Peterson,2006-11-10
We offer this collection as a token of our affection and admiration of our friend and colleague James Weldon Thompson His studies of the letter to the Hebrews and of Paul in their intellectual contexts especially Middle Platonism have contributed significantly to the ongoing quest for placing the New Testament in its socio intellectual setting Although his publications in this area date back more than thirty years his best work is occurring now and we may anticipate path breaking contributions ahead His more recent work on preaching and pastoral care in Paul both situate the Apostle in his own world and just as importantly offer correctives of some contemporary ministerial practices and invitations for improvements Since 1993 Thompson has served as the editor of *Restoration Quarterly* a significant venue for research in biblical studies church history especially of the Stone Campbell Restoration Movement and contemporary theology His more popular works make available to a lay audience thoughtful well informed and spiritually rewarding interpretations of much of the New Testament His achievements however do not end at the printing press For more than thirty years he has taught ministers and others at the Institute for Christian Studies now Austin Graduate School of Theology and Abilene Christian University Students of the past and the present speak of him as a prepared stimulating and creative teacher unafraid of experimentation for a new generation of learners At both institutions he also served as an administrator first as President of ICS and then as Associate Dean of ACU s Graduate School of Theology His colleagues respect his ability to enlist them for work as needed and otherwise to get out of their way certainly a too rare set of skills in university administrators from the Preface **Latin Lovers & Greek Husbands Bundle** Melanie Milburne,Cathy Williams,Kate Hewitt,Chantelle Shaw,2010-02-01 They re suave sophisticated and incredibly sexy Who could resist the four Mediterranean men in our Latin Lovers Greek Husbands Bundle From an Italian bad boy to a wealthy Greek tycoon you re bound to find the hero of your dreams Bundle includes The Venadikki Marriage Vengeance by Melanie Milburne The Multi Millionaire s Virgin Mistress by Cathy Williams The Greek Tycoon s Reluctant Bride by Kate Hewitt and Proud Greek Ruthless Revenge by Chantelle Shaw **Freud's Rome** Ellen Oliensis,2009-10-22 Introduction psychoanalysis and Latin poetry Two poets mourning Murdering mothers Variations on a phallic theme Afterword Freud s Rome Eros at Dusk Katherine Wasdin,2018-05-25 This book analyzes the relationship between wedding poetry and love poetry in the classical world By treating both Greek and Latin texts it offers an innovative and wide ranging discussion of the poetic representation of social occasions The discourses associated with weddings and love affairs both foreground ideas of persuasion and praise even though they differ dramatically in their participants and their outcomes Furthermore these texts make it clear that the brief idealized and eroticized moment of the wedding stands in contrast to the long lasting and harmonious agreement of the marriage At times these genres share traditional forms of erotic persuasion but at other points one genre purposefully alludes to the other to make a bride seem like a paramour or a

paramour like a bride Explicit divergences remind the audience of the different trajectories of the wedding which will hopefully transition into a stable marriage and the love affair which is unlikely to endure with mutual affection Important themes include the threshold the evening star plant and animal metaphors heroic comparisons reciprocity and the blessings of the gods and sexual violence and persuasion The consistency and durability of this intergeneric relationship demonstrates deep seated conceptions of legitimate and illegitimate sexual relationships By examining these two types of poetry in tandem *Eros at Dusk* adds fresh insight into the social concerns and generic composition of these occasional poems **The Fairytale and Plot Structure** Terence Patrick Murphy,2015-08-24 This book offers a detailed exploration of the plot genotype the functional structure behind the plots of classical fairy tales By understanding how plot genotypes are used the reader or creative writer will obtain a much better understanding of many other types of fiction including short stories dramatic texts and Hollywood screenplays **The Text of the New Testament in Contemporary Research** Bart D. British literature of the Victorian period has always been celebrated for the quality innovativeness and sheer profusion of its love poetry Every major Victorian poet produced notable poems about love This includes not only canonical figures such as Alfred Lord Tennyson Robert and Elizabeth Barrett Browning and Christina Rossetti but also lesser known poets whose works have only recently become widely recognized and studied such as Augusta Webster and the many often anonymous working class poets whose verses filled the pages of popular periodicals Modern critics have claimed convincingly that love poetry is not just one strain of Victorian poetry among many it is arguably its representative even definitive mode This collection of essays reconsiders the Victorian poetry of love and just as importantly of intimacy a more inclusive term that comprehends not only romance but love for family for God for animals and for language itself Together the essays seek to

define a poetics of intimacy that arose during the Victorian period and that continues today a set of poetic structures and strategies by which poets can represent and encode feelings of love There exist many studies of intimate relations especially marriage in Victorian novels But although poetry rivals the novel in the depth and diversity of its treatment of love marriage and intimacy that aspect of Victorian verse has remained underexamined Love among the Poets offers an expansive critical overview With its slate of distinguished contributors including scholars from the US Canada Britain and Australia the volume is a wide ranging account of this vital era of poetry and of its importance for the way we continue to write love and live today

New York's Secret Subway Matthew Algeo, 2025-09-30 In the nineteenth century Manhattan s streets were so choked with pedestrians horses vehicles and vendors that a trip from City Hall to Central Park could take hours Alfred Beach had the perfect solution build a giant pneumatic tube underneath Broadway from the Battery to Harlem Air pressure would shoot passengers up and down the island in clean quiet carriages But Beach was up against the operators of the horse drawn streetcars and the politicians in their pay most conspicuously William M Tweed the notorious Boss of Tammany Hall New York s Secret Subway The Underground Genius of Alfred Beach and the Origins of

Mass Transit tells a classic story of good versus evil pitting the mild mannered Beach a visionary inventor and entrepreneur against the oafish tyrant Tweed the exemplar of corruption in the Gilded Age It also tells the story of one of the most astonishing feats of engineering in American history the surreptitious creation of the nation s first operational subway New York seemed destined to become the second city in the world with a comprehensive subway system after London Unfortunately political lethargy and greed would conspire to deny the city a subway for another thirty years Yet Alfred Beach still proved conclusively the feasibility of underground railways in Manhattan and paved the way for modern mass transportation systems Richly illustrated and populated with larger than life characters New York s Secret Subway will captivate readers and provide historical context for today s clashes between public interests and powerful business and political groups Algeo tells this amazing true story in full for the first time and although it took place more than a century ago it will at times sound surprisingly familiar
