Bestselling author Hope Ford brings you a standalone first book in the Whiskey Men series If you love reading about curvy women getting the hot guy opposites attract jealousy trope marriage of convenience and small town romance then you ll love Lucas and Isabella s story Reluctant Husband Mara Fitzcharles,1996 *Lady Helena's Secret Husband* Elizabeth Beacon,2022-09-27 An intense second chance story Her secret husband Is back from the dead When Lady Helena Snowe eloped with Captain William Harborough six years ago they had one glorious week together before he went to war only to die in battle Yet the man in front of her now is very much alive The darkness behind Will s eyes makes Helena wary of letting him back into her life With Will s enemies threatening their chance of a fresh start can their marriage ever be reclaimed From Harlequin Historical Your romantic escape to the past **Two Crude Dames and Horace Catchpole** William Forde,2016-11-07 Horace Catchpole and Two Crude Dames is one of my most favourite stories It gave me enormous pleasure to write and it is suitable for any reader from twelve to adulthood It is set in Wigan in the early 1960 s The two monstrous women in Horace s life are a composite of every horrible and obnoxious woman that any man has ever come across Imagine the worse kind of mother a chap could possibly have and the worse type of wife he could ever marry and then imagine trying to live under the same roof with each monstrous giving out their contradictory orders That is what Horace Catchpole had to tolerate *The Unforgettable Queens of Islam* Shahla Haeri,2020-03-26 A cross cultural and ethno historical perspective exploring the lives and legacies of several Muslim women rulers from medieval to modern times Macbeth Joseph Pearce,William Shakespeare,2010-02-05 Arguably the darkest of all Shakespeare s plays Macbeth is also one of the most challenging Is it a work of nihilistic despair a tale told by an idiot full of sound and fury signifying nothing or is it a cautionary tale warning of the dangers of Machiavellianism and relativism Does it lead to hell and hopelessness or does it point to a light beyond the darkness This critical edition of Shakespeare s classic psychological drama contains essays by some of today s leading critics exploring Macbeth as a morality play as a history play with contemporary relevance and as a drama that

shows a vision of evil and that grapples with the problem of free will The Ignatius Critical Editions represent a tradition oriented alternative to popular textbook series such as the Norton Critical Editions or Oxford World Classics and are designed to concentrate on traditional readings of the Classics of world literature Whereas many modern critical editions have succumbed to the fads of modernism and post modernism this series will concentrate on tradition oriented criticism of these great works Edited by acclaimed literary biographer Joseph Pearce the Ignatius Critical Editions will ensure that traditional moral readings of the works are given prominence instead of the feminist or deconstructionist readings that often proliferate in other series of critical editions As such they represent a genuine extension of consumer choice enabling educators students and lovers of good literature to buy editions of classic literary works without having to buy into the ideologies of secular fundamentalism The series is particularly aimed at tradition minded literature professors offering them an alternative for their students The initial list will have about 15 20 titles The goal is to release three books a season or six in a year
