From Orphan to Adoptee SooJin Pate,2014-03-01 Since the 1950s more than 100 000 Korean children have been adopted by predominantly white Americans they were orphans of the Korean War or so the story went But begin the story earlier as SooJin Pate does and what has long been viewed as humanitarian rescue reveals itself as an exercise in expanding American empire during the Cold War Transnational adoption was virtually nonexistent in Korea until U S military intervention in the 1940s Currently it generates 35 million in revenue an economic miracle for South Korea and a social and political boon for the United States Rather than focusing on the families made whole by these adoptions this book identifies U S militarism as the condition by which displaced babies became orphans some of whom were groomed into desirable adoptees normalized for American audiences and detached from their past and culture Using archival research film and literary materials including the cultural work of adoptees Pate explores the various ways in which Korean children were employed by the U S nation state to promote the myth of American exceptionalism to expand U S empire during the burgeoning Cold War and to solidify notions of the American family In *From Orphan to Adoptee* we finally see how Korean adoption became the crucible in which technologies of the U S empire were invented and honed *All the King's Orphans* Lynette Carpenter,2015-10-23 When I was asked to edit *All the King s Orphans* I was honored as I always am to do this work Little did I know so much of

the book would apply to me Along the way I started reading for what I could glean from the expansive knowledge contained in these pages It explained so much about myself and why I do some of the things I do This is one of those books whose pages will be underlined highlighted dog eared and coffee stained If you do not find yourself in these pages then you will learn how to love others who operate from an orphan frame of mind So thankful for this book and Lynette s courage to write it Sheila Harper author of *Survivor A Journey Through Abortion* and Back founder and president of SaveOne Why am I different Where do I belong How did I get in this situation What is my purpose Who am I These are the questions that plague many followers of Jesus Though adopted into His kingdom millions still carry the spirit of an orphan unwilling or unable to see themselves as true sons and daughters of the King of Kings The orphan spirit manifests itself in various ways but our Abba invites us to live free of care in the security of knowing who we are in Him
