Steele, 1874 The Eclectic Magazine of Foreign Literature, Science, and Art , 1874 **From War to Peace** Nick Robins, 2021-09-30 From War to Peace tells the story of the adaptation from White Ensign to Red Ensign and to flags of other nations of the numerous classes of naval ships mainly built during the two world wars and surplus to requirements with the advent of peace It also describes ships sourced from the United States Navy and elsewhere that were converted for commercial use The most successful classes to transfer to the merchant service were the Hunt class minesweepers of the Great War Landing Craft Tank the salvage tugs of World War Two and the wooden hulled Fairmile launches which became familiar at seaside resorts in the 1950s and 60s and of course the MFV classes that helped the fishing industry in the postwar years The story includes the successful commercial conversions of many of the Flower and Castle Class corvettes and River Class frigates notably the 1954 conversion of HMCS Stormont to a luxury yacht for the Greek shipping magnate Onassis It describes why HMS Charybdis became a passenger liner in the Great War and how HMS Albatross nearly became a luxury liner after World War Two but in fact was transformed into a very unpopular emigrant ship and ended her days as a floating casino based at Cape Town The author reveals the military antecedents of numerous commercial vessels that many would have thought were built especially for the service that they later maintained and it illustrates just how many Royal Navy vessels ended up in private ownership And the question is asked if the military had not built so many ships that were eminently suitable for commercial adaptation would the technical development of merchant shipping have progressed at a faster rate than it did The answer is a definite no and is illustrated in several ways It was former naval vessels that promoted the early development of the Ro Ro ferry former naval ships introduced numerous design innovations for example the raised foredeck common for so many years on salvage tugs and above all stripped of their military hardware ex naval ships provided opportunities for modest investment

where otherwise there would have been none Copiously illustrated throughout the book tells a fascinating story of invention and ingenious ship conversion and of pragmatic adaptation in the financially stringent years after two world wars **Host Bibliographic Record for Boundwith Item Barcode 30112114734418 and Others** ,1873 **Stray leaves, including translations from the lyric poets of Germany, with brief notices of their works** Stray leaves,1827 The Touch of Aphrodite Joanna Mansell,1993 **The Eclectic Magazine** John Holmes Agnew,Walter Hilliard Bidwell,1874 *Sexuality and Subordination* Susan Mendus,Jane Rendall,2002-09-11 Sexuality and Subordination uses the insights of a range of disciplines to examine the construction of gender in nineteenth century Britain and France With contributions from history literature sociology and philosophy its interdisciplinary approach demonstrates the extent to which a common focus can illuminate problems inaccessible to any single discipline Victorianism is generally understood to mean sexual double standards hypocrisy and prudery among the middle classes But as this collection shows the representation of sexuality in the nineteenth century was more diverse and complex than is sometimes realized Both art and literature point to the deployment of sexual metaphors and imagery and the language of educated public opinion was shaped by the dichotomy between mind and matter between rationality and sexuality The contributors to this volume explore how women in questioning their subordination had to challenge a construction of femininity which imposed sexual ignorance **Lonely Werewolf Girl** Martin Millar,2009-05-01 The hard edged hilarious and utterly believable first entry in a trilogy featuring troubled teenage werewolf Kalix MacRinnalch introduces readers to a world where werewolves friendly werewolves fashionista werewolves cross dressing werewolves werewolves of every sort walk among us Teenage werewolf Kalix MacRinnalch is being pursued through the streets of London by murderous hunters She could certainly use a little help right about now but her sister the Werewolf Enchantress is too busy designing clothes for the Fire Queen So it looks like Kalix is on her own as usual This problem all started back at home in the Scottish Highlands where Kalix s family the MacRinnalch Clan is plotting and feuding after the head of the clan died suddenly without having named a successor As the court intrigue threatens to blow up into all out civil war the competing factions determine that Kalix is the swing vote necessary to determine the new leadership of the clan Unfortunately Kalix isn t really into clan politics laudanum s more her thing But since Kalix might just be the reason the head of the clan ended up dead she ll need to abandon her bad habits if only long enough to stay alive Chambers's Edinburgh journal, conducted by W.
