

Good Morning

A yellow bird is perched on a branch, surrounded by several large white flowers with yellow centers and green leaves. The background is a light yellow color.

Friends,
remember
life is
short,

Grudges are a waste of time, laugh when you can,
apologize when you should, let go of what you
can't change. Love deeply and forgive quickly.
God bless you!

Remember The Morning:

Father and Son Marcos Giralt Torrente, 2014-09-09 This is a story about two people but I m the only one telling it Many authors have wrestled with the death of a father in their writing but few have grappled with the subject as fiercely or as powerfully as the brilliant Spanish writer Marcos Giralt Torrente does in Father and Son the mesmerizing and discomfiting memoir that won him Spain s highest literary award the Spanish National Book Award Giralt Torrente is best known for his fiction but it is in this often savage memoir that he demonstrates the full measure of his gifts In the months following his father s death from cancer Giralt Torrente could not write until he began to write about his father In many ways they were strangers to each other after his parents relationship ended when he was quite young Giralt Torrente s father remained in contact with him but held himself at a distance Silences began to linger prompted by Giralt Torrente s anger at his father s lies and absences and perpetuated by their inability to speak about the sources of the conflicts between them But despite their differences they had a strong bond and in the months leading up to his father s death from cancer they groped toward reconciliation Here the author commits to exploring it all sparing neither his father nor himself conscious of their flaws but also understanding of them Weaving together history and personal narrative Giralt Torrente crafts a startlingly honest account of a complex relationship and an indelible portrait of both father and son Beautifully translated by Natasha Wimmer the award winning translator of Roberto Bola o and as lyrical and clear eyed on mourning as Joan Didion s The Year of Magical Thinking Father and Son is an uncommonly gripping memoir by an uncommonly talented writer

Every morning doth He bring His judgment to light, first thoughts Joseph Parker, 1889 [Official Report of the ... International Christian Endeavor Convention](#), 1896 [Morning Zen](#) Adrian Gonzalez, 2022-04-30 In this era of smartphones and 24 7 internet access most of us wake up and immediately dive into the challenges of the day responding to messages catching up on the news and following up on our daily tasks Unfortunately this behavior turns us into firefighters of our lives leaving us listless scattered and stressed And we forget to dedicate a little time in the morning for the most important person in this world which is you The powerful process of Morning Zen helps you take back your mornings and start the day on the right foot Through clear and easy to follow steps the method shows you exactly how to establish the critical habits necessary to improve your health energy and attitude to passionately pursue your goals and prepare yourself for the day s battles For more than ten years Adrian Gonzalez worked on the creation of a new concept a mix of skills habits and disciplines He discovered that if put together they had the power to bring lots of benefits Therefore he proceeded by elaborating and developing a seamless and easy routine which everyone can choose to follow So far his morning routine has helped managers CEOs and businessmen who while passing through difficult times like bankruptcies separations and life plateau managed to find once again a happier balance in their life empower into their goals and embrace a new meaning of success
