

A night landscape of a beach with the Milky Way galaxy visible in the sky. The scene is dark, with the bright band of the Milky Way stretching across the upper half of the frame. Below the sky, a calm sea meets a sandy beach. On the left, a dark, rocky cliff face slopes down towards the water. In the foreground, several large, dark rocks are scattered on the sand. The overall mood is serene and contemplative.

Maybe one day we shall be glad to remember
even these hardships.
