**Joe Tom's Gift** Jerry Alexander,2021-10-18 Who among us hasn t spent hours allowing our minds to fantasize that we have won the lottery or in some way suddenly become wealthy beyond our dreams We appease and excuse ourselves by planning how we would share with our family and somehow make the lives of countless needy people so much better by handing them wads of cash As our daydream finally resolves into reality we know it was just a dream having no basis in the real world However what if we allow our mind to consider for a moment that God who we would agree can do whatever he desires might find an unworthy but available person to receive a gift that would surpass most of us daydreamers wildest imagination This book follows the receiver of the Gift as he is forced to leave his birth home in East Texas with a bullet hole in his side and follows him through many terrible troubles and heartaches including a stint with the U S Marines in Viet Nam that costs him a foot However as he begins to exercise the Gift he transforms from a starving young man eating from garbage cans to the richest man on the planet He faces multiple hardships and abuse and faces his personal fears In the end he overcomes all that and learns to use his wealth to benefit others

**The Folded World** Amity Gaige,2011-03-29 From the author of the critically acclaimed *Sea Wife* Praised for her exquisite prose and crystalline insights Amity Gaige returns with *The Folded World* the story of an idealistic young social worker drawn into the lives of his mentally ill clients Charlie Shade was born into a quiet prosperous life but a sense of injustice dogs him He feels destined to leave his life of bread and laundry to work instead with people in crisis On his way he meets his kindred spirit in Alice a soulful young woman living helplessly by laws of childhood superstition Charlie s empathy with his clients troubled souls like Hal the high school wrestling champion who undergoes a psychotic break and Opal the isolated young woman who claims various philosophies have confused my life is both admirable and nearly fatal An adoring husband and new father Charlie risks his own cherished private domestic world to help Hal Opal and others move beyond their haunted inner worlds into the larger world of love and connection A collision of extraordinary characters *The Folded World* addresses the universal dilemma of love wherein giving to another can seem like the death of the world of oneself With an unerring eye for both the joys and devastations of life Amity Gaige once again reminds us of the pleasures and depths to be found in her fiction

*Stealing Home (bundle set)* Tom Mendicino,2017-01-31 As young men on the cusp of life Charlie Beresford and Kevin KC Conroy forged an unlikely friendship Though the years have lead them down unexpected paths the bonds of an enduring love will bring them back to where they have always belonged In the summer before college hauling furniture is the last thing Charlie Beresford wants do with his time Then Kevin Conroy the Mighty KC joins the moving crew A star baseball player bound for the big leagues Charlie is shocked when KC reveals another side of his jock persona and suddenly Charlie finds the long summer coming to a bittersweet end But as Charlie moves on to Dartmouth KC never makes it to the majors He finds himself in Oregon no longer defined by his physical gifts but building a new life with new friends and learning to play by the heart At twenty two Charlie has a degree in hand and an entry level job in radio But sometimes he feels like the only thing he learned in college was that he s already made the biggest mistake of his life So when he runs into his old high school crush he s more than ready to make up for lost time even if the odds are long Because the one thing Charlie and KC know too well is that the only thing worse than striking out is never taking a chance at all Praise for Tom Mendicino s *Probation* Thoughtful textured and poignant an exciting impressive debut *Time Out NY* A smart engaging witty sad and unusual book about the complicated nature of family and love Bart Yates author of *Leave Myself Behind* A potent debut *Publishers Weekly* Achingly honest Vestal McIntyre author of *Lake Overturn*

**The Speed of Perception** Tom B. Bacon, 2002-07-17 Until now man s division of the atom so quick and barely detectable has lacked true purpose to create as we were created The frequency of human thought was simply too slow But after the splitting of matter the technology to split time must naturally follow The frequency of human thought is but a singular point between infinite ends With the proper technology one human mind can incorporate others and reside in a thousand skulls Geniuses in every discipline can be subordinated to a single common mind one man thinking and living through others Each man s entirety can be learned his soul probed and upon death the mental sequences that return him to his eternal origins decoded Thus can a host of souls be stolen and stored for the right moment Driven by a high speed processor the frequency of human thought can be altered Its bandwidth can be expanded deepened and accelerated until it takes the form of a white light of consciousness that only gods own From such reference points matter begins to slow its spinning And when the atom is next divided one man can inject his host of souls watch in slow motion and be lord of a new creation Unless of course he can be stopped
