Remembering Well Sarah York, 2000-08-28 A gentle guide on how to plan an original memorial service ritual or remembrance that personally reflects and honors the life of the one who has died **Remembering Well** Apollo Ranch Institute Press, The, 2012-06-01 First Edition Copyright 2000 Jossey Bass Wiley Sons Second Edition Copyright 2012 Apollo Ranch Institute Press NOW IN PAPERBACK After selling steadily for twelve years in hardback **Remembering Well Rituals for Celebrating Life and Mourning Death** is now available in an affordable paperback edition The first edition of **Remembering Well** was selected by Spirituality and Health magazine as one of the best spiritual books of the year Since then it has received the highest acclaim from many prominent sources including starred reviews from Publisher's Weekly and Booklist Below are excerpts from a few reviews for **Remembering Well Rituals for Celebrating Life and Mourning Death** is well worth reading and to be read not just once and put on the shelf but kept handy as a useful tool in putting together funeral services The American Journal of Hospice and Palliative Care **Remembering Well** Sarah York, 2002-02-28 **Remembering Well** offers family members clergy funeral professionals and hospice workers ways to plan services and rituals that honor the spirit of the deceased and are faithful to that person's values and beliefs while also respecting the needs and wishes of those who will attend the services It is an essential resource for anyone who yearns to put death in a spiritual context but is unsure how to do so including both those who have broken with tradition and those who wish to give new meaning to the time honored rituals of their faith The real life stories examples and practical guidelines in this book address a wide array of important issues including the difficult decisions that survivors must make quickly when a death occurs and the sensitive topic of family alienation where possibilities for healing forgiveness and hope are explored The invaluable insights offered here will help those who grieve to prepare mind and spirit for life's final rites of passage **Supporting Pet Owners Through Grief** Ryane E. Englar, Jill Englar, Teresa Graham Brett, 2023-10-31 An empathic and emotional exploration of the inevitable subject of grief that veterinarians will regularly encounter throughout their relationships with clients on their journey through the care and management of animal patients The authors take an informed and supportive look at the philosophical and psychological impacts of grief emphasizing the individual experiences of clients while also addressing the impacts on the veterinarian and veterinary team Chapters cover the importance of the human animal bond unique circumstances relating to grief practical tool kit approaches that help the vet work alongside the client in a way that is supportive and practically helpful self management resources for a veterinary centric view of managing the process of euthanasia death and grief **Supporting Pet Owners Through Grief** provides practitioners and students alike with tools to better understand grief and its impact on the human animal bond Veterinary team members will also learn how to navigate their own mix of emotions as they themselves experience and process recurrent grief that can contribute to compassion fatigue and burnout 5m Books [Helping Those Experiencing Loss](#) Robert J. Grover Professor Emeritus, Susan G.

Fowler,2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve Helping Those Experiencing Loss A Guide to Grieving Resources is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population *Soul Sketches: How to Craft Meaningful and Authentic Eulogies* Elaine Voci, Ph.D.,2016-09-27 This book is written for writers of eulogies and for those who choose to answer the question after someone they loved and admired has died What does this life teach me about how I wish to live the rest of my days Eulogies are essentially hopeful rituals that make grief more bearable Because eulogies are about the deceased but for the living they can help us prepare to live more intentionally with an appreciation of life and with respect for the Great Mystery of death and beyond Eulogies draw us into a sense of community at a time when we may feel alone and when all we have left are our memories to bring us comfort Eulogies add to those memories and help our healing begin Death Rights and Rites Judith Karen Fenley,Oberon Zell,2020-11-08 Reclaim the Right to a Sacred Sustainable Death Exploring the spiritual and legal aspects of alternative death ways home funerals and green burial Death Rights and Rites presents practical information and questions for approaching death and dying with a sense of sacred meaning You will discover ideas for navigating the spiritual and legal issues related to home based dying home funerals and alternative burial methods Reverend Judith Karen Fenley offers insights into approaching relevant legal frameworks with respect while assisting your loved one in ways that support the best medical care the natural environment and the emotional needs of the community Explore ideas for memorial services and ways to be open to spontaneous rituals for letting go preparing for death being at peace and more It is possible to manifest your deepest values before during and after death Death Rights and Rites shares examples and provides support as you explore final transitions that are environmentally conscious and spiritually meaningful Includes a foreword by Jerrigrace Lyons founder of Final Passages The Institute of Conscious Dying Home Funeral Green Burial Education and an epilogue by Oberon Zell cofounder of the Church of All Worlds Transforming Palliative Care in Nursing Homes Mercedes Bern-Klug,2010 This volume outlines the belief that nursing homes can and should support the physical psychological and social needs of residents and that residents can thrive in nursing homes when these needs are met The book s contributors explore the role that palliative or comfort care plays in

enhancing the quality of life of nursing home residents as well as the medical familial psychological cultural and financial issues that influence decision making about end of life care The book is designed to be a tool to prepare social workers to advocate for a greater incorporation of palliative care and psychosocial care into the culture of nursing home care The book includes discussions of the psychosocial needs of nursing home residents and families the financing of long term care and end of life care ethical issues in chronic care and end of life trends and characteristics in nursing home care rituals and grief at end of life and considerations for the future Each chapter includes case examples to further illustrate points made

Death and Dying John F. Szabo, 2009-11-02 While it can be traced to the 1700s the term thanatology has gained traction in recent decades to refer to the study of death Because of the breadth of the published material and the challenges of discovery in large bibliographic databases and catalogs finding and identifying monographic material on death dying grief and bereavement can be extremely challenging Although there have been several bibliographical resources published on thanatology those titles were incomplete limited in scope or leaned heavily toward one area of the field In Death and Dying An Annotated Bibliography of the Thanatological Literature John F Szabo provides more than 2 200 citations of monographs on the science and study of death and dying Among the areas this volume addresses are the psychological philosophical and attitudinal aspects coping and dealing with the burdens of caregiving and working in the helping professions instructional and educational topics for practitioners primarily health care providers cultural differences in bereavement rituals and grief mourning and loss In addition notable titles on or relating to death and dying in popular culture death themes in literature methods of death or specific ethical policy or public issues are also included when they contribute important information to subject areas on which the book focuses This book will be helpful to students researchers academics caregivers health care professionals psychologists social workers and anyone with an interest in death dying bereavement or the care of the terminally ill

Eldercare 101 Mary Jo Saavedra,2016-08-11 The Silver Tsunami is upon us as elder care and crisis management

reaches a tipping point with the graying of America By 2020 54 million people in the U S will be over the age of 65 by 2030 that number will top 80 million Feeling the squeeze of multi generational home demands children of aging parents are struggling to learn innovative eldercare management strategies and often find themselves overwhelmed by the many facets of caregiving Eldercare 101 is the answer to making order from chaos As a guide covering all aspects of aging and end of life in one place caregivers will no longer spend endless nights trying to decode the Internet trail confused uncertain and fearful of what they re missing Whether they are proactively planning ahead or need to have fast answers this comprehensive technology rich resource presents steppingstones for the Sandwich Generation as they navigate caring for aging parents grandparents friends and other family members Eldercare 101 is a well researched organized easy to understand guide for families desperately in need of help as they care for their aging loved ones The book is organized into 6 pillars of aging wellbeing legal financial living environment social medical and spiritual Each pillar is explored by an expert and offers best practices and tips for evaluating choices making decisions and living well wherever the road might lead *The Holy Intimacy of Strangers* Sarah York,2002-11-08 In *The Holy Intimacy of Strangers* Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between being inclusive or exclusive our expectations and assumptions about one another *Speaking to Silence* Janet S. Peterman,2007-01-01 Janet Peterman presents a variety of healing and comforting rituals that can be used in situations that are likely to be encountered in congregations but yet are not typically treated in standard liturgies Peterman offers her reflections on the significance of rituals and includes a broad spectrum of rituals for personal use for life in the home or at church for use in the wider community or for help in leading to transformation She concludes by describing a seven step process for creating new rituals and suggests ways to adapt existing worship materials for use in new settings This much needed resource will help pastors and lay leaders develop their own skills and insights for creating liturgies and rituals that provide relief healing and support for those in congregations who are faced with critical and life altering situations

Pastoral Care for Survivors of a Traumatic Death Jeonghyun Park,2017-11-07 Modern life has led to an increase in traumatic deaths such as accidents murders suicide and other types of unanticipated violent death Family members and friends grieving a traumatic death face enormous shock numbness and despair as well as the need to find hope and God s mercy and grace in the midst of chaos difficult questions and confusion The Christian church and faith community often do not provide appropriate pastoral care to help the bereaved overcome their despair Jeonghyun Park explores the unique

characteristics and dynamics of traumatic grief or grief in response to traumatic death and present several approaches to pastoral care The survivors of a traumatic death are likely to ask pastors spiritually despairing and tough questions such as Where is God in this tragic death If we have to accept this new reality where can we find God's grace and mercy power and justice Pastors and other spiritual leaders can provide comfort to the loved ones of victims of traumatic death by assisting them with their questions concerning a helpless God and a cruel God This book offers new insights through specific pastoral care models and guidance for families needing healing recovery and meaningful rituals **And a Sword Shall Pierce Your Heart** Charlotte Mathes, 2006 The author tells her story of personal knowing from walking the path of mother grief while establishing a background that guides the reader through the steps and archetypes that mark the process of mourning Through personal experience myth and stories she shows how one can gain a renewed sense of inner and outer wholeness in life publisher website November 2006 Caring for Donor Families Raelynn Maloney, Alan D. Wolfelt, 2011-04-01 Integrating vital information on the dynamics of the donation experience and grief education this revised second edition provides an invaluable resource for hospital and organ procurement caregivers Going beyond helping professionals understand the challenges of obtaining consent this guide invites them to offer compassionate care throughout the family's experience with the death including the months and years following The chapters include information on understanding the family's initial responses helping families understand brain death facilitating the donation discussion assisting families with meaningful leave taking rituals understanding long term grief responses and establishing an ongoing family support program Three easy to follow sections before during and after the donation experience guarantee that caregivers can easily access the section most relevant to their role with the family Healing Conversations Nance Guilmartin, 2002-11-22 Whether it's the loss of a job a marriage or a life in today's 24/7 world we're increasingly faced with uncomfortable situations where we don't know what to say yet we're called upon to quickly respond online or in person We may fumble avoid contact or simply walk away perplexed thinking we have done a bad job of responding to our friends family neighbors clients and co-workers How do we pause listen and offer comfort in those hard moments Filled with touching stories this practical guide helps us step into someone else's shoes so that we can empathetically learn how to respond in times of need The revised compact edition includes a new introduction index and short reflections at the end of each chapter to help readers become more comfortable and effective when offering or accepting comfort in their demanding lives The End of God-Talk Anthony B. Pinn, 2012-01-19 In this groundbreaking study Anthony B Pinn challenges the long held assumption that African American theology is solely theist arguing that this assumption has excluded a rapidly growing segment of the African American population non theists Rejecting the assumption of theism as the African American orientation Pinn poses a crucial question What is a non theistic theology
