Artisanal Theology Lisa M. Hess, 2009-01-15 Paradox and surprise face those who pursue deeper spiritual practice theological wisdom and even a religious calling into the ministry Unbeknownst to incoming students the pursuit of theological education in established institutions today furthers a faith that is recognizable in delight and compassion even as it may just as easily deform it into a moral duty and autonomous professionalism so divisive in today's religious ecology How may those drawn into ministry formation today receive its deep theological treasures and sustain a vibrant faith with a theologically expressive delight able to companion the suffering of self and others Artisanal Theology explores the paradoxes and surprises that await those walking in the worlds of theological education the local congregation the academy the tradition denomination Part handbook part witness it offers guidance for the path of intentional formation within contemporary institutions of theological education whose riches may be mined in a disciplined spiritual stewardship and grounded in radically covenantal companionship Just like artisanal bread blends the classical methods of bread baking with modern conveniences so an artisanal theology relies upon the personal and communal touch of human relationship amidst the contemporary forms of programmatic theological education An artisanal theology offers an articulate and traditionally rooted faith perspective grounded in covenantal companionships sustained in contexts of church tradition and most

Jack Hansen, Jerry P. Haas, 2010-07-01 This retirement book focuses on the personal dimensions of the move from full time work to partial or full retirement Drawing upon conversations with retired professionals from around the country it identifies some of the key transitions in the first years of retirement the unique opportunities for personal growth in this phase of life and the real challenges we must face Retired engineer Jack Hansen and spiritual formation leader Jerry Haas explore the transitions opportunities and challenges of facing retirement through a series of interviews with persons facing and in retirement It is about the more personal dimensions of the transition from working full time to retirement including relationships feelings of self worth and purpose and spiritual and intellectual growth Taken as a whole the conversations and interactions with retirees suggest an exciting and challenging picture of retirement This time of life can be one of significant personal growth It can also be an opportunity for further contribution to one s professional field or the investment of one s talents and experience in volunteer capacities It is also clear that moving from full time work to retirement involves important and sometimes painful adjustments in key relationships and in sources of self worth With some attention and effort however these are usually worked through successfully in early retirement years *Please Don't Tell* Emma J. Justes, 2014-03-18 I ve never told a soul and you have to promise not to tell anybody Pastor I wanted you to know before we tell the kids just in case they come to you I m so happy Yes finally I m pregnant I just had to tell someone Yes it s terrible but am I going to explain it to our friends here at church People need trusted persons as sounding boards and confidants Not many weeks go by that someone does not confide a secret to a church leader whether pastor youth director church secretary choir director or board member While pastors have a unique role when it comes to confidentiality listening to secrets is something that every church leader does But there are both privileges and responsibilities in reporting discerning the truth and helping people bear the deep sins or temper the anger that threatens to overflow **Retreating Forward** David Elias Weekley, 2017-03-29 Transgender people are among the most marginalized and vulnerable populations in the world Misinformation lack of education and lack of experience among cis gendered persons often result in forms of violence and abuse directed towards those perceived as transgender or gender non conforming Such violence and abuse are not restricted to secular culture but expand into faith communities and essential forms of spiritual care and support When transgender people of faith share the reality of their gender identity they often experience rejection by the very communities that should provide support encouragement and
