Exposition of the Old and New Testament Matthew Henry, J. B. Williams, 1828 *Eden's Other Residents* Michael Gilmour, 2014-06-20 The Bible teems with nonhuman life from its opening pages with God's creation of animals on the same day and out of the same earth as humans to its closing apocalyptic scenes of horses riding out of the sky. Animals are Adam's companions, Noah's shipmates, and Elijah's saviors. They are at the center of ancient Israel's religious life as sacrifices and yet as Job discovers, beyond human dominion. It is an animal that saves Balaam from certain death by an angel's hand and an animal that carries Jesus into Jerusalem. The Creator declares all of them good at the beginning and since the Apostle Paul writes of God's eternal purposes for all things on earth, they are somehow part of a hoped-for eschatological restoration. So why are animals so often ignored in Christian moral discourse? In its theological thinking and faith-motivated praxis, human-centeredness typically results in the complete erasure of the nonhuman. This book argues that this exclusion of animals is problematic for those who see the Bible as authoritative for the religious life. Instead, biblical literature bears witness to a more inclusive understanding of moral duty and faith-motivated largesse that extends also to Eden's other residents.

The Mage Craft Series SM Reine, 2016-05-19 She's the daughter of Metaraon, the Voice of God. Now it's time for her to take his place in the world and pay for his sins. He's a doctor as good with a gun as he is with a scalpel. He knows a lot about the preternatural, but he's not saying why. And he's the new Voice of God's only chance of survival. This collection contains the first three books of The Mage Craft Series, amounting to over 210,000 words.

About Cast in Angelfire: As a half angel, half human mage, Marion Garin is the most powerful witch in the world. She's been embroiled in preternatural politics since childhood and navigates the factions with ease. Or so she's been told. Unfortunately, she's lost her memory and now Marion doesn't know much of anything. Casting magic? Forget about it. It's not an accident either. Someone powerful wanted to take Marion out of preternatural politics, and they succeeded. She's told that a man named Seth Wilder could help, but she'll have to find him first. He's been missing for years. Marion needs to track Seth down and fix her memory before her unknown enemy finishes the job.

About Cast in Hellfire: Marion Garin is the teenage daughter of Metaraon, the former Voice of God. Now she's also the steward of the Winter Court, which has been in anarchy since a revolution five years earlier. Problem: Marion still doesn't remember anything that happened before two weeks ago. Seth Wilder has a lead on her memories. Whoever stole them and sold Marion's essence to a demon lord in Sheol, Marion wants to help steal them back, even though that means abandoning the Winter Court to war. And Seth can't seem to tell Marion no. He wants Marion nearby. Very nearby. Possibly in his teeth. See, Seth has this little problem where he's developing a killing urge, and it seems to be centered primarily on the half angel girl who adores him. It conflicts with everything Seth believes himself to be: a moral man, a doctor who heals instead of hurts. Yet he's obsessed with Marion. She wants her memories, and he wants her to have them as much as he wants her blood. They'll work together to make Marion whole, come hell or high water. Even if it means war. Even if it means Seth might
