Remembrances Metis Veterans:

Remembrances Dave Hutchinson, Gabriel Dumont Institute of Native Studies and Applied Research, 1997

Remembrances, 2024 What prompts a M tis to enlist in an army that his or her family has fought against not once but twice What social and economic pressures were at play at that time What were their experiences And in the end what did they lose or gain Reexamine Canadian history through the memories of M tis enlistees in training in combat in prison camps Meet Amyotte Dumont Fosseneuve Merrifield Nicolas Pelletier and other Saskatchewan veterans facing adulthood in the Canadian Armed Forces during wartime The stories are told with a gentle humour and a wry sense of reality There are facts there are speculations there is righteous anger but there is no bitterness In the words of one veteran I think if you look at it in a broad sense it was worth it because the Germans were defeated there was something that we accomplished The high ranking officers said we were fighting for freedom and a free country But I wonder if that s true This second edition contains a new preface and information on the National M tis Veterans Memorial Monument at Batoche Saskatchewan

Indigenous Peoples and the Second World War R. Scott Sheffield, Noah Riseman, 2019 A transnational history of how Indigenous peoples mobilised en masse to support the war effort on the battlefields and the home fronts **Metis Legacy** Louis Riel Institute, 2001 Focuses on the M tis in Canada but also includes some articles and annotated references on the M tis in the United States **Métis** Chris Andersen, 2014-04-21 Ask any Canadian what M tis means and they will likely say mixed race Canadians consider M tis mixed in ways that other Indigenous people are not and the census and courts have premised their recognition of M tis status on this race based understanding Andersen argues that Canada got it wrong From its roots deep in the colonial past the idea of M tis as mixed has slowly pervaded the Canadian consciousness until it settled in the realm of common sense In the process M tis has become a racial category rather than the identity of an Indigenous people with a shared sense of history and culture Cold War Workers Isabel Campbell, 2025-04-15 When Canada sought to protect its borders and aid its allies during the Cold War many people were recruited to build the emerging security state as construction and maintenance workers engineers members of the armed forces medical researchers and research subjects Security work transformed the lives of individuals families and communities in ways that were both predictable and surprising and both beneficial and harmful the militarization and colonization of Indigenous lives and lands was especially disruptive The opening essays of *Cold War Workers* intimately portray the complicated effects of Cold War labour upon Indigenous lives Elmer Sinclair a residential school survivor and member of the Canadian Armed Forces achieved equality with white men through his militarized masculinity His more positive professional experience contrasts with those of Indigenous workers on northern radar lines many of whom lost languages connections to the land and other elements of traditional cultures as they sought new skills and better employment Diverse Indigenous experiences of Cold War security work set the scene for the second set of essays which explore the impact of security preoccupations on marginalized groups

the study of extreme isolation through scientific experimentation on human subjects the targeting of gay men with psychiatric labelling to enforce an idealized masculinity and the restriction of gender mobility in the Canadian military and the pushback from servicewomen Cold War Workers raises questions about the influence of settler colonial masculine institutional values on those who laboured for the Cold War state and society By comparing the experiences of different types of workers families and communities this volume reveals how race gender and privilege affected people in varied and sometimes unexpected ways

Saskatchewan W. A. Waiser, Bill Waiser, 2005 In *Saskatchewan A New History* award winning author and historian Bill Waiser presents a fresh entertaining account and interpretation of Saskatchewan's unique and captivating history Writing with clarity candor and compassion Waiser describes in detail his province and its people through the stimulating often

tumultuous years since joining Confederation in 1905 A gift to the province from the University of Saskatchewan written in commemoration of the province s centennial celebrations in 2005 Saskatchewan A New History tells above all the engaging stories of the people of Saskatchewan Their wisdom foresight bravery toil and eternal optimism gave birth to one hundred years of extraordinary history Waiser leaves no stone unturned as he records the events and stories of the people who experienced them from the province s earliest days when anything seemed possible through the years of the Great Depression when the prospect of greatness seemed all but lost to the second half of the century when an intense at times bitter debate raged over how best to govern Saskatchewan Relying on the most up to date historical research available he offers new perspectives on traditional views and tackles previously neglected often difficult concepts and events What is most striking about these images aside from the richness of their color and the skillful use of light are the happy smiling faces He could see things like no one else with a camera He had an uncanny skill to set the scene He caught people in everyday life and everyday activities and people wanted to have their picture taken by him Generously illustrated with carefully selected archival images and two sixteen page color inserts of commissioned photographs by Saskatoon s John Perret Saskatchewan A New History also pays a stunning visual tribute to the historical urban and natural splendour of Saskatchewan and its people Includes two 16 page color photo inserts by John Perret 205 Black and White photographs and illustrations 20 reference tables 15 maps and more Saskatchewan Book Award for Non Fiction nominee 2005 Saskatchewan Book Award for Scholarly Writing nominee 2005 *Transition* ,1999-08 Métis Veterans of Manitoba A.
