*Renaissance Europe* De Lamar Jensen, 1981 These popular volumes offer a comprehensive challenging introduction to the politics economic development social life culture and thought of early modern Europe The Renaissance volume includes discussion of political and religious life in the Italian city states and an emphasis on the interrelationship of literature philosophy art and science The Reformation volume provides new examinations of the social and economic aspects of the Reformation and the significance of humanism during the early Reformation period

**Renaissance Europe and Reformation Europe, Second Edition** Jensen, 1991-02-01 **Reformation Europe** De Lamar Jensen, 1992 For full description see Renaissance Europe Age of Recovery and Reconciliation 2 e [A Zeal for God Not According to Knowledge](#)

Eric Snow, 2005-03 Are the Jewish arguments against belief in Jesus as mankind's Savior any good Is Jesus Christ the promised Messiah of the Old Testament's prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can't be dismissed lightly Using solid scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics such as Samuel Levine Michoel Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also

**The A to Z of the Renaissance** Charles G. Nauert, 2006-02-23 Few periods have given civilization such a strong impulse as the Renaissance which started in Italy and then spread to the rest of Europe During its brief epoch most vigorously from the fourteen to the sixteenth centuries Europe reached back to Ancient Greece and Rome and pushed ahead in numerous fields art architecture literature philosophy banking commerce religion politics and warfare This era is inundated with famous names Da Vinci Michelangelo Raphael Petrarch Machiavelli Cervantes and Shakespeare and the heritage it left can hardly be overestimated The A to Z of the Renaissance provides information on these fields through its chronology which traces events from 1250 to 1648 and its introduction delineating the underlying features of the period However it is the dictionary section with hundreds of cross referenced entries on famous persons from Adrian to Zwingli key locations supporting political and social institutions wars religious reformations achievements and failures which is the heart of this book Further research is facilitated by the bibliography

**Voices of the Renaissance** John A. Wagner, 2022-02-04 The documents in this collection trace the course of the Renaissance in Italy and northern

Europe describing the emergence of a vibrant and varied intellectual and artistic culture in various states cities and kingdoms Voices of the Renaissance Contemporary Accounts of Daily Life contains excerpts from 52 different documents relating to the period of European history known as the Renaissance In the 14th century the rise of humanism a philosophy based on the study of the languages literature and material culture of ancient Greece and Rome led to a sense of revitalization and renewal among the city states of northern Italy The political development and economic expansion of those cities provided the ideal conditions for humanist scholarship to flourish This period of literary artistic architectural and cultural flowering is today known as the Renaissance a term taken from the French and meaning rebirth The Italian Renaissance reached its height in the 15th and early 16th centuries In the 1490s the ideals of the Italian Renaissance spread north of the Alps and gave rise to a series of national cultural rebirths in various states In many places this Northern Renaissance extended into the 17th century when war and religious discord put an end to the Renaissance era **The**

**Modernization of the Western World** John McGrath, Kathleen Callanan Martin, 2024-08-01 Covering Western history from the ancient world to the current era of globalization The Modernization of the Western World describes the forces of social change and what they have meant to the lives of the people caught up in them The volume presents the history of Western civilization from a historical sociology perspective introducing readers to the analyses of thinkers like mile Durkheim Karl Marx Adam Smith Ferdinand T nnies and Max Weber in order to provide tools for understanding how societies function and change This application of modernization theory argues not that what has happened in the West should or even must happen in non Western societies but that understanding modernization as a process of social change affords a better understanding of why and how life has changed over the past millennium The interactions of Western and non Western societies have had a profound effect on each other this is the story of the development of a truly global economy This new edition has been updated to include a final chapter which addresses recent developments economic disturbances in the global marketplace cyberwarfare and the rise of populist movements testing the relevance of classic modernization theory for today Featuring a glossary maps and illustrations boxed features and an extensive index this book will be of particular interest to students looking to understand world history as well as those interested in historical sociology and modernization theory
