Rendezvous With Destiny A History Of Modern American Reform

H. Lark Hall

Rendezvous With Destiny A History Of Modern American Reform:

Rendezvous with Destiny Eric Frederick Goldman, 1970 **Rendezvous with Destiny** Eric Frederick Goldman, 2001 A story of the wise and the shortsighted the bold and the timid the generous and the grasping men and women who have been the stuff of American reform **Rendezvous with Destiny; |b a History of Modern American Reform** Eric Frederick Goldman, 1958 **Rendez Vous with Destiny** Eric Frederick Goldman, 1980 **The New American History** American Historical Association, 1997 Originally released in 1990 The New American History edited for the American Historical Association by Eric Foner has become an indispensable volume for teachers and students In essays that chart the shifts in interpretation within their fields some of our most prominent American historians survey the key works and themes in the scholarship of the last three decades Along with substantially revised essays from the first edition this volume presents three entirely new ones on intellectual history the history of the West and the histories of the family and sexuality The second edition of The New American History reflects in Foner's words the continuing vitality and creativity of the study of the past how traditional fields are being expanded and redefined even as new ones are created Author note Eric Foner is DeWitt Clinton Professor of History at Columbia University He is the author of numerous books including Reconstruction 1863 1877 which was awarded the Bancroft Prize **Righteous Pilgrim: The Life and Times of Harold L. Ickes, 1874-1952** T. H. Watkins, 2019-08-15 Born in rural western Pennsylvania Harold LeClair Ickes 1874 1952 son of a gambler womanizer drunk father and of a strictly reared Presbyterian mother grew up desperately poor and desperately ambitious He became a Chicago newsman during its gilded era a key figure in the Progressive Party and in FDR's cabinet became America's longest serving and most influential Interior Secretary As Interior Secretary he helped change the face of America forging that department into the most powerful tool for the protection of our lands He was also a major force in reshaping the character and quality of American society often seeming to speak ex cathedra as the conscience of FDR's administration Opinionated vigorously outspoken as impassioned defending minorities as defending our wild places Ickes who happily styled himself the Old Curmudgeon was arguably the most controversial and most beloved figure in the New Deal When Ickes wrote his first column in the New Republic the editors of the magazine introduced him on May 2 1949 as old enough to be called an Elder Statesman but he is too salty for that label He himself has cheerfully accepted the epithet of Curmudgeon which likewise is insufficient to his case A more accurate description would be that he is America's most venerable progressive and one of the stoutest fighters at any age for justice and good government Righteous Pilgrim was a non fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award an outstanding biography that is also a major work of social history spanning the first half of the 20th century Ickes was a courageous public servant who in Righteous Pilgrim receives long overdue recognition Herbert Mitgang The New York Times highly successful Written in a delightful conversational style that disguises the impressive scholarly

research that went into its preparation this is an appreciative biography of a man who was so temperamental thin skinned and bluntly outspoken that he acknowledged these traits himself This thoughtful readable and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal Righteous Pilgrim is likely to be one of the most significant histories of the Progressive and New Deal reform impulse to appear in a decade Howard R Lamar Washington Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that swirled and eddied about Ickes with admirable clarity A complex fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn't put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins's biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward *History, Historians, and Conservatism in Britain and America* Reba Soffer, 2009 Reba Soffer examines the subject's motives and origins of conservative historians who were also successful public intellectuals Providing a comprehensive account of the content context and consequences of conservative ideas Soffer explains their dominance in Britain and marginalization in America until the Reagan ascendancy *Education in North America* D. E. Mulcahy, D. G. Mulcahy, Roger Saul, 2014-02-27 Education in North America is a concise and thorough reference guide to the main themes in American and Canadian education from their historical roots to the present time The book brings a global awareness to the discussion of local issues in North American education and sheds light on the similar and different ways that Canada and the United States have moved in light of political and social changes Scholarly contributions made by active researchers from the region provide an overview of each country's education system the way in which it arose and its current state of affairs *The Dance with Community* Robert Booth Fowler, 1991 Not an essay in normative political philosophy but a discussion of the present day developments in American political thought as they focus on community Fowler political science U of Wisconsin tells the story of the coming of age of

community in the thought of American political intellectuals and provides measured analysis and reflection on some of the directions in which thinking about community has proceeded Annotation copyrighted by Book News Inc Portland OR **The American Ideology of National Science, 1919-1930** Ronald C. Tobey,1971-10-15 Ronald C Tobey provides a provocative analysis of the movement to establish a national science program in the early twentieth century Led by several influential scientists who had participated in centralized scientific enterprises during World War I the new effort to conjoin science and society was an attempt to return to earlier progressive values with the hope of producing science for society s benefit The movement was initially undermined by the new physics and Einstein s theories of relativity which shattered traditional views and alienated the American public Nationalized research programs were tempered by the conservatism of corporate donors Later with the disintegration of progressivism the gap between science and society made it impossible for the two cultures to unite **Pragmatism and Democracy** Dmitri N. Shalin,2011-12-31 This volume examines the roots of pragmatist

imagination and traces the influence of American pragmatism in diverse areas of politics law sociology political science and transitional studies The work explores the interfaces between the Progressive movement in politics and American pragmatism Shalin shows how early 20th century progressivism influenced pragmatism s philosophical agenda and how pragmatists helped articulate a theory of progressive reform The work addresses pragmatism and interactionist sociology and illuminates the cross fertilization between these two fields of studies Special emphasis is placed on the interactionists search for a logic of inquiry sensitive to the objective indeterminacy of the situation The challenge that contemporary interactionist studies face is to illuminate the issues of power and inequality central to the political commitments of pragmatist philosophers Shalin explores the vital link between democracy civility and affect His central thesis is that democracy is an embodied process that binds affectively as well as rhetorically and that flourishes in places where civic discourse is an end in itself a source of vitality and social creativity sustaining a democratic community The author shows why civic discourse is hobbled by the civic body that has been misshapen by past abuses Drawing on the studies of the civilizing process Shalin speculates about the emotion demeanor and body language of democracy and explores from this angle the prospects for democratic transformation in countries struggling to shake their totalitarian past View Table of Contents

David E. Lilienthal: The Journey of an American Liberal Steven Neuse,2019-08-16 Over the course of a career that stretched from the early 1920s through the late 1970s David Eli Lilienthal 1899 1981 became a larger than life symbol of American liberalism Born in Morton Illinois to Jewish immigrants from what later became Czechoslovakia Lilienthal attended DePauw University and Harvard Law School After practicing labor and public utility law in Chicago Governor Philip La Follette appointed him to the Wisconsin Public Service Commission in 1931 In 1933 President Roosevelt appointed Lilienthal as one of three founding directors of the Tennessee Valley Authority In 1946 President Truman appointed him as the first chairman of the Atomic Energy Commission Lilienthal left public service in 1950 but continued applying the TVA

concept of coordinated development including dams irrigation flood control and electric generation via his consulting firm Development and Research Corporation which operated internationally including in Iran under the Shah This biography is a study of a fascinating man who in his long career embodied the achievements and tragedy of mid century American liberalism The author has mastered his sources and produced a wonderful portrait of a man and his times Erwin C Hargrove Vanderbilt University Steven Neuse s biography of David Lilienthal fills an important gap in the history of twentieth century American liberalism It is a perceptive analysis of a complex character William Bruce Wheeler University of Tennessee A well written exhaustively researched and balanced perspective of Lilienthal Steven Neuse has written one of the best studies to date on a prominent twentieth century American and one that will be cited for many years to come Michael V Namorato University of Mississippi Journal of American History In this exemplary biography Neuse illuminates Lilienthal s road to influence This book merits the attention of all serious students of 20th century American democracy M J Birkner Gettysburg College Choice Neuse offers a superbly crafted discussion of Lilienthal s time as TVA commissioner and traces the evolving controversies and achievements of TVA with exemplary clarity A wise and wide ranging book Based on an enviable command of private papers personal interviews and government documents it is incomparably the finest existing study of this complicated and remarkable American and of absorbing interest to anyone interested in the New Deal atomic politics or the travails of American liberalism at home and abroad in the late twentieth century Georgia Historical Quarterly A splendidly perceptive analysis of this consummate bureaucratic politician and liberal who managed constructive programs in a destructive world Journal of East Tennessee History A quite readable biography based on enormous research this book is important and deserves a wide readership Howard P Segal University of Maine Nature Neuse has performed a very important service in providing scholars with a life and times chronicle of Lilienthal Neuse s account is impressively researched his prose admirably lucid Neuse s study stands as proof that narrative biography is still a vibrant scholarly enterprise Gregory Field University of Michigan Technology and Culture This is a well written extensively documented informative narrative on a fascinating man John Minton Western Kentucky University Tennessee Historical Quarterly Steven Neuse s exhaustive study of David Lilienthal is the much needed and definitive biography of a highly significant figure the very personification of American liberalism and grassroots democracy All twentieth century scholars must master it and the general reader will be fascinated by this sensitive tale of a tortured crusader who dreamed so expansively and felt so deeply Roy Talbert Jr Coastal Carolina University

That Broader Definition of Liberty Brian Stipelman,2012-10-04 This book offers a comprehensive theory of the New Deal covering the ends it hoped to achieve and the means it used to achieve them Looking at a mixture of history American political development and political theory it aims to fill a critical gap in scholarship and provide a theoretical framework for contemporary progressive political actors *Human Behavior and the Social Environment, Macro Level* Katherine Van Wormer,Fred Besthorn,2017-02-10 A timely revision in this global age Human

Behavior and the Social Environment Macro Level develops a sophisticated and original view of the cultural global spiritual and natural worlds that people inhabit and explores the impact of these worlds on human behavior An ecosystems sustainability framework emerges as a key characteristic of contemporary practice What is sustainable social work What are the characteristics of a sustainable community How is the present exploitation of environmental resources unsustainable for future generations In accordance with the 2015 Council on Social Work Education CSWE standards attention is paid to environmental justice as well as diversity and difference

Madeline McDowell Breckinridge and the Battle for a New South Melba Porter Hay, 2009-04-24 A biography of the Kentucky women s rights activist and progressive reformer featuring personal interviews and recently discovered correspondence Preeminent Kentucky reformer and women s rights advocate Madeline McDowell Breckinridge 1872 1920 was at the forefront of social change during the late nineteenth and early twentieth centuries A descendant of Henry Clay and the daughter of two of Kentucky s most prominent families Breckinridge had a remarkably varied activist career that included roles in the promotion of public health education women s rights and charity Founder of the Lexington Civic League and Associated Charities Breckinridge successfully lobbied to create parks and playgrounds and to establish a juvenile court system in Kentucky She also became president of the Kentucky Equal Rights Association served as vice president of the National American Woman Suffrage Association and even campaigned across the country for the League of Nations In the first biography of Breckinridge since 1921 Melba Porter Hay draws on newly discovered correspondence and rich personal interviews with her female associates to illuminate the fascinating life of this important Kentucky activist Deftly balancing Breckinridge s public reform efforts with her private concerns Hay tells the story of Madeline s marriage to Desha Breckinridge editor of the Lexington Herald and how she used the match to her advantage by promoting social causes in the newspaper Hay also chronicles Breckinridge s ordeals with tuberculosis and amputation and emotionally trying episodes of family betrayal and sex scandals Hay describes how Breckinridge s physical struggles and personal losses transformed her from a privileged socialite into a selfless advocate for the disadvantaged Later as vice president of the National American Women Suffrage Association Breckinridge lobbied for Kentucky s ratification of the Nineteenth Amendment which gave women the right to vote in 1920 While devoting much of her life to the woman suffrage movement on the local and national levels she also supported the antituberculosis movement social programs for the poor compulsory school attendance and laws regulating child labor In bringing to life this extraordinary reformer Hay shows how Breckinridge championed Kentucky s social development during the Progressive Era Praise for Madeline McDowell Breckinridge and the Battle for a New South An important contribution to American history one that is of special significance to Kentucky history the Progressive Era and the women s rights movement Paul Fuller author of *Laura Clay and the Women s Rights Movement* Hay brings to life a multi dimensional woman emblematic of her times with whom readers can identify and sympathize Melanie Beals Goan author of *Mary Breckinridge The Frontier Nursing Service and Rural Health in Appalachia*

1865 TO THE PRESENT A UNITED STATES HISTORY FOR HIGH SCHOOLS ,1865 V. L. Parrington H. Lark

Hall,2017-09-29 H Lark Hall presents the first comprehensive biography of Vernon Louis Parrington 1871 1929 The recipient of the 1928 Pulitzer Prize in history for the first two volumes of his Main Currents in American Thought Parrington remains one of the most influential literary and historical scholars of the early twentieth century Parrington was a man in search of a personal myth He found his self image successively mirrored in Victorian novels painting poetry populism religion the arts and crafts movement American literature and American history These changes were also reflected in his teaching as a professor of English at the College of Emporia the University of Oklahoma and the University of Washington Published late in his career the two volumes of Main Currents represented the culmination of his search Drawing upon his personal papers including correspondence diaries and student course work Main Currents chapter drafts and other unpublished writings Hall traces Parrington s intellectual development from his Midwestern childhood through his mid life engagement with English poet and artist William Morris then from the radical impact of the new history to the tempered post World War One reflection of his career at the University of Washington Hall s reinterpretation of Main Currents emphasizes Parrington s concern with the drama of the life of the mind and links his historical viewpoint to his own personal history **David McCullough**

American History E-book Box Set David McCullough,2011-05-24 A special ebook boxed set from Pulitzer Prize winning author David McCullough featuring four books on American history This ebook box set includes the following American History themed books by David McCullough John Adams is the magisterial Pulitzer Prize winning biography of the independent irascible Yankee patriot one of our nation s founders and most important figures who became our second president 1776 is the riveting story of George Washington the men who marched with him and their British foes in the momentous year of American independence Truman is the Pulitzer Prize winning biography of Harry Truman the complex and courageous man who rose from modest origins to make momentous decisions as president from dropping the atomic bomb to going to war in Korea This set also contains a special bonus The Course of Human Events In this Jefferson Lecture in the Humanities David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history s enduring impact and influence and he affirms the significance of history in teaching us about human nature through the ages **The American Political Economy** Marc Allen Eisner,2013-12-17 Policy debates are often

grounded within the conceptual confines of a state market dichotomy as though the two existed in complete isolation In this innovative text Marc Allen Eisner portrays the state and the market as inextricably linked exploring the variety of institutions subsumed by the market and the role that the state plays in creating the institutional foundations of economic activity Through a historical approach Eisner situates the study of American political economy within a larger evolutionary institutional framework that integrates perspectives in American political development and economic sociology This volume provides a rich understanding of the complexity of U S economic policy explaining how public policies become embedded in

bureaucracy and reinforced by organized beneficiaries and public expectations This path dependent layering process helps students better understand the underlying historical dynamics which provide a clearer sense of the constraints faced by policymakers now and in the future The revisions to the second edition include Complete rewrite of the chapter on the recent financial crisis adding in commentary on the debt ceiling the fiscal cliff and other recent events New material added and existing material updated in the chapter discussing the two welfare states Extensive updates to the coverage of the global economy Expanded and updated discussion of Obama s economic policies Updates to figures and data throughout the text

The Great Depression David F. Burg, 2009 Presents a history of the Great Depression including the events that led up to it and the New Deal that followed with chronologies personal narratives and documents
