Resilient Marriages From Alcoholism And Adversity To Relationship Growth:

Resilient Marriages Karen J. Shirley, 2000 Resilience has come to rival insight as a fundamental therapeutic goal in bettering the lives of individuals in distress And it is increasingly an important topic in fields as diverse as education sociology and family studies Yet despite all the recent interest up to now few in depth studies have appeared This book is a moving ethnography of five couples whose marriages survived over many years and ultimately transcended a partner s alcoholism The couple s stories are poignant full of wisdom and carrying important lessons The author s insightful analysis sheds light on three recurring themes residual resources moments of choice and building trust This book makes a significant contribution to our understanding of what makes relationships last over a course of many years or a lifetime while serving as an engaging supplementary text for courses in family studies psychology and sociology [Subject Guide to Books in Print](#), 1997 **American Book Publishing Record**, 2000 **The British National Bibliography** Arthur James Wells, 2001

Resilience and Vulnerability Suniya S. Luthar, 2003-05-05 Integrated in this book are contributions from leading scientists who have each studied children s adjustment across risks common in contemporary society Chapters in the first half of the book focus on risks emanating from the family chapters in the second half focus on risks stemming from the wider community All contributors have explicitly addressed a common set of core themes including the criteria they used to judge resilience within particular risk settings the major factors that predict resilience in these settings the limits to resilience vulnerabilities coexisting with manifest success and directions for interventions In the concluding chapter the editor integrates evidence presented through all preceding chapters to distill a substantive considerations for future research and b salient directions for interventions and social policies based on accumulated research knowledge **Resilient Relationships** Christian Heim, Caroline Heim, 2023-04-14 Christian and Caroline Heim have written a wise and valuable book on how to make marriages last Roy Baumeister President of International Positive Psychology Association Designed to be used as a companion to couple therapy this book is based on a trailblazing study of over 1400 individuals It presents over 75 techniques to help relationships thrive in the long term and provides insights into the challenges faced by contemporary couples Through in depth interviews this book takes pertinent questions from young couples and puts them to couples who have been together for decades The time tested secrets of thriving couples are presented in a new guise for a new generation Capturing the effects of the COVID 19 pandemic the study includes people from 52 countries and is the largest cross sectional multi national study on long term relationships to date It highlights the dynamic and protective factors that lead to relationship longevity as well as societal pressures to guide therapists on how to manage these with their clients The authors uncover how long term relationships promote resilience emotional mental and physical health and protect against loneliness and harmful behaviours Therapists and couples need to know what goes right in long lasting relationships Providing essential data and practical skills for psychologists counsellors and other professionals this book is a must read for anyone working

with couples to explore and understand what leads to resilient relationships in a harsh complex world **Resilience in Action** Michael Ungar,Linda Liebenberg,2008-01-01 Mental health specialists and researchers contend that the development of resilience in youth is facilitated at several levels Relational cultural individual and governmental factors all have a strong influence over the mental well being of young people Resilience in Action looks at youth interventions with a view to fostering resilience in those living in adverse situations and conditions In order to provide a practical approach to the issue the essays in this volume explore the components of successful interventions encouraging the transmission of effective practices from one community to another across borders It is organized into four sections each dealing with a different aspect of work with at risk youth The first section focuses on individual health and the ways in which intervention and therapy strengthen personal resources The second section explores the dynamics of interventions in relation to specific contexts and localized relationships emphasizing holistic approaches to youth work A review of the cultural relevance of resilience follows in section three and the fourth considers ways of increasing the accessibility to resources that encourage healthy development Featuring contributors from a variety of academic and cultural backgrounds Resilience in Action offers diverse answers to many of the persistent questions mental health professionals ask regarding how to enhance resilience **Linking Health and Education for African American Students' Success** Nadine M. Finigan-Carr,2017-03-16 The linkages between a student s health and a student s ability to learn have been well established Children who are sick stay home and children at home cannot learn if they are not in school leading to increased dropout rates among other educational outcomes However an understanding of this concept is just the beginning of understanding how education and public health are inextricably linked In light of this Linking Health and Education for African American Students Success examines health disparities and education inequities simultaneously and moves beyond a basic understanding of health and education in K 12 school programs The structural inequalities which lead to reduced academic attainment mirror the social determinants of health Education is one of the most powerful determinants of health and disparities in educational achievement as a result of structural inequalities closely track disparities in health These disparities lead to both sub standard healthcare and reduced academic attainment among children from underserved minorities in the United States especially African Americans This book discusses how this may result in children with poorer mental health outcomes higher school dropout rates increased risks of arrests and incarceration higher rates of chronic diseases and mortality and overall diminished opportunities for success while providing suggestions as to how to address these issues This results in an insightful read for researchers academics and practitioners in the fields of healthcare and education **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Risk and Resilience** Richard Velleman,Jim Orford,2013-01-11 Risk and Resilience looks at the issue of young adults who grew up in families where a parent and sometimes both had a drinking problem Alcohol related problems are now recognized as being near the very top of the world league table of health and social problems Since the large

majority of problem drinkers are adults aged between 22 and 55 many are parents with children or adolescents in their care In the USA alone there are estimated to be over six million children under the age of 18 living with a parent with a drinking problem and over 22 million adults one in every eight American adults who were brought up with a parent who had a drinking problem Clearly many children who grow up in this sort of environment have a difficult childhood Velleman and Orford examine the question of what happens to such children when they grow up Risk and Resilience focuses on three main themes What is the likelihood of such young adults developing drinking problems themselves Wha

Counseling Individuals Through the Lifespan Daniel W. Wong, Kimberly R. Hall, Cheryl A. Justice, Lucy Wong Hernandez, 2015-01-06 Anchored in the CACREP accreditation standards this third book in the Counseling and Professional Identity series provides counselors and human service professionals with a solid foundation to understand lifespan developmental theory and apply these constructs to clients in counselling at various stages Each chapter in the book is divided into a 3 step method starting with a description of the theoretical content followed by clinical illustrations and finishing with a complex case study with the distinctive counselor thinking feature accompanied by guided practice exercises The book will also emphasize self reflection to help students learn experientially as they move through the text
