Sand Buried Ruins Of Khotan:

Sand-buried Ruins of Khotan, Personal Narrative of a Journey of Archaeological and Geographical Exploration in Chinese Turkestan, by Aurel Stein,... Aurel Stein,1903 Sand-buried Ruins of Khotan Sir Aurel Stein,1903 Sand-Buried Ruins of Khotan Sir Aurel Stein,2014 Between 1900 and 1901 the Hungarian born archaeologist Marc Aurel Stein 1862 1943 made the first of several significant trips through Central Asia In 1903 he published this account of his journey from Calcutta to London via the deserts of Chinese Turkestan The text is richly illustrated with photographs of locations on the route followed by Stein s party as well as of the people they encountered and many of the artefacts they excavated in the vicinity of the ancient oasis town of Khotan Stein intended his book to be accessible to non specialists and his descriptions of the many important archaeological discoveries such as Sanskrit texts of Buddhist scriptures are interspersed with compelling human details and anecdotes about traversing the challenging terrain of eastern Central Asia The work of an indefatigable explorer this book sheds light on the spread of Graeco Buddhist culture along the Silk Route Sand-Buried Ruins of Khotan M. Aurel Stein,2017-12 Excerpt from Sand Buried Ruins of Khotan Personal Narrative of a Journey of Archaeological and Geographical Exploration in Chinese Turkestan I have spared no trouble to render my account of the latter accurate in its details and yet thoroughly intelligible to the non Orientalist It has been my hope to attract his interest to a fascinating chapter of ancient history which witnessed inter change between the civilisations of India China and the Classical West in that distant part of Central Asia and which seemed almost completely lost to us If this hope is fulfilled and if at the same time these pages convey adequate impressions of the strange scenes and conditions amidst which I passed that year of trying but happy toil I shall feel repaid for the additional labour involved in the preparation of this narrative About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
