while others look to wider themes such as non violence or millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown

understand why society validates the myth **The Secret Bible** Joseph R. Rosenbloom,2006-11 The basic thesis of The Secret Bible A Secular Approach to the Bible is that the traditions which comprise the Hebrew Bible the Old Testament were in their original form secular It was only later when the existence of the Jewish people was threatened that the texts that made up the Bible were religionized that is God was made the center of the stories and histories and was seen as the single all powerful deity who had a special relationship to the Jewish people Before the Bible was religionized Israelite society was much like the others in the ancient Middle East with a secular government and sacrificial cult centered on altars in various temples Many of the laws found in the legal codes of the first fivebooks of the Bible are secular The stories of the first Hebrew found in the Pentateuch are essentially secular accounts of families and their problems Religious elements were later added The secular nature of the Bible will make it more accessible to those readers who do not accept God as the author of history and in control of nature The Creation of Man and Woman Gerard P. Stuckenbruck,2004 Fall of the Angels focuses on a biblical tradition whose significance has been recognised elaborated and explored in literature and art outside the Bible Its extensive influence on religion and culture during the last two millenia is reflected in the wide variety of interpretations of this tradition among communities as they came to terms with religious identity in the face of opposition **SACRED SECRET** TJ Morris,2012-01-28 The Memoirs and articles of a spiritual adviser who had a near death experience shares life of memories of past lives and articles from paranormal Alien ET UFO websites Theresa Morris is a well known psychic spiritual adviser of the Ascension Center of Hawaii and the Ascension Age of 2012 and Beyond Author of 13 books to date January 2012 This information was thought to be lost and became the Ascension Cosmology of the times called Ascension Age the Golden Age of Cosmology now known as the Sacred Secret of the Ancient Mystery Schools of the Metaphysical Schools of the Lightworkers and the Truthseekers Theresa Janette Thurmond Born December 27 1951 and again January 27 1974 after dying giving birth to her daughter who is now also a Spiritual Adviser of the Ascension Age to being 12 21 12 *The Secrets of the Biblical Story of Creation* Rudolf Steiner,1924 **The Secret History of the World** Mark Booth,2010-02-23 This New York Times bestselling work reimagines world history though the belief systems of Freemasons Rosicrucians Kabbalists and others They say that history is written by the victors But what if history as we know it written by the wrong people What if everything we ve been told is only part of the story In this groundbreaking and controversial work Mark Booth embarks on an enthralling tour of our world
