Current History, 1921 *The Secrets of the Harem By One Who Has Been there* Anonymous Anonymous, 2019-09-15 Excerpt Many people have an idea that Turkish women absolutely do nothing that is either useful or ornamental aside from the decoration of their own persons but that is not altogether true as my residence of over a year in their country taught me for they are really dextrous with the needle and do work which is as fine as that done by the sisters in the convents or that of the wives of the feudal noblemen of olden times The favourite pastime of the Turkish women is the bath which brings together the wives and slaves of all the well to do Turks and it is like a picnic of school children These wives most of them very young some indeed not over twelve or fourteen years old take their lunch along and they eat and steam plunge and splash and play pranks upon each other in the wildest glee the whole day long No fear of an angry husband haunts their minds for they are not expected to do anything and their husbands very rarely enter the harems before six o'clock By this time they are all back rosy and sweet from their bath At the baths there is often an old woman who has the faculty of relating stories and she is eagerly listened to by the grown up children the stories are generally of the Arabian nights order full of genii beautiful ladies and charming youths and jealous husbands Many a lesson is given as how to outwit the most jealous of men through these stories a lesson they are neither slow to learn nor practise

History of English Drama 1660-1900 Nicoll, Allardyce Nicoll, 2009-08-16 Nicoll's History which tells the story of English drama from the reopening of the theatres at the time of the Restoration right through to the end of the Victorian period was viewed by Notes and Queries 1952 as a great work of exploration a detailed guide to the untrodden acres of our dramatic history hitherto largely ignored as barren and devoid of interest

The Mysterious and the Foreign in Early Modern England Helen Ostovich, Mary V. Silcox, Graham Roebuck, 2008 The essays collected in this volume explore many of the most interesting and some of the more surprising reactions of English people in the early modern period to their encounters with the mysterious and the foreign In this period the small and peripheral nation of English speakers first explored the distant world from the Arctic to the tropics of the Americas to the exotic East and snowy wastes of Russia

recording its impressions and adventures in an equally wide variety of literary genres Nearer home fresh encounters with the mysterious world of the Ottoman Empire and the lure of the Holy Land and of course with the evocative wonders of Italy provide equally rich accounts for the consumption of a reading and theatergoing public This growing public proved to be in some cases naive and gullible in others urbanely sophisticated in its reactions to otherness or frankly incredulous of travelers tales BOOK JACKET

Diagnosing Empire Narin Hassan, 2016-04-08 Examining the emerging figure of the woman doctor and her relationship to empire in Victorian culture Narin Hassan traces both amateur and professional doctoring by British women travelers in colonial India and the Middle East Hassan sets the scene by offering examples from Victorian novels that reveal the rise of the woman doctor as a fictional trope Similarly medical advice manuals by Victorian doctors aimed at families traveling overseas emphasized how women should maintain and manage healthy bodies in colonial locales For Lucie Duff Gordon Isabel Burton Anna Leonowens among others doctoring natives secured them access to their private lives and cultural traditions Medical texts and travel guides produced by practicing women doctors like Mary Scharlieb illustrate the relationship between medical progress and colonialism They also helped support women's medical education in Britain and the colonies of India and the Middle East Colonial subjects themselves produced texts in response to colonial and medical reform and Hassan shows that a number of New Indian women including Krupabai Sathianadhan participated actively in the public sphere through their involvement in health reform In her epilogue Hassan considers the continuing tradition of women's autobiographical narrative inspired by travel and medical knowledge showing that in the twentieth and twenty first century memoirs of South Asian and Middle Eastern women doctors the problem of the Woman Question as shaped by medical discourses endures

and the transformative power of migration Scheherazade Goes West Fatema Mernissi, 2001-09-16 Throughout my childhood my grandmother Yasmina who was illiterate and grew up in a harem repeated that to travel is the best way to learn and to empower yourself When a woman decides to use her wings she takes big risks she would tell me but she was convinced that if you didn't use them it hurt So recalls Fatema Mernissi at the outset of her mesmerizing new book Of all the lessons she learned from her grandmother whose home was after all a type of prison the most central was that the opportunity to cross boundaries was a sacred privilege Indeed in journeys both physical and mental Mernissi has spent virtually all of her life traveling determined to use her wings and to renounce her gender's alleged legacy of powerlessness Bursting with the vitality of Mernissi's personality and of her rich heritage Scheherazade Goes West reveals the author's unique experiences as a liberated independent Moroccan woman faced with the peculiarities and unexpected encroachments of Western culture Her often surprising discoveries about the conditions of and attitudes toward women around the world and the exquisitely embroidered amalgam of clear-eyed autobiography and dazzling meta-fiction by which she relates those assorted discoveries add up to a deliciously wry engagingly cosmopolitan and deeply penetrating narrative In her previous bestselling works Mernissi widely recognized as the world's greatest living Koranic scholar and Islamic sociologist has shed unprecedented light on the lives of women in the Middle East Now as a writer and scholarly veteran of the high wire act of straddling disparate societies she trains her eyes on the female culture of the West For her book's inspired central metaphor Mernissi turns to the ancient Islamic tradition of oral storytelling illuminating her grandmother's feminized subversive and highly erotic take on Scheherazade's wife preserving tales from *The Arabian Nights* and then ingeniously applying them to her own lyrically embellished personal narrative Interwoven with vivid ruminations on her childhood her education and her various international travels are the author's piquant musings on a range of deeply embedded societal conditions that add up Mernissi argues to a veritable Western harem A provocative and lively challenge to the common assumption that women have it so much better in the West than anywhere else in the world Mernissi's book is an entrancing and timely look at the way we live here and now By inspiring us to reconsider even the most commonplace aspects of our culture with fresh eyes and a healthy dose of suspicion Scheherazade Goes West offers an invigorating candid and entertaining new perspective on the themes and ideas to which Betty Friedan first turned us on nearly forty years ago Littell's Living Age, 1925 **Secrets** Jo Ann Lordahl, 2005-08-01 In this first of a trilogy *Secrets* Antonia learns through her relationships with four men to become a woman The secrets of her loveless Alabama childhood help us understand the romantically driven searching for love adult woman Antonia is secretly in love with and grieving for the now dead Catlin Catlin is based on James Jones author of *From Here to Eternity* Antonia is separated from her deceitful husband John unexpectedly she found him in her bed with another woman *Secrets* To add to love entanglements Antonia now lives with Vic the wild motorcycle rider she met the night John cheated Icy John and his developing alcoholism drove Antonia away his unfaithfulness was only a bitter ending And always
