Secrets Of The Haggadah:

Secrets of the Haggadah ,1989 The Secrets of the Haggadah Matityahu Glazerson, 1996-04 Rabbi Matityahu Glazerson has used his unique approach to uncover the exalted ideas that the words and letters of the holy language Hebrew convey This approach is especially suited to the study of Haggadah for the holiday of Passover does not only symbolize our redemption but is also symbolic of the holy language Pharaoh's underlying motive was to break down the barriers that separated the Jew from the Egyptian thus effecting our spiritual downfall through assimilation The sages teach that one of the reasons why the Jews in Egypt deserved to be redeemed was that they continued to speak Hebrew In this way they guaranteed their distinctiveness and their sanctity Haggadah Matityahu Glazerson,1989 The Secret of Redemption Jeffrey Gale, 2023-09-22 It is November 2013 nearly thirty years after Rabbi Levin taught and comforted refusenik families in the former Soviet Union and presided over the twinning of his bat mitzvah student Simone Da Costa with Sanna Tsivkin of Leningrad Rabbi Levin is currently serving a synagogue in northern Manhattan which consists of a substantial number of Holocaust survivors As his congregation observes the seventy fifth anniversary of Kristallnacht he is acutely aware of hatred of the other in America Inequality discrimination segregation violence against racial minorities anti Semitic incidents and anti immigrant bias were in full force ICE was bearing down hard upon illegal immigrants Many have taken refuge in religious institutions to avoid deportation and family separation. The ghosts of 1938 have reappeared on the synagogue s doorstep Both Kristallnacht and its aftermath and the plight of Soviet Jewry seem as if they had only happened yesterday Thousands of miles away Rabbi Levin's daughter Bracha engages in graduate work at Hebrew University in Jerusalem and works for a human rights organization She is on the front lines of the ongoing Israel Palestinian conflict As a lover of Zion who is saddened by acts of terrorism perpetrated against her own people she witnesses prejudice and violations of human rights and becomes disillusioned A famous saying attributed to the Baal Shem Tov states that forgetfulness leads to exile but remembrance is the secret of redemption The upcoming observance of Kristallnacht sets off a chain of events which would lead to communal challenges and would move Rabbi Levin s community work in an unpredictable direction Bracha s experiences would lead to serious questioning that would shape her career path As both father and daughter embark upon a journey of remembrance face the challenges of the present and envision a brighter future for humanity they discover the real secret of redemption The God Code Gregg Braden, 2005-01-01 One of our great visionaries Dr Wayne W Dyer A rare blend of scientist visionary and scholar Deepak Chopra A scholar and New York Times bestselling author shares his shocking theory of an ancient language found in the decoded elements of our DNA that shines new light on the mysteries of existence What would it mean to discover an ancient language a literal message hidden within the DNA of life itself What we once believed of our past is about to change A coded message has been found within the molecules of life deep within the DNA in each cell of our bodies Through a remarkable discovery linking Biblical alphabets to our genetic code the language of life
